Industry and Market Data

Any industry and market data used in this Draft Shelf Prospectus consists of estimates based on data reports compiled by

Government bodies, professional organizations and analysts, data from other external sources including *CRISIL Market Intelligence & Analytics (CRISIL MI&A) – NBFC Industry Report released in Mumbai in August 2023*, available in the public domain and knowledge of the markets in which we compete. These publications generally state that the information contained therein has been obtained from publicly available documents from various sources believed to be reliable. The data used in these sources may have been reclassified by us for purposes of presentation. Data from these sources may also not be comparable. The extent to which the industry and market data presented in this Draft Shelf Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business and methodologies and assumptions may vary widely among different market and industry sources.

General Risk

Investment in NCDs is risky, and investors should not invest any funds in NCDs unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it.

Specific attention of investors is invited to statement of risk factors contained under section “*Risk Factors*” on page 18. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the NCDs or Investor’s decision to purchase such securities.

Exchange Rates

The exchange rates for INR (₹) vis-à-vis of USD, as of September 30, 2023, March 31, 2023, March 31, 2022 and March 31, 2021, are provided below:

Currency	September 30, 2023	March 31, 2023	March 31, 2022	March 31, 2021

FORWARD LOOKING STATEMENTS

Certain statements contained in this Draft Shelf Prospectus that are not statements of historical fact constitute “forward-looking statements”. Investors can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “plan”, “potential”, “project”, “pursue”, “shall”, “seek”, “should”, “will”, “would”, or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. All statements regarding our expected financial conditions, results of operations, business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our business strategy, revenue and profitability, new business and other matters discussed in this Draft Shelf Prospectus that are not historical facts. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results, including our financial conditions and results of operations to differ from our expectations include, but are not limited to, the following:

- Any increase in the levels of non-performing assets (“NPA”) on our loan portfolio, for any reason; whatsoever, would adversely affect our business and results of operations.
- Certain conditions and restrictions in terms of our financing arrangements, could restrict our ability to conduct our business and operations in the manner we desire;
- Volatility in interest rates could have a material adverse effect on our net interest income, net interest margin and our financial performance;
- Downgrade of our credit ratings may increase our borrowing costs and constrain our access to capital and debt markets and, as a result, may adversely affect our net interest margin and our results of operations;
- Non-payment or default owing to the profile of borrowers in the microfinance industry, whom we service, may lead to increased levels of non-performing assets, related provisions and write-offs that may adversely affect our business, results of operations, cash flows and financial condition.
- Any disruption in our sources of funding;
- We may not be able to sustain or manage our growth or execute our growth strategy for microfinance loans effectively. If we fail to increase our operational efficiency, we may have higher operating costs and lower profitability and cash flows or operate our business effectively.
- We are involved in certain legal and other proceedings which, if determined against us, could have a material adverse impact on our financial condition;
- Occurrence of natural calamities, pandemics, or natural disasters affecting the areas in which our Company has operations.

For further discussion of factors that could cause our actual results to differ, see “*Risk Factors*” on page 18.

All forward-looking statements are subject to risks, uncertainties and assumptions about our Company that could cause actual results and valuations to differ materially from those contemplated by the relevant statement. Additional factors that could cause actual results, performance or achievements to differ materially include, but are not limited to, those discussed under the sections titled “*Industry Overview*”, “*Our Business*” and “*Legal and Other Information*” on pages 83, 99 and 187, respectively. The forward-looking statements contained in this Draft Shelf Prospectus are based on the beliefs of management, as well as the assumptions made by and information currently available to management. Although our Company believes that the expectations reflected in such forward-looking statements are reasonable at this time, it cannot assure investors that such expectations will prove to be correct or will hold good at all times. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialise, or if any of our Company’s underlying assumptions prove to be incorrect, our Company’s actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to our Company are expressly qualified in their entirety by reference to these cautionary statements.

Neither our Company, its Directors, its KMPs and officers, or the Lead Managers, nor any of their respective affiliates or associates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with SEBI NCS Regulations, our Company and the Lead Managers will ensure that investors in India are informed of material developments until the time of the grant of listing and trading permission by the Stock Exchanges.

By their nature, certain market risk disclosures are only estimate(s) and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Neither our Company, nor the Lead Managers or its respective Directors and officers, nor any of its respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with SEBI NCS Regulations, our Company and the Lead Managers will ensure that investors are informed of material developments between the date of filing the Shelf Prospectus with ROC and the date of receipt of listing and trading permission from the Stock Exchanges for the NCDs issued pursuant to relevant Tranche Issue.

SECTION II – RISK FACTORS

An investment in NCDs involves a certain degree of risk. You should carefully consider all the information contained in this Draft Shelf Prospectus, including the chapters “Our Business” and “Financial Statements” on pages 99 and 149, respectively, before making an investment decision. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the NCDs. Additional risks and uncertainties, which are currently unknown or now deemed immaterial, if materialises, may in the future have a material adverse effect on our business, financial condition and results of operations and cash flows. The market prices of the NCDs could decline due to such risks and you may lose all or part of your investment.

If any one of the following stated risks or other risks that are not currently known or are now deemed immaterial actually occurs, the Company’s business, financial conditions and results of operations and cash flows could suffer and, therefore, the trading price of the Company’s NCDs could decline and/or the Company’s ability to meet its obligations in respect of the NCDs could be affected and you may lose all or part of your interest and/or redemption amounts. More than one risk factor may have simultaneous affect with regard to the NCDs such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No prediction can be made as to the effect that any combination of risk factors may have on the value of the NCDs and/or the Company’s ability to meet its obligations in respect of the NCDs.

The financial and other related implications of the risks described in this section, have been disclosed to the extent quantifiable as on the date of this Draft Shelf Prospectus. This Draft Shelf Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in the Draft Shelf Prospectus.

This Draft Shelf Prospectus contains forward looking statements that involve risk and uncertainties. Our Company’s actual results could differ materially from those anticipated in these forward looking statements as a result of several factors, including the considerations described below and elsewhere in this Draft Shelf Prospectus. Certain information in this section includes extracts from – NBFC Industry Report released in Mumbai in August 2023 by CRISIL Market Intelligence & Analytics (CRISIL MI&A). Neither our Company, the Lead Managers, the Debenture Trustee, nor any other person connected with the Issue has independently verified such industry and third-party information. For more information, please see “Industry Overview” on page 83.

Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks described in this section.

Unless otherwise stated or unless context requires otherwise, the financial information used in this section is derived from and should be read in conjunction with the Audited Financial Statements and the Unaudited Financial Results as included in this Draft Shelf Prospectus. For further details on the financial information used in this section, please refer to “Presentation of Financial Information” under chapter “Certain Conventions, Use of Financial, Industry and Market Data and Currency of Presentation.” on page 14.

INTERNAL RISK FACTORS

Risks Relating to our Business.

1. We deal with higher risk clients and provide unsecured loans. Hence our business is exposed to risk of NPAs.

Out of the total loans and advances by our Company, we had ₹ 889.42 crore as secured loans and ₹ 11,306.52 crore as unsecured loans which constituted 7.29% and 92.71%, respectively, of the total loans, as on September 30, 2023. The majority of our loans are unsecured and are of the high risk category. If we are unable to control the level of non-performing loans (“NPAs”) in the future, or if our prudential reserves are insufficient to cover future default losses of our borrowers, our financial condition and results of operations may be materially and adversely affected.

As on September 30, 2023 our net NPAs stood at ₹ 47.26 crore and gross NPA were at ₹ 174.91 crore, which amounts to 0.57 % and 2.11 %, respectively, as a percentage of our gross loan book. As the majority of our loans are unsecured and are given to high risk category customers. There is an uncertainty on the customers’ ability to fulfil their loan

obligations, as many MFI borrowers are from informal segment of the society or proper income proof verification. Accordingly, it can be difficult to assess the default credit risk. Such non-performing or low credit quality loans can negatively impact our results of operations. Therefore, we have various procedures and process controls in place to mitigate the credit default risk of our customers. All group lending loans are provided under the Grameen Model and based on the joint liability of the group. Nevertheless, we cannot assure you that we will be able to effectively control and reduce the level of the impaired loans in our total loan portfolio. The amount of our reported NPAs may increase in the future as a result of growth in our total loan portfolio, and also due to factors beyond our control, such excessive debt taken by our customers that we are unaware of.

If we are unable to manage our NPAs or adequately recover our loans, our results of operations will be adversely affected. Our current loan loss reserves may not be adequate to cover an increase in the amount of NPAs or any future deterioration in the overall credit quality of our total loan portfolio. As a result, if the quality of our total loan portfolio deteriorates, we may be required to increase our loan loss reserves, which will adversely affect our financial condition and results of operations. Our customers/borrowers are from informal segment and are from low-income group as a result might they are vulnerable to economic conditions worsening or growth rates decelerating in India, or if there are natural disasters such as floods and droughts in areas where our customers live. Moreover, there is no precise method for predicting credit losses from the loans, and we cannot assure you that our monitoring and risk management procedures will effectively predict such losses or that loan loss reserves will be sufficient to cover actual losses. If we are unable to control or reduce the level of our NPAs or poor credit quality loans, our financial condition and results of our operations could be materially and adversely affected. Further, we believe that our interests are perfected and legally enforceable, they might not be deemed as such in an Indian court.

2. *Microfinance loans are unsecured and are susceptible to various operational and credit risks which may result in increased levels of NPAs, thereby adversely affecting our business, results of operation, cash flows and financial condition.*

Our micro-finance loans constitute 84.9% of our Gross AUM and 87.9% of our total income. Micro-finance loans are collateral-free loans, irrespective of end use and mode of application/ processing/ disbursal (either through physical or digital channels), provided to low-income households, i.e., households having annual income up to ₹3,00,000, as per the Master Direction – Reserve Bank of India (Regulatory Framework for Microfinance Loans) Directions, 2022 dated March 14, 2022. Further all our micro-finance loans are collateral-free in nature and are not be linked with a lien on the deposit account of the borrowers. Our customers typically have limited sources of income, savings and credit histories and as a result, are usually adversely affected by declining economic conditions.

Further, our JLG Customers do not provide any collateral or security for their borrowings as RBI, as per the new microfinance regulations, has mandated that microfinance loans should be collateral free to be eligible for classification as “Qualifying Assets”. Such customers generally do not have a high level of financial resilience, and, as a result, they can be adversely affected by declining economic conditions and natural calamities such as floods or droughts. Furthermore, as there is typically limited financial information available about our focus customer segment and many of our customers do not have any credit history supported by tax returns, bank or credit card statements, statements of loan exposures from players operating in the unorganized segments or other related documents, it is difficult to consistently carry out credit risk analyses on our customers.

Further, we rely primarily on non-traditional guarantee mechanisms rather than any tangible assets such as collateral. Our loans typically involve a joint liability mechanism whereby borrowers form an informal joint liability group (“JLG”) (typically comprising between five to ten members) and provide joint and several guarantees for loans obtained by each member of the group. There can however be no assurance that such joint liability arrangements will ensure repayment by the other members of the JLG in the event of default by any one of them. Such joint liability arrangements are likely to fail if there is no meaningful personal relationship or bond among members of such group, if inadequate risk management procedures have been employed to verify the group members and their ability to repay such loans, or as a result of adverse external factors such as natural calamities or forced migration. Further, while we have our own due diligence and credit analysis procedures, there can be no assurance that we will be able to ensure low delinquency rates. As a result, our customers potentially present a higher risk of loss in case of a credit default compared to that of borrowers in other asset-backed financing products.

Due to the underlying profile of our customers, we may, in the future, experience increased levels of non-performing assets and related provisions and write-offs, which would materially and adversely impact our business and results of operations. We cannot assure you that our risk management policies will continue to be sufficient or that additional risk management policies for individual borrowers will not be required. Failure to maintain sufficient credit assessment and risk management policies could adversely affect our credit portfolio, which could have a material and

adverse effect on our business, results of operations, cash flows and financial condition.

3. *Loans due within two years' account for almost all of our interest income, and a significant reduction in short term loans may result in a corresponding decrease in our interest income.*

The weighted average maturity of our loans as on September 30, 2023 was 19.48 months with average ticket size of ₹ 45,901. All of our loans matures within approximately two years of disbursement. The relatively short- term maturity of our loans means that our long-term interest income stream is less certain than if a portion of our loans were for a longer term. In addition, our customers may not obtain new loans from us upon maturity of their existing loans, particularly if there is an increase in competition or increase in interest rates. The potential instability of our interest income could materially and adversely affect our results of operations and financial position. Further, the weighted average maturity period of our borrowings as on September 30, 2023 stood at 16.67 months. Therefore, there is gap in relation of assets and maturity of our borrowings. Please refer to Section titled “*Other Regulatory And Statutory Disclosures - Residual Maturity Profile of Assets and Liabilities as on March 31, 2023*” on page 232.

4. *While we have presence in over 21 states and one union territory, our operations are majorly concentrated in Tamil Nadu, Bihar, Karnataka, Rajasthan and Uttar Pradesh. Any adverse developments in these states could have an adverse effect on our business, results of operations, financial condition and cash flows.*

We have presence in 21 states and one union territory and as of September 30, 2023, we conducted our operations through 1,485 branches in India, of which 222 branches were located in Tamil Nadu, 205 branches were located in Bihar, 179 branches were located in Karnataka, 147 branches were located in Rajasthan and 139 branches were located in Uttar Pradesh. As of September 30, 2023, 21.92% of our Gross AUM originated in Bihar, 16.63% of our Gross AUM originated in Tamil Nadu, 12.58% of our Gross AUM originated in Karnataka, 9.02% of our Gross AUM originated in West Bengal and 8.66% of our Gross AUM originated in Rajasthan. In the event of a regional slowdown in the economic activity in these states or any other developments including health epidemics, political unrest, disruption or sustained economic downturn that make our products in these states less beneficial, we may experience an adverse impact on our financial condition, cash flows and results of operations, which are largely dependent on the performance and other prevailing conditions affecting the economies of these states. The market for our products or general business conditions in these states may perform differently from, and be subject to, market and regulatory developments that are different from the requirements in other states of India. There can be no assurance that the demand for our products will grow or will not decrease in the future in these states.

Further we are exposed to certain political, regulatory and concentration of risks and therefore, plan to expand into newer geographic locations. Due to the nature of operations, we are exposed to political, regulatory and concentration risks. We believe a mitigation to this is to expand our geographical reach and we are consequently expanding operations in different geographies.

If we are not effectively able to manage such operations and expansion, we may lose money invested in such expansion, which could adversely affect our business and results of operations.

5. *An increase in our portfolio of non-performing assets and/ or our provisions may materially and adversely affect our business and results of operations.*

Our management of credit risk involves having appropriate credit policies, underwriting standards, approval processes, loan portfolio monitoring, collection and remedial management, provisioning policies and an overall architecture for managing credit risk. If the credit quality of our customers, the growth of our loan portfolio or our provisioning levels deteriorate, it could have an adverse effect on our business, results of operations, cash flows and financial condition. Further, our credit monitoring and risk management policies and procedures may not be accurate, properly designed, or appropriately implemented or complied with by our customers, and we could suffer material credit losses. In addition, even if our policies and procedures are accurate and appropriate, we may not be able to anticipate future economic or financial developments or downturns, which could lead to an increase in our NPAs.

We recognise impairment of financial instruments on our statement of profit and loss based on ECL (Expected Credit Loss) methodology in accordance with Ind AS (for further details of our provisioning policies, see “*Financial Information*” on page 149). In addition to the required provision under our ECL model, we also consider our management overlay and macroeconomic factors as applicable for loan losses and risks inherent in the loan portfolio when deciding on the appropriate level of impairment allowance, which are recognized under impairment on financial instruments. The determination of an appropriate level of loan losses and provisions involves a degree of subjectivity and requires that we make estimates of current credit risks, all of which may be subject to material changes. Any

incorrect estimation of risks may result in our provisions not being adequate to cover any further increase in the amount of NPAs or any further deterioration in our NPA portfolio.

The following table sets forth the classification of our gross loan portfolio as of Financial Years ending 2023, 2022 and 2021.

(₹ in crore)

⁽²⁾Net Stage 3 (%) represents Net Stage 3 loans outstanding (as defined above) as a percentage of total portfolio loans outstanding (net) as of the last day of the relevant period.

Note: Loans include group lending loans and individual loans.

A number of factors outside of our control affect our ability to limit and reduce NPAs. These factors include developments in the Indian and global economy, domestic or global turmoil, competition, changes in customer behavior and demographic patterns, various central and state government decisions (including farm loan waivers or any), changes in interest rates and exchange rates and changes in regulations, including with respect to regulations requiring us to lend to certain sectors identified by RBI, or the Government of India. These factors, coupled with other factors such as volatility in commodity markets, decrease in agriculture productivity and decline in business and consumer confidence, could impact our customers and in turn impact their ability to fulfil their obligations under the loans we extended to them. In addition, the expansion of our business may cause our NPAs to increase and the overall quality of our loan portfolio to deteriorate. If our NPAs increase, we will be required to increase our provisions, which would result in our net profit being less than it otherwise would be and could materially adversely affect our financial condition, cash flows and results of operations. Our Gross Stage 3 to Total Assets had increased to 3.07% in March 31, 2022 from 1.82% as on March 31, 2021 due to Covid-19 related impact. Our Gross Stage 3 Assets to Total Assets were at 2.12% and 2.11% as on March 31, 2023 and as on September 30, 2023, respectively.

6. The past performance and growth of our business is not indicative of our future performance and growth. If we are unable to manage our growth effectively, our financial, accounting, administrative, operational and technology infrastructure, as well as our business and reputation could be adversely affected.

Our business has experienced organic growth over the past few years. Our network of branches in India has expanded from 807 branches servicing 17.52 lakh customers as of March 31, 2022 to 1267 branches servicing approximately 23.54 lakh customers, as of March 31, 2023 and 1,485 branches servicing approximately 27.20 lakh customers, as of September 30, 2023.

As part of our growth strategy, we expect the contiguous expansion of our geographic footprint and network of branches to continue, which may further constrain our capital and human resources, and make asset quality management increasingly important. As we move to newer geographies, we may not be able to maintain the level of our NPAs or the quality of our portfolio. We will need to continue to enhance and improve our financial, accounting, information technology, administrative/ risk management and operational infrastructure and internal capabilities in order to manage the future growth of our business effectively. For example, our current BR.Net and Perdix banking application software is a centralized core banking solution that has been licensed from an information technology company. There can be no assurance that the network infrastructure required for communication with the centralized system can be expanded in scale to meet any increase in the volume of our transactions. We may also not be able to implement the necessary improvements in a timely manner, or at all, and we may encounter deficiencies in existing systems and controls. Further, we may be unable to develop adequate infrastructure or devote sufficient financial resources or develop and attract talent to manage our growth.

If we are unable to manage our future expansion successfully, our ability to provide products and services to our customers would be adversely affected, and, as a result, our reputation could be damaged, and our business and results of operations could be materially and adversely impacted.

Notwithstanding the expansion of our business and customer base, there is no guarantee that we will be able to effectively manage or continue the rate of growth and financial performance. Our disbursements across our financing products for the six months ended September 30, 2023 and financial years ended March 31, 2023 and 2022 were ₹ 5,566.19 crore, ₹ 10,213.77 crore and ₹ 5,710.24 crore respectively. Our net interest incomes for the six months ended September 30, 2023 and the financial years ended March 31, 2023 and 2022 were ₹ 857.46 crore, ₹ 1,159.25 crore and ₹ 617.69 crore, respectively. Our profit after tax for the six months ended September 30, 2023 and financial years ended March 31, 2023, 2022 and 2021 were ₹ 232.97 crore, ₹ 128.18 crore, ₹ 50.60 crore and ₹ 66.62 crore respectively. Our net worth (calculated basis the definition provided under section 2(57) of Companies Act, 2013) as of March 31, 2023, was ₹ 1,272.86 crore. However, our past growth is not indicative of our future performance or potential growth.

We have reported 62.75% growth in our Gross AUM from ₹ 6,483.84 crore as of March 31, 2022 to ₹ 10,552.12 crore as of March 31, 2023. Our Gross AUM as on six months ending September 30, 2023 stood at ₹ 12,195.93 crore. While we were profitable during the last three fiscal years and will continue to endeavour to grow our profitability, however, going forward, no assurance can be given that our growth will continue at a similar rate or that we will be able to manage our rapid growth. If we are unable to implement or sustain our growth strategy effectively it could adversely affect our business, results of operations, cash flows and financial condition.

7. *Failure to train employees and large scale attrition, especially at the senior management level, can make it difficult for us to manage our business.*

Our ability to sustain our rate of growth also depends, to a large extent, upon our ability to recruit trained and efficient personnel, retain key managerial personnel, maintain effective risk management policies, continue to offer products, which are relevant to our target base of clients, develop managerial experience to address emerging challenges and ensure a high standard of client service. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train our employees properly may result in an increase in employee attrition rate, a need to hire additional employees, erosion in the quality of customer service, a diversion of the management's resources, an increase in our exposure to high-risk credit and an increase in costs for us.

Our growth has placed and will continue to place significant demands on our operational, credit, financial and other internal risk controls, including:

- developing and improving our products and delivery channels;
- recruiting, training and retaining sufficient skilled personnel;
- upgrading, expanding to digital platforms;
- upgrading our technology stack to support the expanding scale of business;
- complying with regulatory requirements; and
- maintaining high levels of customer satisfaction.

If we are not successful in implementing or executing these operational measures and risk controls, we may not be able to expand our business as we have in the past, and our growth rate may decline. We may not be able to manage our new operations effectively or efficiently, which would mean that our operations would suffer, and our performance and financial results as a whole would be materially and adversely affected. If we are not able to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain our quality and reputation, it will be difficult for us to manage our business and growth. We depend on the services of our executive officers and key employees for our continued operations and growth.

8. *Our business is particularly vulnerable to interest rate risk, and volatility in interest rates could have a material adverse effect on our net interest income, net interest margin and our financial performance.*

Our results of operations depend to a large extent on the level of our net interest income as our primary revenue source is interest income. Net interest income is the difference between our revenue from operations and our finance costs. The differential between the interest rates that we charge on interest-earning assets (i.e. our portfolio loans) and the interest rates that we pay on interest-bearing liabilities, and the volume of such assets and liabilities, tend to have a significant impact on our results of operations. During the year ended March 31, 2023, interest on loans represented 86.80% of our total income. Further, as on September 30, 2023, 37.6% and 62.4% of our total borrowings were in fixed interest rates and floating interest rates, respectively. While 100% of our total advances were in fixed interest rates. Changes in market interest rates affect the interest rates we charge on our interest-earning assets

differently from the interest rates we pay on our interest-bearing liabilities. Interest rates are highly sensitive, and fluctuations thereof are dependent upon many factors which are beyond our control, including the monetary policies of RBI, de-regulation of the financial services sector in India, domestic as well as international economic and political conditions, inflation and other factors. Interest rates in India have been volatile in the past. An increase in interest rates could result in an increase in interest expense in a higher proportion compared to interest income if we are not able to increase the rates charged on our portfolio loans and advances or if the volume of our interest-bearing liabilities is larger or growing faster than the volume of our interest-earning assets. Further, such an increase in interest rates could impact our ability to raise low cost funds as compared to some of our competitors which may have access to lower cost deposits. For example: RBI has increased the repo rate by 210 basis points from May 2022 to September 2023, increasing the repo rate to 6.50%. The increase in repo rate resulted in an increase in MCLR of banks and financial institutions with a lag. The sharp increase in interest rate tends to impact our cost of funds and profitability of our Company. The differences between repricing maturities of rate sensitive liabilities and rate sensitive assets, called repricing gaps, exposes our business to interest rate risk. Our business is also exposed to interest rate risk in the form of non-uniform movement in different interest rate benchmarks that are used for pricing of our assets and liabilities.

An increase in inflation and consequent changes in bank rates, repo rates and reverse repo rates by RBI have led to an increase in interest rates on loans provided by banks and financial institutions and consequently, interest rates in India have been volatile in recent financial periods. There can be no assurance that we will be able to adequately manage our interest rate risk in the future, which could have an adverse effect on our net interest income and net interest margins, which could in turn have a material adverse effect on our business, results of operations, cash flows and financial condition.

As the repricing maturities of our liabilities and assets are spread over different time periods, we are exposed to interest rate risk in the form of non-parallel movement in yield curves. Further, in a declining interest rate environment, if our cost of funds does not decline simultaneously or to the same extent as the yield on our interest-earning assets, it could lead to a reduction in our net interest income (representing our revenue from operations as reduced by our finance costs) and net interest margin. The quantum of the changes in interest rates for our assets and liabilities may also be different, leading to a decrease in the interest margin.

We operate a defined benefit gratuity plan in respect of certain eligible employees. The investments of the superannuation funds are made in government securities, financial institutions and other financial products. If interest rates were to fall, our liabilities under defined benefit gratuity plan will increase, which would impact our profits and financial performance.

Moreover, changes in interest rates could affect our fixed income portfolio and treasury income.

There can be no assurance that we would be able to adequately manage our interest rate risks. If we are unable to effectively manage our interest rate risks, it could have an adverse effect on our net interest income, net interest margin, thereby impacting our business prospects, financial condition and results of operations.

9. ***Our Company's growth will depend on our Company's continued ability to access funds at competitive rates which is dependent on a number of factors including our Company's ability to maintain its credit ratings. Any downgrade of our credit ratings may increase our borrowing costs and constrain our access to capital and debt markets and, as a result, may adversely affect our net interest margin and our results of operations and cashflows.***

The cost and availability of funds is dependent, among other factors, on our short-term and long-term credit ratings. Credit ratings reflect a rating agency's opinion of our financial strength, operating performance, industry position, and ability to meet our obligations. Any future performance issues for our Company or the industry may result in a downgrade of our credit ratings, which may in turn lead to an increase in our borrowing costs and constrain our access to capital and debt markets and, as a result, may adversely affect our net interest income and net interest margin.

As on the date of this Draft Shelf Prospectus, we have received following credit ratings from CRISIL and Acuite:

Rating Action	Rating Agency	Credit Rating
₹ 7,200 crore Bank Loan Facilities (long term rating)	CRISIL Ratings Limited	CRISIL AA-/Stable
₹ 900 crore Long Term Principal Protected Market Linked Debentures	CRISIL Ratings Limited	CRISIL PPMLD AA-/Stable
₹ 100 crore Principal Protected Market Linked Non-	CRISIL Ratings Limited	CRISIL PPMLD AA-/Stable

Rating Action	Rating Agency	Credit Rating
Convertible Subordinated Debentures		
₹ 1450 crore Non-Convertible Debentures	CRISIL Ratings Limited	CRISIL AA-/Stable
₹ 500 crore Commercial Paper	CRISIL Ratings Limited	CRISIL A1+
₹ 1,000 crore Non-Convertible Debentures	Acuite Ratings Limited	ACUITE AA/Stable
₹ 50 crore Commercial Paper	Acuite Ratings Limited	ACUITE A1+

For details of our credit ratings, see “*Our Business*” on page 99.

In addition to above ratings, the NCDs proposed to be issued pursuant to this Issue have been rated CRISIL AA-/Stable by CRISIL Ratings Limited for an amount of up to ₹ 2,000 crore by way of its letter dated September 26, 2023 and ACUITE AA/Stable by Acuite Ratings & Research Limited for an amount of up to ₹ 2,000 crore by way of its letter dated October 6, 2023. For rating letter and rationale, including the risk and key drivers mentioned therein, please see “*Annexure A*” of this Draft Shelf Prospectus.

Any downgrade of our credit ratings would increase borrowing costs and constraint our access to capital and debt markets and, as a result, would negatively affect our net interest margin and our business. In addition, downgrades of our credit ratings could increase the possibility of additional terms and conditions being added to any additional financing or refinancing arrangements in the future. There is a possibility of increase in forced sale of our NCDs by the investors resulting in sharp decline in their market price. Any such adverse development could adversely affect our business, financial condition, cash flows and results of operations and cashflows.

We also face certain restrictions on our ability to raise money from international markets, which may further constrain our ability to raise funds at attractive rates. While our borrowing costs have been competitive in the past due to our ability to raise debt products, credit rating and our asset portfolio, we may not be able to offer competitive interest rates for loans to our customers if we are unable to access funds at an effective cost that is comparable to or lower than our competitors. This may adversely impact our business and results of operations and cashflows.

10. *Our statutory auditor has highlighted certain emphasis of matters to their audit report relating to our audited financial statements, which may affect our future financial results.*

There were no modifications i.e., unmodified opinions were given by our Statutory Auditor in their audit report for Fiscal 2022 and the Statutory Auditors in their audit reports for Fiscal 2022 and 2023, except that the previous statutory auditor for the relevant year have included certain emphasis of matters (‘EOM’) in their report on the audited financial statements issued for the Fiscal 2021. However, the said EOM did not lead to any modification/qualification. Following are the details of EOM in our audit reports:

Fiscal	Emphasis of Matter	Steps taken by the Company
2023	Nil	Nil
2022	We draw attention to Note 58 of the Annual Financial Statements which describes the uncertainties due to outbreak of COVID-19 pandemic and management’s evaluation of the impact on Company’s financial performance is dependent on future developments, which are uncertain.	The Company had created adequate overlay for uncertainty over the potential macro-economic impact of the pandemic.
2021	Nil	Nil

For further details, in relation to the emphasis of matter, etc. kindly see “*Financial Information*” on page 149. There can be no assurance that our statutory auditors will not include further matters of emphasis or other similar comments in the audit reports to our audited financial statements in the future, or that such remarks or matters of emphasis will not affect our financial results in future fiscal periods. Investors should consider the matters of emphasis and remark in evaluating our financial condition, results of operations and cash flows. Any such matter of emphasis or remark in the auditors’ report on our financial statements in the future may also adversely affect the trading price of the NCDs.

11. *Our Company, Directors, Promoters and our Group Companies are subject to certain legal proceedings and any adverse decision in such proceedings may have a material adverse effect on our business, financial condition, cash flows and results of operations.*

Our Company, Directors, Promoters and our Group Companies are subject to certain legal proceedings including

civil suits, consumer litigations, tax litigations etc. We and our Directors, Promoters and our Group Companies incur substantial cost in defending these proceedings before a court of law. Moreover, we are unable to assure you that we shall be successful in any or all of these actions. In the event, we suffer any adverse order, our reputation may suffer and may have an adverse impact on our business and results of operations. We cannot assure you that an adverse order by any statutory or governmental authority would not have a negative impact on our profit, financial condition and cash flows. If the courts or tribunals rule against us, our Directors or our group companies, we may face monetary and/ or reputational losses. Furthermore, we may also not be able to quantify all the claims in which our group companies are involved.

“IIFL” is a well-established brand among retail, institutional and corporate investors in India and we believe we have benefited extensively from the brand. We also derive substantial benefit from synergies and cross-selling opportunities generated between our company and entities within IIFL group. As a result, our company’s reputation and brand may be affected by any regulatory orders alleging non-compliance by other entities within the IIFL group with laws and regulations.

A summary of the outstanding proceedings involving our Company, Directors, Promoters and Group Companies in accordance with requirements under the SEBI NCS Regulations, as disclosed in this Draft shelf Prospectus, to the extent quantifiable, have been set out below:

Name	Criminal Proceedings	Tax Proceedings	Statutory or Regulatory Proceedings	Disciplinary actions by the SEBI or Stock Exchanges	Material Civil Litigations	Aggregate amount involved (₹ in crores)

For further details of the legal proceedings that we are subject to, please see “*Outstanding Litigations and other Confirmations*” on page 187.

12. We are subject to certain conditions and restrictions in terms of our financing arrangements, which could restrict our ability to conduct our business and operations in the manner we desire. In addition, on certain occasions in the past, we have been unable to comply with certain financial covenants in our financing documents.

As of September 30, 2023, we had total borrowings aggregating to ₹ 8,071.56 crore. Incurring indebtedness is a direct consequence of the nature of our business, and having large outstanding borrowings portfolio may have significant implications on our business and results of operations and cashflows, including, *inter alia*:

- low availability of cash flow for working capital, capital expenditures and other general corporate requirements;
- fluctuations in market interest rates may affect the cost of our borrowings, as our indebtedness is at variable interest rates;
- affecting our ability to obtain additional financing in the future at reasonable terms;
- triggering provisions of cross-default across multiple financing arrangements;

- adverse and onerous implications (including limitations to the use of funds in the relevant facility) in the event of inability to comply with financial and other covenants specified in the financing agreements;
- the right to recall loans by our lenders; and
- reduction in the ability to respond to changing business, regulatory and economic conditions.

Some of the financing arrangements entered into by us also include conditions that require us to obtain the respective lender's consent prior to carrying out certain activities. These covenants vary depending on the requirements of the financial institution extending the loan, and may be, *inter alia*, in relation to: (i) permitting any change in the management or constitution documents of the Company ; (ii) creating any further charge, lien or encumbrance over the assets and properties of the Company; (iii) effecting any changes to the shareholding of the Company to the effect that it changes the management control of the Company; (iv) making any investments by way of deposits, loans, advances or investments in share capital or otherwise, in any concern or providing any credit or giving any guarantee, indemnity or similar assurance other than in normal course of business; (v) revaluing its assets; (vi) paying any commission to its promoters, directors, managers or other persons for furnishing guarantees, counter guarantees or indemnities; (vii) inducting on its Board a person whose name appears in the list of willful defaulters (in accordance with the extant guidelines issued by RBI); (viii) buy back, cancel, retire, reduce, redeem, re-purchase, purchase or otherwise acquire any of its share capital now or hereafter outstanding, or set aside any funds for the foregoing purposes, issue any further share capital whether on a preferential basis or otherwise or change its capital structure in any manner whatsoever that may result in change in promoters or the promoters losing control, (viii) approaching capital markets for mobilizing additional sources, either in the form of debt or equity; (ix) implement any scheme of expansion, modernization, diversification or acquire fixed assets other than those shown in the cash flow statement.

Further, under certain financing arrangements, we are required to maintain specific credit ratings and other financial ratios, which may restrict or delay certain actions or initiatives that we may propose to take in the ordinary course of business.

While we duly informed the relevant lenders about such non-compliance (and the reasons thereof) and requested for their waivers and the relevant lenders have not declared a default on this account, we cannot assure you that that they will not do so in the future, or such instances of non-compliance would not recur in future.

Failure to observe the covenants under our financing arrangements or failure to obtain necessary waivers may lead to the termination of our credit facilities, acceleration of amounts due under such facilities, trigger cross-default provisions and the enforcement of security provided. There can be no assurance that we would be able to persuade our lenders to grant extensions or refrain from exercising such rights, which may adversely affect our operations and cash flows. During any period in which we are in default, we may be unable to raise, or face difficulties raising, further financing or generate sufficient cash to fund our liquidity requirements.

Any default or delay in repayment of our borrowing would trigger payment to some or all of the other borrowing obtained by our Company, which would have a material adverse effect on the liquidity position, cash flows, business and results of operation of our Company.

Our lenders also have the ability to recall or accelerate all or part of the amounts owed by us, subject to the terms of the financing arrangement. Such recalls may be contingent on the happening of an event beyond our control and there can be no assurance that we will be able to persuade our lenders to give us extensions or to refrain from exercising such recalls. A recall notice may also lead to an event of default under an existing financing arrangement. There can be no assurance that we will be able to repay our loans in full, or at all, at the receipt of a recall or acceleration notice, or otherwise. Our inability to comply with the conditions prescribed under the financing arrangements, or repay the loans as per the repayment schedule, may have an adverse impact on our credit rating, business operations and future financial performance. Further, if we are unable to service our existing debt, our ability to raise debt in the future will be adversely affected, which will have a significant adverse effect on our results of operations, cashflows, financial condition and our business.

13. *There can be no assurance that we will be able to access capital as and when we need it for growth.*

Our liquidity and profitability are, in large part, dependent upon our timely access to capital and costs associated with raising capital. Our funding requirements have historically been met from a combination of term loans from banks and financial institutions, proceeds from issuance of non-convertible debentures, subordinated debt as well as equity contributions from holding company. Any change in RBI regulations on priority sector lending, or our inability

to maintain relationships with such banks and financing institutions could adversely affect our business, results of operations, cashflows and financial condition. Our business depends and will continue to depend on our ability to access diversified low-cost funding sources. As a financial services company, we face certain additional regulatory restrictions on our ability to obtain financing from banks. For further information, see “*Regulations and Policies*” on page 139.

If we are unable to access the necessary amounts of additional capital, for meeting our incremental capital requirement, it may adversely impact our ability to grow our overall business and may even require us to curtail or withdraw from some of our current business operations. If we are unable to access funds at an effective cost that is comparable to or lower than our competitors, we may not be able to offer competitive interest rates for our loans to customers. Our ability to raise funds on acceptable terms and at competitive rates continues to depend on various factors, including the regulatory environment and policy initiatives in India, liquidity in the market, developments in the international markets affecting the Indian economy, investors' and/ or lenders' perception of demand for debt and equity securities of NBFCs and MFIs, and our current and future results of operations and financial condition. There can also be no assurance that we would be able to raise adequate additional capital in the future on terms favorable to us, or at all, and this may hamper and adversely impact our growth plans.

14. *Any failure or material weakness of our internal control systems could cause significant operational errors, which would materially and adversely affect our profitability and reputation.*

We are responsible for establishing and maintaining adequate internal measures commensurate with the size and the complexity of our operations. Our internal or concurrent audit functions is to provide independent, objective assurance and consulting services to designed to add value and improve our operations. The audit department is decentralized and internal audit staff is deployed in each state where the Company operate. All the assurance and consulting activities, including the deployment of staff are planned and monitored by the HO team. The department conducts audits for the branches, Regional Offices, Zonal Offices and also the Head Office. Audits of some specific functions are outsourced to external audit firms based on the organizational requirement. Appropriate controls are in place to ensure: (a) the orderly and efficient conduct of business, including adherence to policies, (b) safeguarding of assets. (c) Prevention and detection of frauds / errors, (d) accuracy and completeness of the accounting records and (e) timely preparation of reliable financial information. Further, an independent internal audit system is in place to conduct audit of all the branches, regional offices, zonal offices as well as head office. Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not identify every instance of non-compliance or every suspicious transaction. If internal control weaknesses are identified, our actions may not be sufficient to fully correct such internal control weakness. We face operational risks in our business which may result in deficiencies to arise in the credit sanction process, inaccurate financial reporting, fraud and failure of critical systems and processes which may result in losses. In addition, we carry out certain processes manually, which may increase the risk that human error, tampering or manipulation will result in losses that may be difficult to detect. As a result, we may suffer material losses. Such instances may also adversely affect our reputation, thereby adversely impacting our business, results of operations and financial condition.

15. *We may face various risks associated with our large number of branches and widespread network of operations which may adversely affect our business, financial condition, results of operations and cashflows.*

As of September 30, 2023, we have presence across 21 states (Andhra Pradesh, Arunachal Pradesh, Assam, Karnataka, Maharashtra, Madhya Pradesh, Tamil Nadu, Kerala, Odisha, Punjab, Chhattisgarh, Goa, Haryana, Bihar, Jharkhand, Gujarat, Rajasthan, Telangana, Tripura, Uttar Pradesh and West Bengal) and one union territory (Puducherry) in India through 1,485 branches.

As a consequence of our large network, we may be exposed to certain risks, including, amongst others:

- preserving our asset quality and managing our NPAs as our geographical presence increases and our customer profile changes;
- developing and improving our product delivery channels;
- upgrading, expanding and securing our technology platform;
- complying with regulatory requirements such as KYC and AML norms;
- maintaining high levels of customer satisfaction;
- difficulties arising from operating a larger and more complex organization;
- difficulties arising from coordinating and consolidating corporate and administrative functions;

- delay in the transfer of data amongst various locations;
- higher technology support costs to achieve last mile connectivity;
- operational risks including integration of internal controls and procedures;
- failure to efficiently and optimally allocate management, technology and other resources across our branch network;
- failure to manage third-party service providers in relation to any outsourced services;
- difficulties in the integration of new branches with our existing branch network;
- difficulties in supervising local operations from our centralized locations;
- difficulties in hiring and training skilled personnel in sufficient numbers to operate the new branches locally and management to supervise such operations from centralized locations;
- failure to maintain the level of customer service at all branches; and
- unforeseen legal, regulatory, property, local taxation, labor or other issues.

Any of the above reasons may result in our failure to manage our expansive presence, which may materially and adversely affect our brand, reputation, business, financial condition, results of operations and cash flows.

16. *Competition from banks and financial institutions, as well as state-sponsored social programs, may adversely affect our profitability and position in the Indian microcredit lending industry.*

We face significant competition from other MFIs and banks in India (including SFBs). For details, see “*Our Business – Competition*” on page 116. Many of the institutions with which we compete may be larger in terms of business volume or may have greater assets, higher geographical penetration and better access to, and lower cost of, funding than we do. In certain areas, they may also have better brand recognition and larger customer bases than us. We anticipate that we may encounter greater competition as we continue expanding our operations in India, and this may adversely affect our business, results of operations and financial condition.

We believe traditional commercial banks as well as regional rural and cooperative banks, have generally not directly targeted the lower income segments of the population for new customers. However, some banks do participate in microfinance by financing the loan programs of self-help groups often in partnership with NGOs, or through certain state-sponsored social programs. Further, most small finance banks which received approval from RBI for the commencement of SFB operations are focused on low and middle- income individuals and micro, small and medium enterprises. Banks also indirectly participate in microfinance by giving loans and providing other sources of funding to other MFIs. In addition, of late, some commercial banks are also beginning to directly compete with for-profit MFIs for lower income segment customers in certain geographies.

17. *We depend on the accuracy and completeness of information about customers and counterparties for our credit assessment and risk management. Any misrepresentation, errors in or incompleteness of such information could adversely affect our business and financial performance.*

In deciding whether or not to extend credit or enter into other transactions with customers, we rely on information furnished to us by or on behalf of customers. We may also rely on certain representations from our customers as to the accuracy and completeness of that information. To ascertain the creditworthiness of potential borrowers, we may depend on credit information companies or credit bureaus, and our reliance on any misleading information may affect our judgement of credit worthiness of potential borrowers, which may affect our business, prospects, results of operations, and cashflows and financial condition. We may receive inaccurate or incomplete information as a result of negligence or fraudulent misrepresentation. Our risk management measures may not be adequate to prevent or deter such activities in all cases, which may adversely affect our business prospects, financial condition, results of operations and cashflows.

Moreover, the availability of accurate and comprehensive credit information of our focus customer segment in India is limited, which reduces our ability to accurately assess the credit risk associated with such lending. Difficulties in assessing credit risks associated with our day-to-day lending operations may lead to an increase in the level of our NPAs, which could materially and adversely affect our business prospects, financial condition and results of operations.

- 18. We handle cash in a high volume of transactions occurring through a dispersed network of branches; as a result, we are exposed to operational risks, including fraud, petty theft and embezzlement, which could harm our results of operations and financial position. Further, our employees may be the target of violent crime, such as thefts and robberies, which may adversely affect our business, operations and our ability to recruit and retain employees.**

As we handle a large amount of cash through a high volume of transactions taking place across our branch network, we are exposed to the risk of fraud or other misconduct by employees or outsiders. This risk is further exacerbated by the high level of autonomy on the part of our loan officers and back-end managers, which our business model requires. For instance, in the past, we have discovered a few cases of theft, robbery and cash embezzlement by either third parties or employees. For details relating to such criminal litigations, please see “*Outstanding Litigations*” on page 187. Given the high volume of transactions we process on a daily basis, certain instances of fraud and misconduct may go unnoticed or may only be discovered and successfully rectified after substantial delays. Even when we discover such instances of fraud or theft and pursue them to the full extent of the law or with our insurance carriers, there can be no assurance that we will recover any of the amounts involved in these cases. Our reputation could be adversely affected by fraud committed by employees, customers or outsiders, or by our perceived inability to properly manage fraud-related risks. We make a provision in our financial statements for 100.00% of the value of any fraud discovered by us. Further, to the extent that our employees are subject to violent attacks, theft or robbery in the course of their duties in certain areas where we have operations/branches, our ability to service such areas will be adversely affected and our employee recruiting and retention efforts may be curtailed, which would negatively impact our expansion and growth plans. In addition, if certain areas of India pose a significantly higher risk of crime or political strife and instability, our ability to service such areas will be adversely affected and our expansion and growth may be curtailed. In addition, our dependence upon automated systems to record and process transactions may further increase the risk that technical system flaws or employee tampering or manipulation of those systems will result in losses that are difficult to detect.

- 19. We require various statutory and regulatory approvals, licenses, registrations and permissions to conduct our business and an inability to obtain or maintain such approvals, licenses, registrations and permissions in a timely manner, or at all, may adversely affect our operations.**

We require various approvals, licenses, registrations and permissions to operate our business, including a registration for our Company as well as various other corporate actions. We are also required to comply with the prescribed requirements, including classification of NPAs and provisioning, KYC requirements, qualifying assets and other internal control mechanisms. For further information, please see section titled “*Regulations and Policies*” on page 139. In future, we will be required to maintain such permits and approvals and obtain new permits and approvals for any proposed expansion strategy or diversification into additional business lines or new financial products. There can be no assurance that the relevant authorities will issue any of such permits or approvals in a timely manner, or at all, and/ or on favourable terms and conditions. Our failure to comply with the terms and conditions of such permits or approvals and/ or to maintain or obtain the required permits or approvals may result in an interruption of our business operations and may have a material adverse effect on our business operations and future financial performance.

In the event that we are unable to comply with the requirements within the specified time limit, or at all, we may be subject to regulatory actions by RBI, including the levy of fines or penalties and/ or the cancellation of our license to operate as an NBFC-MFI. Any levy of fines or penalties or the cancellation of our license to operate as an NBFC-MFI due to any breach of applicable norms may adversely affect our business, prospects, results of operations and financial condition. In addition, we require various registrations to operate our branches in the ordinary course of business. These registrations typically include those required to be obtained or maintained under applicable legislations governing shops and establishments, professional tax, labor related registrations and trade licenses of the particular state in which they operate. Some of these approvals may have expired in the ordinary course, and our Company has either applied, or is in the process of applying for renewals of them. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, our business may be adversely affected. If we fail to comply, or a regulator claims that we have not complied, with any of these conditions, we may be liable to fines and/ or penalties, and our certificates of registration may be suspended or cancelled, and we would no longer be able to carry on such activities required for our business.

- 20. We face the threat of fraud and cyber-attacks targeted at disrupting our services, such as hacking, phishing and Trojans, and/ or theft of sensitive internal data or customer information. This may cause damage to our reputation and adversely impact our business and financial results.**

Our systemic and operational controls may not be adequate to prevent adverse impact from frauds, errors, hacking and system failures. Further, our internet platforms are exposed to being hacked or compromised by third-parties,

resulting in thefts and losses to our customers and us. Some of these cyber threats from third-parties include: (i) hacking – wherein attackers seek to hack into our website with the primary intention of causing reputational damage to us by disrupting services; (ii) data theft – wherein cyber criminals may attempt to intrude into our network with the intention of stealing our data or information; and (iii) advanced persistent threat – a network attack in which an unauthorized person gains access to our network and remains undetected for a long period of time with an intention to steal our data or information. While we have faced certain instances of infrastructure outages, in our knowledge there has been no substantial theft or loss of information, or financial loss pursuant to these cyber-attacks. The frequency of such cyber threats may increase in the future with the increased digitization of our services and other external factors. For example, a substantial increase in cyber-attacks across industries in India has been noticed since the outbreak of COVID-19 in March, 2020. Not only are we exposed to such risks from our own actions or those of our employees, but from actions of our third-party service providers, whom we do not control. If we become the target of any of such cyber-attacks, it could materially and adversely affect our business, financial condition and results of operations.

Further, since we review and retain, in our ordinary course of business, sensitive personal data of our customers for diligence and KYC checks (including AADHAAR data), any security breaches in our systems could give rise to regulatory liability or litigation. In addition, any breakdown, breach or hacking of the information technology platforms of key resources used by us in our lending operations, including credit-bureaus, could adversely affect our operations and the quality of our portfolio.

In June 2017, RBI issued master directions on information technology frameworks for NBFCs. These directions prescribe measures to be adopted by NBFCs to minimize cyber risk, including adoption of IT strategy policies (overseen by a strategy committee), information and cyber security protocols and policies, and reporting of cyber-security incidents and breaches to RBI from time to time. Any cyber-security breach could also subject us to additional regulatory scrutiny and expose us to civil litigation and related financial liability.

21. *We depend on our brand recognition, and failure to maintain and enhance awareness of our brand would adversely affect our ability to retain and expand our customer base.*

We believe that any damage to our reputation could substantially impair our reputation and our ability to maintain or grow our business, or have a material adverse effect on our overall business, financial condition and results of operations. If we fail to maintain brand recognition with our target customers due to any issues with our product offerings, a deterioration in service quality, or otherwise, or if any premium in value attributed to our business or to the brands under which our services are provided declines, market perception and customer acceptance of our brands may also decline. Any negative news affecting us might also affect our reputation and brand value. In such an event, we may not be able to compete for customers effectively, and our business, financial condition and results of operations may be adversely affected.

In addition, we also face the risk of our brand name being misused for fraudulent purposes, which may adversely affect our reputation.

22. *If we are unable to protect our trademarks and tradenames, others may be able to use our trademarks and tradenames to compete more effectively. Also, we may breach third-party intellectual property rights.*

We have made an application dated September 19, 2022 for registration of the trademark  under class 36 of the Trademarks Act, with the Trademarks Registry. This application has been acknowledged by the Trademarks Registry and is currently pending registration. There can be no assurance that our trademark application will be accepted. Further, there are no assurances that we will be able to register this mark. In the event we are not able to obtain registrations due to any injunctive or other adverse order issued against us by the appellate authorities in respect of the registration of our logo or slogan, we may not be able to avail legal protections under the trade mark or prevent unauthorised use of such trademarks by third parties, and in case the logo or slogan is used or claimed by a third party, our ability to use such logo or slogan may be restricted or lost, which may adversely affect our goodwill. Any unauthorized or inappropriate use of our brand, trademarks and domain names by others, in their corporate names or product brands or otherwise could harm our brand image, competitive advantages and business and dilute or harm our reputation and brand recognition. If a dispute arises with respect to any of our intellectual property rights or proprietary information, we will be required to produce evidence to defend or enforce our claims, and we may become party to litigation, which may strain our resources and divert the attention of our management. We cannot assure you that any infringement claims that are material will not arise in the future or that we will be successful in defending any such claims when they arise.

Our efforts to protect our intellectual property or proprietary information and the measures we take to identify potential infringement of our intellectual property may not be adequate to detect or prevent infringement, misappropriation or unauthorized use. Any such misappropriation or duplication of our name, registered/ official addresses, corporate logos or other intellectual property or proprietary information may disrupt our business, distract management and employees, reduce revenues and increase expenses. In addition, we may also become subject to infringement claims. Even if claims against us are not meritorious, any legal, arbitral or administrative proceedings that we may be required to initiate or defend in this regard may be time-consuming, costly and harmful to our reputation, and there is no assurance that such proceedings will ultimately be determined in our favor. Furthermore, the application of laws governing intellectual property rights in India is continuously evolving and there may be instances of infringement or passing-off of our brand in Indian markets. Our failure to adequately protect our brand, trademarks and other related intellectual property rights may adversely affect our business, financial condition and results of operations.

We may be subject to claims by third-parties, both inside and outside India, if we breach their intellectual property rights by using slogans, names, trademarks or other such rights that are of a similar nature to the intellectual property these third-parties may have registered or are using. We might also be in breach of such third-party intellectual property rights due to accidental or purposeful actions by our employees where we may also be subjected to claims by such third-parties.

Any legal proceedings that result in a finding that we have breached third-parties' intellectual property rights, or any settlements concerning such claims, may require us to provide financial compensation to such third-parties or stop using the relevant intellectual property (including by way of temporary or permanent injunction) or make changes to our marketing strategies or to the brand names of our products, any of which may have a material adverse effect on our business, prospects, reputation, results of operations and financial condition.

23. *Our success depends, in large part, upon our management team and skilled personnel and on our ability to attract and retain such persons.*

We are highly dependent on the continued services of our management team. We are also dependent on our experienced members of our Board of Directors, Key Managerial Personnel and senior managerial personnel. Our future performance is dependent on the continued service of these persons. RBI also mandates NBFCs to have in place supervisory standards to ensure that their directors have appropriate qualifications, technical expertise and a soundtrack record, and such requirements will make it more difficult for us to replace our directors if and when we have to. We may not be able to replace our Board of Directors with similarly experienced professionals, which could materially and adversely impact the quality of our management and leadership team.

Further, while certain of our other employment agreements contain non-compete clauses that extend beyond their term, there can be no assurances that we will effectively be able to enforce them or prevent key employees or members of our management team to join competing interests after expiry of employment with us. Further, we do not maintain any "key man" insurance. If one or more of these key personnel are unwilling or unable to continue in their present positions, we may not be able to replace them with persons of comparable skills and expertise.

We also face a continuing challenge to hire and assimilate skilled personnel. Competition for management and other skilled personnel is intense, and we may not be able to attract and retain the personnel we need in the future. The loss of key personnel or our inability to replace key personnel may restrict our ability to grow, to execute our strategy, to raise the profile of our brand, to raise funding, to make strategic decisions and to manage the overall running of our operations, which would have a material adverse impact on our results of operations and financial position.

24. *Our business is subject to seasonality, which may contribute to fluctuations in our results of operations and financial condition.*

Our business is subject to seasonality as we typically see higher borrowings by our customers during the third and fourth quarter of each financial year. We also typically have higher drawdowns under our facilities in the third and fourth quarter of each financial year. Accordingly, our results of operations in one quarter may not accurately reflect the trends for the entire fiscal and may not be comparable with our results of operations for other quarters.

25. As an NBFC-MFI, our Company is subject to periodic inspections by RBI. Non-compliance with observations made by RBI during these inspections could expose us to penalties and restrictions.

As RBI-registered NBFC-MFIs, our Company is subject to periodic inspections by RBI to verify the correctness or completeness of our business and operations, internal controls, and any statement, information or particulars furnished to RBI. We will continue to be subject to inspections by RBI, in the course of which RBI may report on divergences (if any) from regulatory requirements applicable to NBFCs. In recent inspection report, RBI has, among other things, identified areas of supervisory concerns including oversight on the functioning of the Board of Directors and sub-committees thereof over certain critical functions of our Company including customer service, fraud monitoring etc.

We are in the process of responding to RBI, addressing the concerns raised by way of the reservations, there can be no assurance that RBI would not make similar or other observations, including divergences, in the future. If we are unable to resolve such deficiencies and other matters to RBI's satisfaction, we could be exposed to penalties and restrictions, and our ability to conduct our business may be adversely affected.

26. Some of our Directors may have interest in entities which are in businesses similar to ours. Accordingly, the interests of some of our Directors may conflict with our interests or the best interests of our other shareholders and debenture holders.

Some of our Directors may have interest in entities, to the extent of their shareholding and/or directorships, which are engaged in a line of business similar to ours and this may result in conflict of interest. For instance, our Ramanathan Annamalai, our Independent Director is a director on the board of directors of companies that engage in the similar line of business as that of our Company. For further information, see "Our Management" on page 122.

We cannot assure you that our Directors will not provide competing services or otherwise compete in business lines in which we are already present or will enter into in the future. In the event that any conflicts of interest arise, our Directors may make decisions regarding our operations, financial structure or commercial transactions that may not be in our best interest. It may also enable a competitor to take advantage of a corporate opportunity at our expense. Such decisions could have a material adverse effect on our business, financial condition, results of operations and prospects. Should we face any such conflicts in the future, there is no guarantee that they will get resolved in our favour.

27. We may not be able to detect money-laundering and other illegal or improper activities fully or on a timely basis. Inability to timely detect any such activities could expose us to additional liability and harm our business or reputation.

We are required to comply with applicable anti-money-laundering and anti-terrorism laws and other regulations in India. We, in the course of our operations, run the risk of failing to comply with the prescribed KYC procedures and the consequent risk of fraud and money laundering by dishonest customers despite putting in place systems and controls customary in India to prevent the occurrence of these risks. Although we believe that we have adequate internal policies, processes and controls in place to prevent and detect any anti-money-laundering activity and ensure KYC compliance, there can be no assurance that we will be able to fully control instances of any potential or attempted violation by other parties and may accordingly be subject to regulatory actions including imposition of fines and other penalties. We, in some of our activities and in pursuit of our business, run the risk of inadvertently offering our financial products and services ignoring customer suitability and appropriateness despite having a KYC and Anti-Money Laundering measures and associated processes in place. Such incidents may adversely affect our business and reputation.

28. We are subject to macro-economic developments and other market factors, and our results of operations may fluctuate or decline from period to period.

Our business is subject to a number of macro-economic factors that are outside of our control, including GDP growth, inflation, fiscal deficits, pandemics such as the COVID-19 pandemic, international and domestic, political and economic conditions, fiscal and monetary policies of governments and central banks, and changes in interest rates, which may adversely impact us from time to time. As a result of the volatility of these macro-economic factors, including interest rates; and provisions we make from period to period for NPAs and other assets, commitments and contingencies (such as for letters of credit and bank guarantees), our results of operations have varied from period to period in the past and may fluctuate or decline in the future due to these and other factors. Such fluctuations may also adversely affect our liquidity. These factors may also make period-to-period comparisons of our operating results

less meaningful than they would be for a business that is not as significantly affected by such factors. Any adverse development in India or global macroeconomic conditions, on account of COVID-19 or otherwise, could have a material adverse effect on our business, financial condition, results of operations or prospects.

29. *We may not be able to recover the expected value from the instruments collected from our customers and/ or the sale of collateral security, in the case of defaults in secured loan/facility.*

Our secured loans are typically secured by creating a charge over the assets of our borrowers. We also collect NACH authorization letters from our customers at the time of disbursement of certain loans. However, there can be no assurance that these instruments would be honored when they are submitted to the respective banks for clearance. There can also be no assurance that we would be able to successfully retrieve payments due to us. Further, there can be no assurance that we would be able to sell such assets provided as collateral at prices sufficient to cover the amounts under default. Failure to recover or delay in recovering the expected value from sale of collateral security could expose us to potential losses, which could affect our business prospects, financial condition and results of operations.

30. *Our insurance coverage may not be adequate to protect us against all potential losses, which may have a material adverse effect on our business, financial condition and results of operations.*

Our operations are subject to various risks inherent to the finance industry, as well as theft, robbery, acts of terrorism and other force majeure events. We currently maintain general insurance policy for money in transit, money in premises and insurance policies for office and professional establishment covering following risks, fire and allied perils, burglary, fidelity guarantee. Our insurance policies may not be sufficient to cover our economic loss. None of our insurance policies are assigned in favor of any third-party. We may not have identified every risk and further may not be insured against every risk, including operational risk that may occur and the occurrence of an event that causes losses in excess of the limits specified in our policies, or losses arising from events or risks not covered by insurance policies or due to the same being inadequate, could materially harm our financial condition and future results of operations. There can be no assurance that any claims filed will be honored fully or timely under our insurance policies. Also, our financial condition may be affected to the extent we suffer any loss or damage that is not covered by insurance or which exceeds our insurance coverage. In particular, we do not maintain any direct insurance coverage over our loan portfolio. In addition, we may not be able to renew certain of our insurance policies upon their expiration, either on commercially acceptable terms or at all.

31. *We rely on third-party service providers who may not perform their obligations satisfactorily or in compliance with law.*

We enter into arrangements with third-party vendors, separate employees and independent contractors to provide services that include, among others, telecommunications infrastructure services and software services including for core banking, e-KYC solutions, field-automation of loan transactions, and customer onboarding. We also enter into agreements with credit bureaus for availing credit assessment and other services. We cannot guarantee that there will be no disruptions in the provision of such services or that these third-parties will adhere to their contractual obligations. If there is a disruption in the third-party services, or if the third-party service providers discontinue their service agreements with us, our business, financial condition and results of operations will be adversely affected. In case of any dispute, we cannot assure you that the terms of such agreements will not be breached, and this may result in litigation or other costs. Further, certain of our agreements, including an agreement with a credit bureau, require us to indemnify our counterparties for certain losses, and limit contractual or other liabilities of our counterparties to fees or other amounts received by them from us for a certain period of time. If such indemnities are invoked, or if our counterparties limit their liabilities to an extent that our losses are not fully recovered, we may incur additional costs. Such additional costs, in addition to the cost of entering into agreements with third-parties in the same industry, may materially and adversely affect our business, financial condition and results of operations.

32. *We are subject to the risks associated with all our premises being leased.*

As of September 30, 2023, our Registered and Corporate Office, all our branches and regional offices operate from premises taken on lease and license basis. Termination of or failure to renew lease agreements with a fixed term of lease for these premises on terms and conditions favorable to us or at all, may require us to shift the concerned branch offices to new premises, and we may incur substantial rent escalation and relocation costs as a result. This might adversely affect our business operations and make us incur additional expenses. We may also face the risk of being evicted in the event that our landlords allege a breach on our part of the terms of the lease agreements.

Further, certain lease agreements are not duly registered or adequately stamped. Failure to adequately stamp and register a document does not affect the validity of the underlying transaction but renders the document inadmissible in evidence (unless stamped prior to enforcement with payment of requisite penalties, which may be up to ten times the stamp duty payable, and other such fees that may be levied by the authorities). Further, documents which are insufficiently stamped are capable of being impounded by a public officer. Consequently, should any dispute arise in relation to our use of the relevant properties, we may be unable to, or may incur additional expenses to, enforce our rights in relation to such properties.

33. *This Draft Shelf Prospectus includes certain unaudited financial information, which has been subjected to limited review, in relation to our Company. Reliance on such information should, accordingly, be limited.*

This Draft Shelf Prospectus includes unaudited financial information in relation to our Company for the six months ended September 30, 2023, in respect of which the Auditors have issued their Limited Review Report dated October 17, 2023. As Unaudited Financial Results prepared by our Company in accordance with Regulation 33 and 52 of the SEBI LODR Regulations have been subject only to a limited review and as described in Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information" Performed by the Independent Auditor of the Entity" issued by the ICAI, and not to an audit, any reliance by prospective investors on such Limited Review Financial Information for the six months ended September 30, 2023 should, accordingly, be limited.

Any financial results published in the future may not be consistent with past performance. Accordingly, prospective investors should rely on their independent examination of our financial position and results of operations, and should not place undue reliance on, or base their investment decision solely on the financial information included in this Draft Shelf Prospectus.

34. *Incorrect actuarial valuations of retirement benefits carried out by independent actuaries and/ or changes in our defined benefit gratuity plan's liabilities and obligations could have a materially adverse effect on our financial condition.*

We operate a defined benefit gratuity plan for eligible employees. Under the defined benefit plans, there is an obligation to pay defined future benefits from the time of retirement. The calculation of the net obligation is based on valuations made by external actuaries who are qualified to do such valuations and estimations. These valuations rely on assumptions about a number of variables, including discount rate and mortality rates and salary increases. We rely on the valuations done by actuaries. Actuarial risk arises as the estimated value of the defined benefit scheme liabilities may increase due to changes in actuarial assumptions. While the valuation is done by qualified actuaries with the assumptions validated based on best estimate and judgment, we cannot assure you that the valuation in future would be accurate.

In addition, the defined benefit gratuity plan is administered by a third party and funded by an insurance company in the form of qualifying insurance policy. Should the value of assets to liabilities in respect of the defined benefit scheme operated by us record a deficit, due to either a reduction in the value of the defined benefit gratuity plan's assets (depending on the performance of financial markets) and/ or an increase in the defined benefit gratuity plan's liabilities due to changes in legislation, mortality assumptions, discount rate assumptions, inflation, the expected rate of return on scheme assets, or other factors, this could result in us having to make increased contributions to reduce or satisfy the deficits which would divert resources from use in other areas of our business and reduce our capital resources.

35. *Our results of operations could be adversely affected as a result of any disputes with our employees.*

Our operations are personnel-driven, and we place a lot of emphasis on the effective training of our personnel in communication and service orientation skills. However, a failure to train and motivate our employees may lead to an increase in our employee attrition rates, erode the quality of customer service, divert management resources and impose significant costs on us which may have an adverse impact on our business and future financial performance. There is risk of employee attrition due competitive environment. The attrition rate in MFI industry is generally high. Our Company's attrition rate for the financial year ended March 31, 2023 was 72%.

We employed 14,286 full-time employees (including trainees) as of September 30, 2023, and lay significant emphasis on our employees' overall welfare. However, there can be no assurance that there will not be any future disruptions in our operations due to any disputes with our employees, or that such disputes will not adversely affect our business and results of operations. We depend on our branch-level employees for sourcing, disbursements and collections and customer liaison, and significant attrition at any of our branches could adversely impact our operations.

Further, in the event of a labour dispute, protracted negotiations and strike action may impair our ability to carry on our day-to-day operations, which could materially and adversely affect our business, future financial performance and results of operations.

36. *Third party industry and industry-related statistical data in this Draft Shelf Prospectus may be incomplete, out of date, incorrect or unreliable.*

Neither we, nor the Lead Managers have independently verified the third party and industry related data obtained from CRISIL Market Intelligence & Analytics (CRISIL MI&A) – NBFC Industry Report released in Mumbai in August 2023 and other industry sources referred in this Draft Shelf Prospectus and therefore, while we believe them to be true, there can be no assurance that they are complete or reliable. Such data may also be produced on different bases from those used in the industry publications we have referenced. Therefore, discussions of matters relating to India, its economy and our industry in this Draft Shelf Prospectus are subject to the caveat that the statistical and other data upon which such discussions are based may be incomplete or unreliable. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. While industry sources may take due care and caution while preparing their reports, they do not guarantee the accuracy, adequacy or completeness of the data or report and do not take responsibility for any errors or omissions or for the results obtained from using their data or report. Accordingly, investors should not place undue reliance on, or base their investment decision on this information. See “*Industry Overview*” on page 83.

37. *Our Managing Director and Whole Time Director are interested in our Company by virtue of the shares and/ or ESOPs held by them.*

Our Managing Director and Whole Time Director are interested in our Company, in addition to regular remuneration or benefits and reimbursement of expenses, to the extent of their shareholding or stock options held by them in our Company.

Our Managing Director and Whole Time Director may also be deemed to be interested to the extent of dividend, if any payable to them and other distributions in respect of the equity shares and/ or equity shares held in the Company. For details of the shareholding of our Directors, see “*Our Management*” on page 122.

38. *We have negative cash flows from operations in recent periods. There is no assurance that such negative cash flows from operations shall not recur in the future.*

We had negative cash flows for operating activities in the past on account of high growth in loans and advances i.e., disbursements as compared with collections for the year and may have negative cash flows in the future.

The following table sets forth our cash flow on consolidated basis for the years indicated below:

(₹ in crore)			
Particulars	Fiscal 2023	Fiscal 2022	Fiscal 2021
Net cash (used in)/generated from operating activities (A)	(2,124.34)	(1,690.48)	(1,520.20)
Net cash (used in)/ generated from investing activities (B)	(284.58)	(95.04)	(65.30)
Net cash (used in)/ generated from financing activities (C)	2,183.93	2,090.98	1,541.24
Net (Decrease) / Increase in cash and cash equivalents (A + B + C)	(224.98)	305.46	(44.25)
Cash and cash equivalents as at the beginning of the year/ period	452.09	146.64	190.89
Cash and cash equivalents as at the end of the year/period	227.11	452.09	146.64

We cannot assure you that our net cash flows will be positive in the future.

For disclosure of cash flows of our Company, for the Fiscal 2023, Fiscal 2022 and Fiscal 2021, as per Ind AS 107, please see section titled “*Our Business – Statement of Key Operational And Financial Parameters*” on page 108.

39. *The microfinance industry in India faces unique risks due to the category of customers that it services, which are generally not associated with other forms of lending.*

The focus customer segment for our microfinance business is low-income families across India with an annual household income of up to ₹ 3,00,000. Our customers generally have limited sources of income, savings and credit

histories. In addition, although we are generally able to obtain credit reports from credit bureaus on our customers, to the extent that there is limited financial information available for our focus customer segment and customers do not have any credit history supported by tax returns, bank or credit card statements, statements of previous loan exposures or other related documents, it may be of default than customers with greater financial resources and more established credit histories and customers living in urban areas with better access to education, employment opportunities and social services.

Collections for our microfinance business are primarily in cash, exposing us to certain operational risks. Such cash collections expose us to the risk of theft, fraud, misappropriation or unauthorised transactions by employees responsible for dealing with such cash collections. These risks are exacerbated by the high levels of responsibility we delegate to our employees and the geographically dispersed nature of our network. While we have taken insurance policies, including coverage for cash in safes and in transit, and undertaken measures to detect and prevent unauthorised transactions, fraud or misappropriation, this may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our operations and profitability. Further, we may be subject to regulatory or other proceedings in connection with any unauthorised transactions, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill. We may also be party to criminal proceedings and civil litigation related to our cash collections. Although we have introduced collection points at banks and with third-party fintech vendors, key safety lockers, accompanying personnel such as senior loan officer and assistant branch manager for physical transportation of cash and conducted period audits, we may be unable to avoid all operational risks. This may adversely affect our business, results of operations and cash flows.

In addition, political and social risks, such as the negative publicity surrounding the growth and profitability of the microfinance industry, public criticism of the microfinance industry, or religious beliefs and convictions regarding the extension of credit and repayment of interest may deter our customers from fulfilling their obligations to us. In addition, the microfinance sector may be susceptible to election cycles. For example, political pressure by incumbents to write off loans or the announcements of debt waiver schemes by state governments ahead of general elections may result in an accretion of NPAs across the microfinance industry. Due to the precarious circumstances of our customers and our non-traditional lending practices, we may, in the future, experience increased levels of NPAs and related provisions and write-offs that may adversely affect our business, financial condition and results of operations. We cannot assure you that our monitoring and risk management procedures will effectively predict and/or prevent such losses or that loan loss reserves will be sufficient to cover actual losses.

40. *We have not entered into any definitive arrangements to utilize the net proceeds of the Issue towards the objects of this Issue.*

We intend to use the Net Proceeds for the purposes described in “*Objects of the Issue*” on page 67. Our management will have broad discretion to use the Net Proceeds and you will be relying on the judgment of our management regarding the application of these Net Proceeds. Our funding requirements are based on current conditions and are subject to change in light of changes in external circumstances or in our financial condition, business or strategy. Our management, in response to the competitive and dynamic nature of the industry, will have the discretion to revise its business plan from time to time. Any such change in our plans may require rescheduling of our current plans or discontinuing existing plans and an increase or decrease in the fund requirements for the objects, at the discretion of the management. Pending utilization for the purposes described above, we intend to temporarily invest the funds in interest bearing liquid instruments including deposits with banks and investments in liquid (not equity) mutual funds. Such investments would be in accordance with the investment policies approved by our Board from time to time.

41. *Our Company’s business requires substantial capital and any disruption in the sources of its funding or an increase in its average cost of borrowings could have a material adverse effect on its liquidity and financial condition.*

Our liquidity and ongoing profitability are, to a large extent, dependent upon our timely access to, and the costs associated with, raising capital. Our funding requirements have historically been met through a combination of borrowings from a well-diversified base of domestic lenders. Our finance costs were ₹ 412.79 crore, ₹ 586.98 crore ₹ 395.10 crore and ₹ 254.56 crore for the six months ended September 30, 2023, Fiscal 2023, Fiscal 2022 and Fiscal 2021 respectively. Our business growth, liquidity and profitability depend and will continue to depend on our ability to access diversified, relatively stable and low-cost funding sources as well as our financial performance, capital adequacy levels, credit ratings and relationships with lenders. As a financial services company, we have to adhere to certain regulatory requirements while obtaining financing. Any adverse developments or changes in applicable laws and regulations, which limit our ability to raise funds through term loans or through private placements of non-

convertible debentures, can disrupt our sources of funding and as a consequence, could have a material adverse effect on our liquidity and financial condition.

Our Total Borrowings were ₹ 8,071.56 crore as at September 30, 2023 out of which ₹ 4,725.78 crore were to mature or repaid in less than a year. In order to meet these debt obligations, we will either need to refinance, which may prove to be difficult in the event of volatility in the credit markets, or alternatively, raise additional retained earnings or generate sufficient operating cash flows to retire the debt. There can be no assurance that our business will generate sufficient cash to enable it to service its existing debt or to fund its other liquidity needs.

Our ability to borrow funds and refinance existing debt may also be affected by a variety of factors, including deterioration in our financial performance or profitability, regulatory policies impacting the ability of lenders to lend to certain sectors such as NBFCs, liquidity in the credit markets, the strength of the lenders from which we borrow, the amount of eligible collateral, credit rating downgrade and accounting changes that may impact calculations of covenants in our financing agreements. An event of default, a significant negative ratings action by a rating agency, an adverse action by a regulatory authority or a general deterioration in prevailing economic conditions that constricts the availability of credit may increase our cost of funds and make it difficult for us to access financing in a cost-effective manner. A disruption in sources of funds or increase in cost of funds as a result of any of these factors may have a material adverse effect on our liquidity and financial condition.

Pursuing our growth strategy and introducing new product offerings to our customers will have an impact on our long-term capital requirements. The market for such funds is competitive and our ability to obtain funds at competitive rates will depend on various factors. If we are unable to access funds at an effective cost that is comparable to or lower than our competitors, we may not be able to offer competitive interest rates for our loans. Our ability to raise funds on acceptable terms and at competitive rates continues to depend on various factors, including the regulatory environment and policy initiatives in India, liquidity in the market, developments in international markets affecting the Indian economy, investors' and/or lenders' perception of demand for debt and equity securities of NBFCs, and our current and future results of operations and financial condition. If we are unable to obtain adequate financing or financing on terms satisfactory to us or refinancing and in a timely manner, our ability to grow or support our business and to respond to business challenges could be limited and our business prospects, results of operations, cash flows and financial condition would be materially and adversely affected.

42. *We continue to be controlled by our Promoter and it will continue to have the ability to exercise significant control over us. We cannot assure you that exercise of control by our Promoter will always favor our best interest.*

Our Promoter, IIFL Finance Limited holds 99.51 % of our outstanding Equity Shares as on September 30, 2023. Our Promoter, IIFL Finance Limited exercises significant control over us, including being able to control the composition of our Board and determine matters requiring shareholder approval or approval of our Board. Our Promoter, IIFL Finance Limited may take or block actions with respect to our business, which may conflict with our interests or the interests of our minority shareholders. By exercising their control, our Promoter, IIFL Finance Limited could delay, defer or cause a change of our control or a change in our capital structure, delay, defer or cause a merger, consolidation, takeover or other business combination involving us, discourage or encourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of us which may not favor our best interest.

43. *Our Company may be exposed to fluctuations in the market values of its investment and other asset portfolio.*

Financial market turmoil can adversely affect economic activity globally, including India. Deterioration in the credit and capital markets may result in volatility of our investment earnings and impairments to our investment and asset portfolio, including the assets in our Balance Sheet, which are maintained as a part of our liquidity management. Further, the value of our investments depends on several factors beyond our control, including the domestic and international economic and political scenario, inflationary expectations, unforeseen tail events like the COVID-19 pandemic and RBI's monetary policies. Any decline in the value of the investments could negatively impact our financial condition.

44. *Our Company may face asset-liability mismatches which could affect its liquidity and consequently may adversely affect our Company's operations and profitability.*

Asset-liability mismatch represents a situation when financial terms of an institution's assets and liabilities do not match and is a key financial parameter indicative of an NBFC's performance. Our funding requirements are met through diverse funding sources such as (i) term loans from banks, NBFCs, development financial institutions, (ii) commercial papers, and (iii) non-convertible debentures. The term loans from banks are predominantly co-terminus

with the tenor of the loans given to our microfinance customers. The term loans from NBFCs and development financial institutions have tenor more than or equal to the tenor of the loans given to our customers. The non-convertible debentures predominantly have tenor longer than the tenor of the loans given to our customers.

However, we may face potential variation in asset-liability mismatch and liquidity risk due to varying periods over which our assets and liabilities mature. If we are unable to obtain additional credit facilities or renew our existing credit facilities in a timely and cost-effective manner to meet our maturing liabilities, or at all, this may lead to gaps and mismatches between our assets and liabilities, which in turn may adversely affect our liquidity position, and in turn, our operations and financial performance.

45. *If we fail to identify, monitor and manage risks and effectively implement our risk management policies, it could have a material adverse effect on our business, financial condition, results of operations and cash flows.*

We have devoted resources to develop our risk management policies and procedures and aim to continue to do so in the future. Despite this, our policies and procedures to identify, monitor and manage risks of fraud, money laundering, any other credit, operational or other risks may not be fully effective. Further, some of our methods of managing risks are based upon the use of observed historical market behavior. As a result, these methods may not accurately predict future risk exposures, which could be significantly greater than those indicated by the historical measures. To the extent any of the instruments and strategies we use to hedge or otherwise manage our exposure to market or credit risk are not effective, we may not be able to mitigate effectively our risk exposures in particular market environments or against particular types of risk. Our investment and interest rate risk are dependent upon our ability to properly identify, and mark-to-market changes in the value of financial instruments caused by changes in market prices or rates. Our earnings are dependent upon the effectiveness of our management of changes in credit quality and risk concentrations, the accuracy of our valuation models and our critical accounting estimates and the adequacy of our allowances for loan losses. To the extent our assessments, assumptions or estimates prove inaccurate or not predictive of actual results, we could suffer higher than anticipated losses.

46. *Our Company has entered into related party transactions and may continue to enter into related party transactions which may involve conflict of interest.*

Our Company has entered into related party transactions, within the meaning of Ind AS 24 as issued by the Companies (Indian Accounting Standards) Rules, 2015. Such transactions, in future, may give rise to current or potential conflicts of interest with respect to dealings between our Company and such related parties. While our Company believes that all related party transactions entered into are conducted on an arms' length basis and in the ordinary course of business, there can be no assurance that it could not have achieved more favourable terms if such transactions had not been entered into with related parties. Additionally, there can be no assurance that any dispute that may arise between our Company and related parties will be resolved in our Company's favor. For further details on related party transactions, please see the chapter "Related Party Transactions" on page 138.

47. *We may undertake acquisitions, strategic investments, restructuring in future. Any failure to complete such strategic decisions may adversely affect our reputation or growth prospects.*

We may, depending on our management's view and market conditions, pursue strategic investments, undertake acquisitions and enter into joint ventures. We cannot assure you that we will be able to undertake such strategic investments, acquisitions (including by way of a merger, or share or asset acquisition) or joint ventures in the future, either on terms acceptable to us or at all. Moreover, we require regulatory approval for acquisitions, and we cannot guarantee that we will receive such approvals in a timely manner, or subject to any conditions, or at all. Any inability to identify suitable acquisition targets or investments or failure to complete such transactions may adversely affect our competitiveness or growth prospects.

48. *Climate change and health epidemics could have a negative impact on the Indian economy and could cause our business to suffer.*

Our business could be materially and adversely affected by the outbreak of public health epidemics, pandemic, endemic or the fear of such an outbreak, in India or elsewhere. In January 2020, an outbreak of a strain of coronavirus, COVID-19, which has spread globally, with cases recorded in various parts of the globe including China, Australia, Italy, Iran, Japan, South Korea, UAE, Thailand, the United States and India, among other countries. On January 30, 2020, the World Health Organization declared the COVID-19 outbreak a health emergency of international concern. Governments around the world had to impose a number of measures designed to contain the outbreak, including business closures, travel restrictions, quarantines, lockdown and cancellations of gatherings and events. This in turn

has impacted the operation of businesses, reduced regional travels and trade and lowered industrial production and consumption demand. If the outbreak of any of these epidemics, pandemics, endemics or other severe epidemics, continues for an extended period, occurs again and/or increases in severity, it could have an adverse effect on economic activity worldwide, including India, and could materially and adversely affect our business, financial condition, cash flows and results of operations. Similarly, any other future public health epidemics in India could materially and adversely affect our business, financial condition, cash flows, results of operations and prospects.

49. *This Draft Shelf Prospectus contains certain Non-GAAP measures related to our operations and financial performance that may vary from any standard methodology that is applicable across the industry.*

This Draft Shelf Prospectus includes certain non-GAAP measures, including Net Worth and Return on Net Worth, which are in a supplemental measure of our performance and liquidity that is not required by, or presented in accordance with Ind AS. We consider these non-GAAP measures useful in evaluating our business and financial performances. However, these non-GAAP measures are not alternatives to any measure of performance or liquidity or as an indicator of our operating performance or liquidity. They should not be considered in isolation or construed as an alternative to cash flows, profit/ (loss) for the year or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS. There are no standard methodologies in the industries for computing such measures, and those non-GAAP measures we included in this Draft Shelf Prospectus may not be comparable to similarly titled measures presented by other companies. Other companies may calculate similarly titled measures differently, limiting their usefulness as comparative measures to our data. We encourage investors and others to review our financial information in its entirety and not rely on a single financial measure.

Risks Relating to Regulations

50. *We operate in a highly regulated environment.*

We operate in a highly regulated environment in which we are regulated by SEBI, RBI, the MCA, the Registrar of Companies and other domestic regulators. Accordingly, legal and regulatory risks are inherent and substantial in our businesses. As we operate under licenses or registrations obtained from appropriate regulators, we are subject to actions that may be taken by such regulators in the event of any non-compliance with any applicable policies, guidelines, circular, notifications and regulations issued by the relevant regulators.

Being regulated, we are subject to regular scrutiny and supervision by their respective regulators, such as regular inspections that may be conducted by RBI. The requirements imposed by regulators are designed to ensure the integrity of the financial markets and to protect investors and depositors. Any non-compliance with regulatory guidelines and directions may result in substantial penalties and reputational impact, which may affect the price of our securities. Among other things, in the event of being found non-compliant, we could be fined or prohibited from engaging in certain business activities.

Any change to the existing legal or regulatory framework will require us to allocate additional resources, which may increase our regulatory compliance costs and direct management attention and consequently affect our business. For e.g., RBI has recently introduced the Master Direction - Reserve Bank of India (Regulatory Framework for Microfinance Loans) Directions, 2022 (“RBI MFI Master Directions”), pursuant to which RBI has *inter alia* increased the annual household income limit of borrowers up to ₹3,00,000, capped the loan repayment obligation of the household to 50% of the monthly household income, regulated the pricing of loans etc. The RBI MFI Directions will require us to put in place additional procedures and processes undertaking comprehensive data checks to determine annual household income for determination of maximum permissible limits and for other compliances under the RBI MFI Directions.

In addition, we are also exposed to the risk of us or any of our employees being non-compliant with insider trading rules or engaging in front running in securities markets. In the event of any such violations, regulators could take regulatory actions, including financial penalties against us and the concerned employees. This could have a materially adverse financial and reputational impact on us.

51. *Changing laws, rules and regulations and legal uncertainties, including adverse application of tax laws and regulations, across the multiple jurisdictions we operate in may materially adversely affect our business and financial performance.*

Our business and financial performance could be materially adversely affected by changes in the laws, rules, regulations or directions applicable to us and our general and microfinance businesses, or the interpretations of such existing laws, rules and regulations, or the promulgation of new laws, rules and regulations, in India.

The governmental and regulatory bodies in India where we operate may notify new regulations and/ or policies, which may require us to obtain approvals and licenses from the government and other regulatory bodies, or impose onerous requirements and conditions on our operations, in addition to those which we are undertaking currently. Any such changes and the related uncertainties with respect to the implementation of new regulations may have a material adverse effect on our business, financial condition and results of operations. See “*Regulations and Policies*” on page 139.

In addition, unfavorable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations including foreign investment laws governing our business, operations and investments in our Company by non-residents, could result in us being deemed to be in contravention of such laws and/ or may require us to apply for additional approvals.

Tax and other levies imposed by the central and state governments in India that affect our tax liability include central and state taxes and other levies, income tax, turnover tax, goods and service tax, stamp duty and other special taxes and surcharges which are introduced on a temporary or permanent basis from time to time. The final determination of our tax liabilities involves the interpretation of local tax laws and related regulations in each jurisdiction as well as the significant use of estimates and assumptions regarding the scope of future operations and results achieved and the timing and nature of income earned and expenditures incurred. Moreover, the central and state tax scheme in India is extensive and subject to change from time to time. For instance:

- The General Anti Avoidance Rules (“**GAAR**”) came into effect from April 1, 2017. The tax consequences of the GAAR provisions being applied to an arrangement may result in a denial of tax benefit amongst other consequences. In the absence of any precedents on the subject, the application of these provisions is uncertain. GAAR provisions may have an adverse tax impact on us; and
- The Government of India has implemented a comprehensive national goods and services tax (“**GST**”) regime with effect from July 1, 2017 that combines taxes and levies by the Central and State Governments into a unified rate structure. Any future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable. If the tax costs associated with certain transactions because of a particular tax risk materializing are greater than anticipated, it could affect the profitability of such transactions.

Further, as of September 30, 2023, we had a total of 14,286 full-time employees (including trainees). Our full-time employees are employed by us and are entitled to statutory employment benefits, such as a defined benefit gratuity plan, among others.

We are subject to various labour laws and regulations governing our relationships with our employees including in relation to minimum wages, working hours, overtime, working conditions.

A change of law that requires us to increase the benefits to the employees from the benefits now being provided may create potentially liability for us. Such benefits could also include provisions which reduce the number of hours an employee may work for or increase in number of mandatory casual leaves, which all can affect the productivity of the employees.

A change of law that requires us to treat and extend benefits to our outsourced personnel, and personnel retained on a contractual basis, similar to our full-time employees may create potential liability for us. If we fail to comply with current and future health and safety and labour laws and regulations at all times, including obtaining relevant statutory and regulatory approvals, this could materially and adversely affect our business, future financial performance and results of operations.

52. *In order to support and grow our business, we must maintain a minimum capital to risk weighted assets ratio, and a lack of access to the capital markets may prevent us from maintaining an adequate ratio.*

As an NBFC-MFI, RBI requires us to maintain a minimum capital to risk weighted assets ratio (“CRAR”) consisting of Tier I and Tier II capital of 15.00% of our aggregate risk weighted assets. Further, the total of our Tier II capital cannot exceed 100% of our Tier I capital at any point of time. Our ability to support and grow our business would become limited if the CRAR is low. While we may access the capital markets to offset any declines to our CRAR, we may be unable to access the markets at the appropriate time or the terms of any such financing may be unattractive due to various reasons attributable to changes in the general environment, including political, legal and economic conditions. Our CRAR calculated on the basis of RBI norms applicable to NBFC – MFI – was 17.14%, 17.83% and 18.56% as at March 31, 2023, 2022 and 2021 respectively, while its Tier I Capital as at March 31, 2023 was 13.49%.

As we continue to grow our loan portfolio and asset base, we will be required to raise additional Tier I and Tier II capital in order to continue to meet applicable CRAR with respect to our business. There can be no assurance that we will be able to raise adequate additional capital in the future on terms favourable to us, and this may adversely affect the growth of our business. In addition, any changes in RBI or other government regulations in relation to securitizations and/ or assignments, by NBFCs in general or MFIs specifically could have an adverse impact on our assignment and securitization plans in the future. This may result in non-compliance with applicable capital requirements, which could have a material adverse effect on our business prospects, financial condition and results of operations.

If we are unable to meet any existing or new and revised requirements, our business, future financial performance and the price of our Equity Shares could be adversely affected.

53. *Any non-compliance with mandatory AML and KYC policy could expose us to additional liability and harm our business and reputation.*

In accordance with the requirements applicable to us, we are mandated to comply with applicable anti- money-laundering (“AML”), combatting terrorism financing and antiterrorism laws and other regulations in India. In the ordinary course of our operations, we run the risk of failing to comply with the prescribed Know Your Customer (“KYC”) procedures and detect fraud and money laundering by dishonest customers. For further details, see “*Regulations and Policies*” on page 139. While we have adopted policies and procedures aimed at collecting and maintaining all AML and KYC related information from our customers in order to detect and prevent the use of our business networks for illegal money-laundering activities, there may be instances where we may be used by other parties in attempts to engage in money- laundering and other illegal or improper activities.

Although we believe that we have adequate internal policies, processes and controls in place to prevent and detect AML activity and ensure KYC compliance, and have taken necessary corrective measures, there can be no assurance that we will be able to fully control instances of any potential or attempted violation by other parties and may accordingly be subject to regulatory actions including imposition of fines and other penalties by the relevant government agencies to whom we report. Our business and reputation could suffer if any such parties use or attempt to use us for money-laundering or illegal or improper purposes and such attempts are not detected or reported to the appropriate authorities in compliance with applicable regulatory requirements.

Risks Relating to India

54. *Financial difficulty and other problems in certain financial and other non-banking financial institutions in India could materially adversely affect our business.*

We are exposed to the risks of the Indian financial system. The financial difficulties faced by certain Indian financial and non-banking financial institutions could materially and adversely affect our business because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships. Such “systemic risk”, may materially adversely affect financial intermediaries, such as clearing agencies, banks, NBFCs, securities firms and exchanges with which we interact on a daily basis. Any such difficulties or instability of the Indian financial system in general could create an adverse market perception about Indian financial institutions and banks and materially adversely affect our business. Our transactions with these financial institutions and other non-banking financial institutions expose us to various risks in the event of default by a counterparty, which can be exacerbated during periods of market illiquidity.

55. *India's existing credit information infrastructure may cause increased risks of loan defaults.*

All of our business is located in India. India's existing credit information infrastructure may pose problems and difficulties in running a robust credit check on our borrowers. We may also face difficulties in the due diligence process relating to our customers or to any security or collateral we take in relation to our loans. We may not be able to run comprehensive searches relating to the security and there are no assurances that any searches we undertake will be accurate or reliable. Hence, our overall credit analysis could be less robust as compared to similar transactions in more developed economies. Any inability to undertake a comprehensive due diligence or credit check might result in an increase in our NPAs and we may have to increase our provisions correspondingly. Any of the foregoing may have a material adverse effect on our business, financial condition, results of operations and cash flows.

56. *Financial or geo-political instability in other countries may cause increased volatility in Indian financial markets.*

The Indian market and the Indian economy are influenced by economic, geo-political and market conditions in other countries, particularly emerging market countries in Asia. Although economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss of investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any worldwide financial or geo-political instability could also have a negative impact on the Indian economy. Such worldwide financial instability could arise out of, for example, current developments relating to Ukraine which have prompted many western countries to impose financial and other sanctions on Russia. Financial disruptions may occur again and could harm our business and our future financial performance.

Investors should be aware that there is a recent history of financial crises and boom-bust cycles in multiple markets in both emerging and developed economies which leads to risks for all financial institutions, including the Company. We remain subject to the indirect economic effect of any potential tightening in global credit conditions, some of which cannot be anticipated and the vast majority of which are not under our control. We also remain subject to counterparty risk arising from financial institutions that can fail or are otherwise unable to meet their obligations under their contractual commitment to us.

57. *If inflation were to rise in India, we might not be able to increase the prices of our services at a proportional rate in order to pass costs on to our customers and our profits might decline.*

Inflation rates could be volatile, and we may face high inflation in the future as India had witnessed in the past. Increased inflation can contribute to an increase in interest rates and increased costs to our business, including increased costs of transportation, salaries, and other expenses relevant to our business. Further, high inflation leading to higher interest rates may also lead to a slowdown in the economy and adversely impact credit growth. Consequently, we may also be affected and fall short of business growth and profitability.

High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our operating expenses, which we may not be able to pass on to our customers, whether entirely or in part, and the same may adversely affect our business and financial condition. In particular, we might not be able to reduce our costs or pass the increase in costs on to our customers. In such case, our business, results of operations, cash flows and financial condition may be adversely affected.

While the Government of India through RBI has previously initiated economic measures to combat high inflation rates, it is unclear whether these measures will remain in effect, and there can be no assurance that Indian inflation levels will not rise in the future.

As mentioned in "*Risk Factor - Financial or geo-political instability in other countries may cause increased volatility in Indian financial markets*" above, worldwide financial instability could also have impact on India. For example, the global crude prices have already jumped since the onset of war in Ukraine at end of February 2022 and if the crude prices do not cool down soon, India's energy imports could lead to higher inflation in India.

58. Any adverse change in India's credit rating by an international rating agency could materially adversely affect our business and profitability.

India's sovereign rating is Baa3 with a "stable" outlook (Moody's), BBB-with a "stable" outlook (S&P) and BBB-with a "negative" outlook (Fitch). India's sovereign rating could be downgraded due to various factors, including changes in tax or fiscal policy or a decline in India's foreign exchange reserves, which are outside our Company's control. Any adverse change in India's credit ratings by international rating agencies may adversely impact the Indian economy and consequently our ability to raise additional financing in a timely manner or at all, as well as the interest rates and other commercial terms at which such additional financing is available. Any such adverse development could adversely affect our business, financial condition and results of operations.

59. Any volatility in exchange rates may lead to a decline in India's foreign exchange reserves and may affect liquidity and interest rates in the Indian economy, which could adversely impact us.

Foreign inflows into India have remained extremely volatile responding to concerns about the domestic macroeconomic landscape and changes in the global risk environment. The widening current account deficit has been attributed largely to the surge in gold and oil imports.

Further, increased volatility in foreign flows may also affect monetary policy decision making. For instance, a period of net capital outflows might force RBI to keep monetary policy tighter than optimal to guard against any abnormal currency depreciation.

60. Terrorist attacks, civil unrest and other acts of violence or war involving India and other countries would negatively affect the Indian market where our shares trade and lead to a loss of confidence and impair travel, which could reduce our customers' appetite for our products and services.

Terrorist attacks, civil unrest and other acts of violence or war may negatively affect the Indian markets on which our Equity Shares are proposed to be listed and traded and could also materially adversely affect the global financial markets. In addition, any deterioration in relations between India and its neighbors might result in investor concern about stability in the region, which could materially adversely affect the price of our Equity Shares.

India has also witnessed civil disturbances in recent years and future civil unrest as well as other adverse social, economic and political events in India could have an adverse impact on us. Such incidents also create a greater perception that investment in Indian companies involves a higher degree of risk, which could have an adverse impact on our business and the price of our Equity Shares.

61. Companies operating in India are subject to a variety of taxes and surcharges.

Tax and other levies imposed by the central and state governments in India that affect our tax liability include central and state taxes and other levies, income tax, value added tax, turnover tax, service tax, stamp duty, tax on dividends and other special taxes and surcharges which are introduced on a temporary or permanent basis from time to time. Moreover, the central and state tax scheme in India is extensive and subject to change from time to time. The central or state government may in the future increase the corporate income tax it imposes. Any such future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable. Additional tax exposure could adversely affect our business, cash flows and results of operations.

62. A decline in India's foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could adversely impact us.

A decline in India's foreign exchange reserves could affect the liquidity and result in higher interest rates in the Indian economy, which could adversely affect our business, future financial performance, results of operations and financial condition.

63. There may be less information available about the companies listed on the Indian securities markets compared with information that would be available if we were listed on securities markets in certain other countries.

There may be differences between the level of regulation and monitoring of the Indian securities markets and the activities of investors, brokers and other participants in India and that in the markets in the United States and

certain other countries. SEBI is responsible for ensuring and improving disclosure and other regulatory standards for the Indian securities markets. SEBI has issued regulations and guidelines on disclosure requirements, insider trading and other matters. There may, however, be less publicly available information about companies listed on an Indian Stock Exchanges compared with information that would be available if that company was listed on a securities market in certain other countries. As a result, investors may have access to less information about the business, results of operations, cash flows and financial conditions, and those of the competitors that are listed on BSE and NSE and other stock exchanges in India on an on-going basis than you may find in the case of companies subject to reporting requirements of other more developed countries.

Risks relating to the Issue and NCDs.

- 64. *The NCD Holders may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs. Failure or delay in recovering the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose the holders to a potential loss.***

Our ability to pay interest accrued on the NCDs and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors, inter alia, including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/or the interest accrued thereon in a timely manner or at all. Although our Company will create appropriate security in favor of the Debenture Trustee for the NCD Holders on the assets adequate to ensure security cover of 1.05 times of the outstanding principal and interest for the NCDs, and it will be the duty of the Debenture Trustee to monitor that the security is maintained, however, the realisable value of the assets charged as security, when liquidated, may be lower than the outstanding principal and/or interest accrued thereon in connection with the NCDs and shall depend on the market scenario prevalent at the time of the enforcement of the security. A failure or delay in recovering the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.

- 65. *There may be no active market for the NCDs on the platform of the Stock Exchanges. As a result, the liquidity and market prices of the NCDs may fail to develop and may accordingly be adversely affected.***

There can be no assurance that an active market for the NCDs will develop. If an active market for the NCDs fails to develop or be sustained, the liquidity and market prices of the NCDs may be adversely affected. The market price of the NCDs would depend on various factors, inter alia, including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country, (ii) the market price of our Equity Shares, (iii) the market for listed debt securities, (iv) general economic conditions, and (v) our financial performance, growth prospects and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs and/or be relatively illiquid.

- 66. *There may be a delay in making refund/ unblocking of funds to Applicants.***

We cannot assure you that the monies refundable to you, on account of (i) withdrawal of your Applications, (ii) our failure to receive minimum subscription in connection with the Base Issue, (iii) withdrawal of the Issue, or (iv) failure to obtain the final approval from the Stock Exchanges for listing of the NCDs, will be refunded to you in a timely manner. We, however, shall refund / unblock such monies, with the interest due and payable thereon as prescribed under applicable statutory and/or regulatory provisions.

- 67. *In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.***

The NCDs will be subordinated to certain liabilities preferred by law such as the claims of the Government on account of taxes, and certain liabilities incurred in the ordinary course of our business. In the event of bankruptcy, liquidation or winding-up, our Company's assets will be available to pay obligations on the NCDs only after all of those liabilities that rank senior to these NCDs have been paid as per Section 327 of the Companies Act, 2013. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.

68. *There is no assurance that the NCDs issued pursuant to the Issue will be listed on Stock Exchanges in a timely manner, or at all.*

In accordance with Indian law and practice, permissions for listing and trading of the NCDs issued pursuant to the Issue will not be granted until after the NCDs have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the stock exchanges. There could be a failure or delay in listing the NCDs on the Stock Exchanges for reasons unforeseen. If permission to deal in and for an official quotation of the NCDs is not granted by the stock exchange, our Company will forthwith repay, with interest, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to this Draft Shelf Prospectus. There is no assurance that the NCDs issued pursuant to the Issue will be listed on Stock Exchanges in a timely manner, or at all.

69. *Trading of the NCDs may be limited by temporary exchange closures, broker defaults, settlement delays, strikes by brokerage firm employees and disputes.*

The Indian Stock Exchanges have experienced temporary exchange closures, broker defaults, settlement delays and strikes by brokerage firm employees. In addition, the governing bodies of the Indian Stock Exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements. Furthermore, from time to time, disputes have occurred between listed companies and Stock Exchanges and other regulatory bodies, which in some cases may have had a negative effect on market sentiment.

70. *Repayment is subject to the credit risk of the Company*

Potential investors should be aware that receipt of the principal amount, (i.e. the redemption amount), interest thereon and any other amounts that may be due in respect of the NCDs is subject to the credit risk of the Company whereby the Investors may or may not recover all or part of the funds in case of default by the Company. Potential investors assume the risk that the Company will not be able to satisfy their obligations under the NCDs. In the event that bankruptcy proceedings or composition, scheme of arrangement or similar proceedings to avert bankruptcy are instituted by or against the Issuer, the payment of sums due on the NCDs may not be made or may be substantially reduced or delayed.

On December 14, 2021, RBI issued a circular titled “Prompt Corrective Action (PCA) Framework for Non-Banking Financial Companies (NBFCs)” (“PCA Framework Circular”) to enable supervisory intervention and implement remedial measures of NBFCs, including NBFC-NDs, on the basis of tracking certain indicators such as CRAR, Tier I Capital Ratio and Net NPA Ratio.

71. *You may be subject to taxes arising on the sale of the NCDs.*

Sale of NCDs by any holder may give rise to tax liability, as discussed in section entitled “*Statement of Possible Tax Benefits*” on page 70.

72. *Legal investment considerations may restrict certain investment.*

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) the NCDs are legal investments for it, (ii) the NCDs can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of the NCDs.

73. *The NCDs are subject to the risk of change in law.*

The terms and conditions of the NCDs are based on Indian law in effect as of the date of issue of the relevant NCDs. No assurance can be given as to the impact of any possible judicial decision or change to Indian law or administrative practice after the date of issue of the relevant NCDs and any such change could materially and adversely impact the value of any NCDs affected by it.

74. The Issuer, being a NBFC is not required to maintain a debenture redemption reserve (“DRR”)

Pursuant to a Ministry of Corporate Affairs notification dated August 16, 2019 amending Section 71 of the Companies Act, 2013 and Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014, a NBFC is not required to maintain DRR for debentures issued through a public issue. Hence, investors shall not have the benefit of reserve funds to cover the re-payment of the principal and interest on the NCDs.

Impersonation

As a matter of abundant precaution, attention of the investors is specifically drawn to the provisions of sub-Section (1) of Section 38 of the Companies Act, 2013, relating to punishment for fictitious applications. Section 38(1) of the Companies Act, 2013 provides that:

“Any person who —

- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or
- (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or
- (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,

shall be liable for action under Section 447.”

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹ 0.10 crore or 1.00% of the turnover of our Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹ 0.10 crore or 1.00% of the turnover of our Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹ 0.50 crore or with both.

Recovery Expense Fund

Our Company has created a recovery expense fund in the manner as specified by SEBI in SEBI Debenture Trustee Master Circular as amended from time to time and Regulation 11 of SEBI NCS Regulations with the Designated Stock Exchange and have informed the Debenture Trustee regarding the creation of such fund. The Recovery expense fund may be utilized by Debenture Trustee, in the event of default by our Company under the terms of the Debenture Trust Deed, and the Applicable Laws, for taking appropriate legal action to enforce the security.

Settlement Guarantee Fund

Our Company will deposit amounts in the settlement guarantee fund, as applicable, in the manner as specified in the SEBI Master Circular. This fund has been created under the SEBI Master Circular to ensure upfront collection of charges from eligible issuers at the time of allotment of debt securities.

ISSUE CLOSES ON	As specified in the relevant Tranche Prospectus for each Tranche Issue.
PAY IN DATE	As specified in the relevant Tranche Prospectus for each Tranche Issue.
DEEMED DATE OF ALLOTMENT	As specified in the relevant Tranche Prospectus for each Tranche Issue.

** *The Issue shall remain open for subscription on Working Days from 10:00 a.m. to 5:00 p.m. (Indian Standard Time) during the period as indicated in the relevant Tranche Prospectus. Our Company may, in consultation with the Lead Managers, consider closing the relevant Tranche Issue on such earlier date or extended date (subject to a minimum period of three working days and a maximum period of 10 working days from the date of opening of the relevant tranche issue and subject to not exceeding thirty days from filing relevant tranche prospectus with ROC including any extensions), as may be decided by the Board of Directors of our Company or Issuance and Allotment Committee, subject to relevant approvals, in accordance with Regulation 33A of the SEBI NCS Regulations. In the event of an early closure or extension of the Issue, our Company shall ensure that notice of the same is provided to the prospective investors through an advertisement in all the newspapers in which pre-issue advertisement for opening of this Issue has been given on or before such earlier or initial date of Issue closure. On the Issue Closing Date, the Application Forms will be accepted only between 10:00 a.m. and 3:00 p.m. (Indian Standard Time) and uploaded until 5:00 p.m. (Indian Standard Time) or such extended time as may be permitted by the Stock Exchanges. Further, pending mandate requests for bids placed on the last day of bidding will be validated by 5:00 p.m. (Indian Standard Time) on one Working Day post the Issue Closing Date.*

Applications Forms for the Issue will be accepted only from 10:00 a.m. to 5:00 p.m. (Indian Standard Time) (“Bidding Period”), during the Issue Period as mentioned above on all days between Monday and Friday (both inclusive barring public holiday) (a) by the Designated Intermediaries at the Bidding Centres, or (b) by the SCSBs directly at the Designated Branches of the SCSBs. On the Issue Closing Date, Application Forms will be accepted only between 10:00 a.m. to 3:00 p.m. (Indian Standard Time) and uploaded until 5:00 p.m. (Indian Standard Time) or such extended time as may be permitted by the Stock Exchanges. It is clarified that the Applications not uploaded on the Stock Exchanges Platform would be rejected. Further, pending mandate requests for bids placed on the last day of bidding will be validated by 5:00 p.m. (Indian Standard Time) on one Working Day after the Issue Closing Date.

Due to limitation of time available for uploading the Applications on the Issue Closing Date, Applicants are advised to submit their Application Forms one day prior to the Issue Closing Date and, no later than 3.00 p.m. (Indian Standard Time) on the Issue Closing Date. Applicants are cautioned that in the event a large number of Applications are received on the Issue Closing Date, there may be some Applications which are not uploaded due to lack of sufficient time to upload. Such Applications that cannot be uploaded will not be considered for allocation under the Issue. Neither our Company, nor the Lead Managers, nor any Consortium Member, Registered Brokers at the Broker Centres, CDPs at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs are liable for any failure in uploading the Applications due to failure in any software/ hardware systems or otherwise. As per the SEBI Master Circular, the allotment in this Issue is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchanges. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

Dear Ma'am/Sir,

Re: Proposed public issue by IIFL Samasta Finance Limited (“Issuer”/ “Company”) of secured, rated, listed, redeemable, non-convertible debentures of face value of ₹ 1,000/- each (“NCDs”) for an amount aggregating to ₹ 2,000 crore (the “Shelf Limit”) (“Issue”). The NCDs will be issued in one or more tranches up to the Shelf Limit, on terms and conditions as set out in relevant Tranche Prospectus(es) for each Tranche Issue.

This certificate is issued in accordance with the terms of our engagement letter dated October 27, 2023.

The accompanying Statement of Possible Tax Benefits prepared by the management of the Company, discusses the tax provisions applicable to the Potential Debenture holders (“Investors”) subscribing in the Public Issue of NCDs of **IIFL Samasta Finance Limited** in Annexure A (hereinafter referred to as “**Statement of Possible Tax Benefits**” / “**Statement**”), under the Income-tax Act, 1961 (read with Income Tax Rules, circulars, notifications) as amended by the Finance Act, 2023 (hereinafter referred to as the “**IT Act**”) in connection with the proposed Issue.

Management’s Responsibility

The preparation of this Statement as of the date of our certificate which is to be included in the Draft Shelf Prospectus, Shelf Prospectus and relevant tranche prospectus(es) (the “**Offering Documents**”) is the responsibility of the management of the Company.

This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the Statement, and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances. The management is also responsible for identifying and ensuring that the Company complies with the laws and regulations applicable to its activities.

Our Responsibility

Our work has been carried out in accordance with Standards on Auditing, the ‘Guidance Note on Reports or Certificates for Special Purposes (Revised 2016)’ and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India.

Pursuant to the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021, as amended (the “**SEBI NCS Regulations**”) and the Companies Act 2013 (“**Act**”), it is our responsibility to examine whether the Statement prepared by the Company, in all material respects, reflects the current position of possible tax benefits available to the debenture holders of the Company. For this purpose, we have read the Statement as given in **Annexure I** and evaluated with reference to the provisions of the IT Act to confirm that statements made are correct in all material respect.

We draw attention to the fact that the Statement includes certain inherent limitations that can influence the reliability of the information. The benefits discussed in the enclosed Annexure I are not exhaustive. Several of these benefits are dependent on the Investors fulfilling the conditions prescribed under the relevant tax laws. Therefore, the ability of Investors to derive the tax benefits is dependent on fulfilling such conditions.

The Statement is only intended to provide general information and is neither designed nor intended to be a substitute for the professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to specific tax implications arising out of their participation. Neither are we suggesting nor advising the investor to invest money based on this Statement.

We do not express any opinion or provide any assurance as to whether:

- i) debenture holders of the Company will continue to obtain the benefits as per the Statement in future;
- ii) the conditions prescribed for availing the benefits as per the Statement have been/would be met with; or
- iii) the revenue authorities/ courts will concur with the views expressed herein.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company. We have relied upon the information and documents of the Company being true, correct and complete and have not audited or tested them. Our view, under no circumstances, is to be considered as an audit opinion under any regulation or law. No assurance is given that the revenue authorities/ courts will concur with the views expressed herein.

Our views are based on existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume any responsibility to update the views consequent to such changes.

In our opinion, the Statement of Tax Benefits prepared by the Company as set out in Annexure - I materially covers all tax benefits available as at the date of our report to Debenture Holders, in accordance with provisions of the IT Act as amended.

Restriction on Use

We hereby consent to inclusion of the extracts of this certificate in the Offering Documents and/or any other document in relation to the Issue, and for the submission of this certificate as may be necessary, to any regulatory / statutory authority including SEBI and the Registrar of Companies, Karnataka at Bengaluru, stock exchanges, any other authority as may be required and/or for the records to be maintained by the lead managers appointed in connection with the Issue (the “**Lead Managers**”) and in accordance with applicable law, and for the purpose of any defense the Lead Managers may wish to advance in any claim or proceeding in connection with the contents of the Offer Documents. Accordingly, this certificate is not to be used, referred to or distributed for any other purpose without our prior written consent. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing. Any subsequent amendment / modification to provisions of the applicable laws may have an impact on the views contained in our statement. While reasonable care has been taken in the preparation of this certificate, we accept no responsibility for any errors or omissions therein or for any loss sustained by any person who relies on it.

This certificate may be relied on by Lead Managers, namely JM Financial Limited, Nuvama Wealth Management Limited, IIFL Securities Limited and Trust Investment Advisors Private Limited, their affiliates and legal counsel in relation to the Issue.

Annexure A

ANNEXURE TO THE STATEMENT OF SPECIAL TAX BENEFITS AVAILABLE TO CREDITACCESS GRAMEEN LIMITED (“THE COMPANY”) AND THE COMPANY’S DEBENTUREHOLDERS

The following tax benefits will be available to the debenture holders of the Company (“**Debenture Holder**”) as per the existing provisions of law. The tax benefits are given as per the prevailing tax laws under the provisions of the IT Act, as on date, taking into account the amendments made by the Finance Act, 2023, and may vary from time to time in accordance with amendments to the law or enactments thereto. The Debenture Holder is advised to consider the tax implications in respect of subscription to Debentures after consulting his tax advisor as alternative views are possible.

This Annexure intends to provide general information on the applicable provisions of the IT Act. It is not exhaustive or comprehensive and is not intended to be a substitute for professional advice. Several of these benefits are dependent on the Company or its Debenture Holders fulfilling the conditions prescribed under the relevant provisions of the Income-tax Act, 1961. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the Issue, particularly in view of the fact that certain recently enacted legislation may not have a direct legal precedent or may have a different interpretation on the benefits, which an investor can avail. Neither are we suggesting nor advising the investor to invest money based on this Statement.

Implications under Income Tax Act, 1961

I. TO RESIDENT DEBENTURE HOLDERS (RESIDENT AS DEFINED UNDER SECTION 6 OF THE INCOME TAX ACT, 1961)

A. In respect of Interest on Debentures (NCD)

1. Interest on NCD received by Debenture Holders would be subject to income tax at the normal rates of tax in accordance with and subject to the provisions of the Income Tax Act, 1961 (Refer Note 1 below). Interest will be assessed to Income tax on receipt basis or mercantile basis (accrual basis) depending on the method of accounting regularly employed by the NCD holder under Section 145 of the Income Tax Act, 1961.

Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 193 of the IT Act

2. Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:
 - a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Company before the prescribed date of closure of books for payment of debenture interest;
 - b. When the resident Debenture Holder with Permanent Account Number (‘PAN’) (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
 - c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL; and

Under Section 2(29AA) read with section 2(42A) of the IT Act, listed Debentures held as Capital Asset as defined under section 2(14) of the IT Act is treated as long term capital asset if it is held for more than 12 Months. Debentures held as capital asset for a period of 12 Months or less will be treated as short term capital asset.

Long Term Capital Gain will be chargeable to tax under Section 112 of the IT Act at the rate of 20% (plus applicable surcharge and education cess). However, in the case of listed debentures, as per first proviso to section 112(1) of the IT Act, tax payable is only 10% (plus applicable surcharge and education cess). No indexation benefit is available for debentures. Hence, the tax payable on long term capital gains on transfer of NCD will be 10% (plus applicable surcharge and education cess) and the capital gains have to be computed without indexation.

In case of an individual or HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, such long-term capital gains shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax and the tax on the balance of such long-term capital gains shall be computed at the rate mentioned above.

2. Short Term Capital Gains

Listed Debentures held as capital asset under Section 2(14) of the IT Act for a period of not more than 12 months would be treated as Short term capital asset under Section 2(42A) of the IT Act. Short Term Capital Gains on transfer of NCD will be taxed at the normal rates of tax. As per Section 74 of the IT Act, short-term capital loss on transfer of debentures suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short term as well as long-term capital gains. Long-term capital loss on debentures suffered during

the year is allowed to be set-off only against long-term capital gains.

Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains. The provisions of the IT Act. The provisions relating to maximum amount not chargeable to tax would apply to short term capital gains.

3. *Capital Loss on transfer of Debentures*

As per Section 74 of the IT Act, short-term capital loss on transfer of debentures suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short term as well as long-term capital gains. Long-term capital loss on debentures suffered during the year is allowed to be set-off only against long-term capital gains.

Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains.

4. *Exemption available for Individuals and HUF for Long Term Capital gains U/s 54F of the IT Act*

As per the provisions of Section 54F of the IT Act, any long-term capital gains on transfer of a long term capital asset arising to a Debenture Holder who is an individual or Hindu Undivided Family, is exempt from tax if the entire net sales consideration is utilized, within a period of one year before, or two years after the date of transfer, in purchase of a new residential house in India, or for construction of residential house in India within three years from the date of transfer subject to conditions. If part of such net sales consideration is invested within the prescribed period in a residential house, then such gains would be chargeable to tax on a proportionate basis. This exemption is available, subject to the conditions stated therein.

Under section 54EE of the IT Act, long term capital gains arising to the Debenture Holder(s) on transfer of debentures in the company shall not be chargeable to tax to the extent such capital gains are invested in long term specified asset (a unit or units issued before 01.04.2019) as notified by Central Government within six months after the date of transfer. If only part of the capital gain is so invested, the exemption shall be proportionately reduced. However, if the said notified bonds are transferred or converted into money within a period of three years from their date of acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long-term capital gains in the year in which the bonds are transferred or converted into money. However, the exemption is subject to a limit of investment of INR 50 lacs during any financial year in the notified bonds. Where the benefit of Section 54EE of the IT Act has been availed of on investments in the notified bonds, a deduction from the income with reference to such cost shall not be allowed under section 80C of the Act.

As per provisions of section 54EE of the IT Act, capital gain on the transfer of a long-term capital asset, arising to a debenture holder is exempt from tax, if the assessee / debenture holder invested the whole or any part of capital gains in the long-term specified asset at any time within a period of six months. If the cost of the long-term specified asset is less than the capital gain arising from the transfer of the original asset, then such gains would be chargeable to tax on a proportionate basis. This exemption is available, subject to the condition that the investment in the long-term specified asset by an assessee during any financial year does not exceed fifty lakh rupees: If the long term specified asset in which the investment has been made is transferred within a period of three years from the date of its acquisition, the amount of capital gains tax claimed earlier would become chargeable to tax as capital gains in the year in which such long term specified asset is transferred. Specified Asset means a unit or units, issued before the 1st day of April, 2019, of such fund as may be notified by the Central Government in this behalf.

C. In respect of Business Income

In case the Debentures are held as stock in trade by the debenture holder, the income/loss from transfer of debentures would be taxed as Income from Business. Such income is to be computed in accordance with the Income Computation and Disclosure Standard VIII, which is notified by the Ministry of Finance, Government of India under Section 145(2) of the IT Act. Where debentures are held as stock in trade and unpaid interest has accrued before acquisition of Debentures and is included in the price paid for the Debentures, subsequent receipt of interest is to be allocated between pre-acquisition and post-acquisition periods, the pre-acquisition portion of the interest is reduced from the actual cost and is to be treated as interest. In the case of Debentures held by Scheduled Bank and Public Financial Institutions, income is to be recognized in accordance with the guidelines issued by the Reserve Bank of India in this regard.

D. Debentures received as gift without consideration or inadequate consideration

As per section 56(2)(x) of the IT Act, except in cases which are specifically exempted under this clause (such as gift received from relative as defined under the section), where the debentures are received without consideration where the aggregate market value of all gifts received exceeds Rs. 50,000 the aggregate market value of the debentures shall be taxable as income in the hands of the recipient. SECTION IV - ABOUT OUR COMPANY

INDUSTRY OVERVIEW

An overview of the Indian economy

Before the pandemic, India was one of the fastest-growing economies in the world with a CAGR of 6.6% between fiscals 2015 and 2020. GDP shot up from Rs 105 trillion in fiscal 2015 to Rs 145 trillion in fiscal 2020 based on 2011-12 prices.

The outbreak of the Covid pandemic and the subsequent imposition of the lockdown on March 25, 2020, onwards sent the Indian economy reeling, leading to a 5.8% decline to Rs 137 trillion in fiscal 2021. While the economy was under pressure in the first half of the fiscal, due to the pandemic-induced, lockdown-led demand shocks and weak global demand, low oil and commodity prices provided some respite. The second half saw an uptick in mobility and in economic activity, as sentiment improved, coupled with people learning to live in the post-pandemic world. The opening up of vaccinations in the fourth quarter, albeit for a smaller section of the population, further boosted the sentiment, containing the contraction to 5.8% in fiscal 2021. The Indian government unleashed a slew of measures during the pandemic-impacted fiscal under the Atma Nirbhar Bharat Abhiyan to boost the economy with the Production-Linked Incentive (PLI) scheme the standout tying in with the Make in India programme.

Movement of Indian GDP across years

Source: MOSPI, CRISIL MI&A Research

GDP grew 9.1% in fiscal 2022 to ~ Rs. 149 trillion on a low base, surpassing the pre-Covid-19 level of fiscal 2020. Growth in fiscal 2022 would have been higher but for the brutal second wave in the first quarter, which impacted consumer sentiment and hurt demand in contact-intensive services sectors. The resurgence of Covid-19 infections since March 2021 forced many states to implement localised lockdowns and restrictions to prevent the spread of the infection. In the beginning of May, the country reported the highest number of daily cases. The second round of lockdowns were less restrictive for economic activity than last year. Manufacturing, construction, agriculture, and other essential activities had been permitted to continue in most states while travel too was permitted unlike the first wave where all travel services were shut. The third wave in the fourth quarter of fiscal 2022 had minimal impact on the economy attributable to high rates of vaccination and people having learned to live with the pandemic.

The Indian economy recorded a 7.2% on-year growth in real GDP in fiscal 2023 reaching about Rs ~160 trillion. While the economic recovery continues to gather pace, it faces multiple risks. Global growth is projected to slow, as central banks in major economies withdraw easy monetary policies to tackle high inflation. This would imply lower demand for our exports. Together with high commodity prices, especially oil, this translates into a negative in terms of a trade shock for India. High commodity prices, along with depreciating rupee, indicate higher imported inflation.

Over the medium term, the Indian economy is projected recording a 6-7% on year growth boosted by healthy capital expenditure by the government, domestic consumption led growth, China + 1 strategy boosting manufacturing in India coupled with the PLI scheme. Slowing global economies would drag Indian exports restricting India's GDP growth.

Macroeconomic outlook

Macro variable	FY22	FY23	FY24P	Rationale for outlook
Real GDP (% , y-o-y)	9.1	7.2	6.0	Slowing global growth will weaken India's exports in fiscal 2024. Domestic demand could also come under pressure as the RBI's rate hikes transmit to end consumers
Consumer price index (CPI)-based inflation (% , y-o-y)	5.5	6.7	5.0	Lower commodity prices, expectation of softer food prices, cooling domestic demand, and base effect will help moderate inflation
Current account balance/ GDP (%)	-1.2	-2.0	-1.8	Correction in international commodity prices and support from healthy services exports and remittances will help CAD narrow during fiscal 2024
Rs/\$ (March end)	75.8	82.3	83.0	While a lower current account deficit will support the rupee, challenging external financing conditions will continue to exert pressure next fiscal

Indigenous advantages to result in a stronger economic growth rate in the longer term

India has the largest population in the world

As per the report published (in July 2020) by National commission on population, Ministry of Health & Family Welfare report, India's population in 2011 was 121 crores, comprising nearly 24.6 crore households. It should be noted that decadal growth rate during 2001-2011 stood at 17%. This is estimated to have fallen to 12% during 2011-2021 and is likely to decline further to 9% during 2021-2031. However, with 147 crore estimated population in 2030, India will continue to be a major opportunity market from demand perspective. Additionally, as per United Nations Department of Economic and Social Affairs, India has overtaken China as the world's most populous country in April 2023.

Favourable demographics

India is also one of the countries with the largest youth population, with a median age of 28 years. About 90% of Indians are aged below 60 years. It is estimated that 64% of this population is aged between 15 and 59 years. CRISIL MI&A Research expects the existence of a large share of working population, coupled with rapid urbanisation and rising affluence, will propel growth of the Indian financial services sector.

Rise in urbanisation

Urbanisation is a key growth driver for India, as it leads to faster infrastructure development, job creation, development of modern consumer services, and the city's ability to mobilise savings. The share of urban population in total population has been consistently rising over the years and is expected to reach 36% by 2025 from 31% in 2011, spurring more demand.

Urban consumption in India has shown signs of improvement and given the country's favourable demographics, coupled with rising disposable incomes, the trend is likely to continue and drive domestic economic growth.

Overall NBFC – Industry overview

NBFCs are important part of the credit system

Financing needs in India have risen in sync with the notable economic growth over the past decade. NBFCs have played a major role in meeting this need, complementing banks and other financial institutions. NBFCs help fill gaps in the availability of financial services with respect to products as well as customer and geographic segments. A strong linkage at the grassroots level makes them a critical cog in the financial machine. They cater to the unbanked masses in rural and semi-urban reaches and lend to the informal sector and people without credit histories, thereby enabling the government and regulators to realise the mission of financial inclusion.

Classification of NBFCs

Activity-based classification

As per the RBI circular dated February 22, 2019, the central bank merged three categories of NBFCs, i.e., asset finance companies (AFC), loan companies (LCs) and investment companies (ICs), into a new category called NBFC - Investment and Credit Company (NBFC-ICC)

1. Investment and credit company – (NBFC-ICC): An NBFC-ICC means any company that is a financial institution carrying on as its principal business of providing finance by making loans or advances or otherwise for any activity other than its own and acquisition of securities; and is not any other category of NBFC.

2. Infrastructure finance company (IFC): An IFC is an NBFC that deploys at least 75% of its total assets in infrastructure loans and has a minimum net-owned funds of Rs 300 crore, with a minimum credit rating of 'A' or equivalent and a 15% CRAR (Capital to risk-weighted adequacy ratio).
3. Infrastructure debt fund (IDF-NBFC): An IDF-NBFC is a company registered as an NBFC to facilitate the flow of long-term debt into infrastructure projects. It raises resources through the issue of rupee or dollar-denominated bonds with a minimum five-year maturity. Only IFCs can sponsor IDF-NBFCs.
4. Micro-finance institution (NBFC-MFI): An NBFC-MFI is a non-deposit-taking NBFC with not less than 75% of its assets in the nature of qualifying assets, which satisfy the following criteria:
 - i. NBFC MFIs can disburse loans to borrowers with household annual income not exceeding Rs 300,000. The household shall mean an individual family unit, i.e., husband, wife and their unmarried children.
 - ii. All collateral-free loans will be considered as qualifying assets. Such loans will include all non-collateral loans irrespective of end use and mode of application/ processing/ disbursal.
 - iii. The loan shall not be linked with a lien on the deposit account of the borrower.
5. Factors (NBFC-Factors): An NBFC-Factor is a non-deposit-taking NBFC engaged in the principal business of factoring. Financial assets in the factoring business should constitute at least 50% of its total assets and income derived from the factoring business should not be less than 50% of its gross income.
6. Mortgage guarantee companies (MGC): An MGC is a financial institution for which at least 90% of the business turnover is mortgage guarantees or at least 90% of the gross income is from the mortgage-guarantee business and whose net-owned funds is atleast Rs 100 crore.
7. Non-operative financial holding company (NOFHC): An NOFHC is a financial institution through which promoter / promoter groups will be permitted to set up a new bank. A wholly owned NOFHC will hold the bank as well as all other financial services companies regulated by the RBI or other financial sector regulators to the extent permissible under the applicable regulatory prescriptions.
8. Account Aggregators (NBFC-AA): NBFC Account Aggregator is a financial entity which functions as the Account Aggregator for the customers of NBFC. NBFC-AA accumulates and provides information concerning multiple accounts which are held by the customers in various NBFC entities.
9. Peer to Peer Lending (NBFC-P2P): NBFC –Peer to Peer Lending platform (NBFC-P2P) is a type of Non-Banking Financial Company which carries on the business of providing services of Loan facilitation to willing lenders and borrowers through online platform.

Mirco finance – Review and outlook

NBFC-MFIs clocked a 25% CAGR during fiscals 2019-23

In India, microfinance plays a crucial role in delivering credit to the bottom tier of the economic pyramid, thereby supporting income-generating activities and livelihoods in rural and urban geographies. Typically, microfinance loans are of small amounts, have short tenures, are extended without collateral, and have higher repayment frequencies than traditional commercial loans. While such loans are generally availed to support income-generating activities, they are also provided for consumption, housing, and other purposes. In this light, the operations of microfinance institutions (MFIs) have traditionally been cash-intensive and, especially after demonetisation, have become very aggressive in rural areas.

As of March 2023, overall microfinance credit outstanding stood at Rs 3.5 trillion; of this, non-banking financial company (NBFC)-MFIs accounted for the highest share, at 40% (Rs. 1.38 trillion), followed by banks, at 34% (Rs. 1.19 trillion) and small finance banks, other NBFCs, and non-profit NBFCs at 26%.

Share of NBFC-MFIs grew to 40% in fiscal 2023 from 30% in fiscal 2019

Type	Share (FY23)	Outstanding book (Rs billion) FY23	CAGR (FY19 - FY23)	Growth in FY23	Growth outlook for FY24P

During fiscals 2019-23, overall microfinance industry logged a 17% CAGR, with NBFC-MFIs clocking a robust 25% CAGR, gaining market share from banks, who witnessed 11% growth. However, in the last decade, the industry saw negative impact from macroeconomic events such as the Andhra Pradesh (AP) crisis (in 2010), AP farm loan waiver (2014), small finance banks' (SFBs') licenses issued to MFIs (in-principal approval in 2015), demonetisation (2016), farm loan waiver in some states (2017 and 2019), and most recently, the pandemic (2021 and 2022).

Following a moderation in fiscal 2021 and the first half of fiscal 2022, with a pickup in economic activity and improved collection efficiency, the NBFC-MFI sector grew at 24% on-year in fiscal 2022. The Reserve Bank of India's (RBI's) revised MFI guidelines that included an increase in the total household income threshold for collateral-free loans also fueled growth.

As per RBI's revised regulatory framework, a collateral-free loan given to a household with an annual income of up to Rs 3 lakh is to be considered an MFI loan. The framework also provides financial institutions' Boards flexibility in repayment frequency and borrowers' income assessment. This necessitates the need for the risk management system of NBFC-MFIs to be robust, to ensure that asset quality is maintained in newer segments/geographies.

As of March 2023, gross non-performing assets (GNPAs) were down to 2.9% from 6% in March 2022, owing to improved collections, having recovered from the pandemic impact, and are expected to decline further in fiscal 2024, backed by improved collection efficiency, cautious credit underwriting, and recovery in rural demand.

Disbursements of NBFC-MFIs grew 57% in fiscal 2023

Increasing average ticket size supports disbursements

Source: CRISIL MI&A Research, MFIN

In fiscal 2021, disbursements declined due to nationwide lockdowns imposed to contain the pandemic spread; this brought

economic activities to a halt in the first half. With their resumption, however, credit outflow gained pace in the second half of the fiscal. Again, in the first quarter of fiscal 2022, the second wave of the pandemic hit, and localised lockdowns were imposed. Growth, though, rebounded in the second half, and continued into fiscal 2023, with aggregated disbursements for the fiscal standing at Rs 1,306 billion (57% on-year growth).

Growth was supported by the resumption of economic activities in rural areas, improved collection efficiency, implementation of RBI's new regulatory framework, increased penetration, and increased average ticket size of disbursements, up 11% from Rs. 38,987 in the fourth quarter of fiscal 2022, to Rs 43,024 in the fourth quarter of fiscal 2023.

NBFC-MFIs estimated to grow 25-30% on-year in fiscal 2024

Source: CRISIL MI&A Research, MFIN, company reports

NBFC-MFIs grew at a healthy CAGR of 25% during fiscals 2019-23, except in fiscal 2021, due to pandemic-led disruptions. Post this, a recovery in the rural economy, pent-up demand for credit, and an increase in the ticket size of disbursements supported by new MFI regulations helped credit growth in fiscals 2022 and 2023. In fiscal 2023, disbursements for NBFC-MFIs grew at 57% on-year and gross loan portfolio, at 38%.

In fiscal 2024, CRISIL MI&A Research expects that NBFC-MFIs will continue to outpace other MFI lenders and gain market share in the medium term, with healthy double-digit growth of 25-30%.

Share of NBFC-MFIs grew 10 percentage points during fiscals 2019-23 at the cost of banks

Source: CRISIL MI&A Research, MFIN

In fiscal 2019, banks accounted for the largest share in the MFI industry, as they lend under priority sector lending (PSL) norms. However, over the past five fiscals, NBFC-MFIs have become aggressive, with their loan book having logged a 25% CAGR during fiscals 2019-23, compared with ~18% for banks. NBFC-MFIs' focused lending approach, along with support from investors (impact and PE funds), has been a key growth driver post the pandemic.

The average ticket size of banks and NBFCs has been changing since the past few years. For NBFCs, it has been increasing, while for banks, it declined until the first half of fiscal 2023. The trend has led the market share to shift from banks to NBFCs. CRISIL MI&A Research expects the trend to continue in the medium term, with NBFC-MFIs growing at a healthy pace, outpacing banks and gaining market share.

Rural segment dominates the NBFC-MFI portfolio

MFI portfolio by lending segment

Source: CRISIL MI&A Research, MFIN, company reports

Rural areas account for over three-fourths of the total NBFC-MFI book. Digital infrastructure penetration in these areas is low, and internet connectivity, poor. This lack of access is accentuated by the low literacy levels of microfinance borrowers, who are generally daily wage earners and tend to transact in cash.

The main objective of microfinance lending is to support capital formation in agriculture and allied sectors. With disbursements being more focused on the country's rural regions, NBFC-MFIs promote alternative employment opportunities by supporting the farm and manufacturing sectors.

A state-wise split of the portfolio indicates that the top five states account for ~52% of the overall NBFC-MFI outstanding; Bihar accounts for the highest share (13%), followed by Tamil Nadu (11%), Uttar Pradesh (10%), Karnataka (10%), and Madhya Pradesh (7%). Bihar also has the lowest PAR 90+ loans among the key states, at 1.30%, vis-à-vis the overall PAR 90+ at 2.9% as of March 2023.

Restructured portfolio of MFIs down to sub-2% from ~10% in fiscal 2022

GNPAs expected to moderate further in fiscal 2024

Source: CRISIL MI&A Research, MFIN

Typically, in times of stress, GNPAs tend to remain high for a couple of years as players try to spread the credit cost. Asset quality improved towards end-fiscal 2023, along with a reduction in the restructured portfolio. PAT 90+ peaked at 6.7% in the first quarter of fiscal 2022, with the second wave of the pandemic impacting economic activity, along with slippages from the moratorium book during first half of fiscal 2021. MFIs witnessed double-digit restructured book, which has significantly reduced during fiscal 2023 as loans move out of moratorium and started regular repayment or fall into GNPA. PAR 90+ reduced, at 2.90% in fiscal 2024, but continues to remain above pre-Covid levels. CRISIL MI&A Research expects GNPAs to moderate further with continued healthy collection efficiency and high double-digit credit growth in fiscal 2024.

GNPA slashed to half after having peaked in fiscal 2022

Source: CRISIL MI&A Research

Credit cost to moderate after peaking in fiscal 2021

Yields in the segment have historically been high due to high borrowing costs and riskier borrower profiles. Borrowers are small businesses and household manufacturing entities with weak payment profiles. Disruptions in the normal business environment impact their cash flows, weakening their repayment ability. Players factor in this risk in the form of higher yields. Typically, large players in this segment have yields of 18-23%.

Since almost all borrowers are charged fixed interest rates, due to the shorter span of loans, any change in the repo rate is immediately passed on to borrowers. After an aggressive 250 bps hike in fiscal 2023, RBI has paused its rate hike cycle to monitor inflation trends and the impact of the hikes on the economy.

The monetary policy typically impacts the real economy with a lag of three to four quarters. Hence, the rate hikes thus far are expected to slow growth and moderate inflation this fiscal. Yields increased at a similar rate in fiscal 2023 and are expected to remain healthy, supported by the revised MFI guidelines. The net interest margin also remained healthy due to no passing on of borrowing costs. Further, post heavy provisioning in fiscals 2021 and 2022, credit cost stabilised in fiscal 2023, leading to improved profitability. With this, CRISIL MI&A Research expects that overall return on assets (RoA) will improve 100-150 bps to 3.3-3.5% in fiscal 2024.

Mirco finance – Industry overview

NBFC-MFI regulatory guidelines

Potential harmonisation of regulations for MFI lending

In February 2021, the RBI outlined the need to harmonise regulations governing the MFI lending industry and proposed a revamped framework. A potential harmonisation of regulations for MFI lending will positively impact NBFC-MFIs as banks and SFBs will also be governed by the same regulations, hence eliminating the competitive edge they currently enjoy. The key proposals include a common definition of microfinance loans for all regulated entities, a Board-approved policy for household income assessment, capping the outflow on account of repayment of loan obligations of a household to 50% of the household income, greater flexibility of repayment frequency for all microfinance loans, no pre-payment penalty or requirement of collateral, introduction of a standard simplified fact sheet on pricing of microfinance loans for better transparency, alignment of pricing guidelines for NBFC-MFIs with guidelines for NBFCs, and withdrawal of guidelines currently applicable to only NBFC-MFIs, including withdrawal of the two-lender norm for lending by NBFC-MFIs and withdrawal of all pricing-related instructions applicable to NBFC-MFIs.

The new regulatory regime ensures a level playing field and benefits NBFC-MFIs

In its master directions on microfinance loans released in March 2022, the RBI has done away with the interest rate cap applicable on loans given by NBFC-MFIs. Entities providing microfinance loans will have to put in place a Board-approved policy for the pricing of loans. The policy should include the interest rate model, the range of spread of each component for various categories of borrowers, and the interest rate ceiling and all other charges on MFI loans.

With microfinance loans provided by NBFC-MFIs and banks/SFBs now being subject to the same rules unlike the earlier regime, the RBI has ensured a level playing field for both NBFC-MFIs and banks/SFBs.

The increase in annual household income cap for microfinance borrowers (to Rs 3,00,000 in both urban and rural areas), removal of the two-lender norm for lending by NBFC-MFIs, and providing NBFC-MFIs greater flexibility to offer non-MFI loans (MFI loans should account for 75% of total assets for NBFC-MFIs, as per the new regulations) will increase market opportunities and enable NBFC-MFIs to achieve a more balanced portfolio.

On the flip side, the increase in annual household income threshold could increase the maximum permissible indebtedness limit of borrowers from Rs 1,25,000. While the limit on the loan repayment obligation will act as a safeguard against excessive leveraging, the increased permissible debt limit and possibility of divergences in household income assessment criteria across lenders still pose risks. Proper data infrastructure would be required to analyse and estimate household income, especially in rural areas.

Following RBI's revised regulations for MFI loans effective October 1, 2022, some MFIs have increased interest rates for borrowers by 150-200 bps, especially for customers with untested credit behaviour.

The key changes in the regulatory framework and their potential impact on NBFC-MFIs are captured below:

Area of regulation	Existing regulations		Revised regulations (effective April 1, 2022)
	For NBFCMFIs	For banks and SFBs	For all regulated entities*
Loan pricing	Margin cap at 10% for large MFIs (loan portfolios > Rs 1 billion) 12% for small MFIs (loan portfolios < Rs 1 billion)	No restrictions for banks and SFBs	No pricing cap. Underwriting of loans to be done on risk-based analysis, and a risk premium to be charged based on the borrower. A Board approved policy for pricing of loans to be put in place. The policy should include the interest rate model, the range of spread of each component for various categories of borrowers, and the interest rate ceiling and all other charges on MFI loans.
Processing fees	Not more than 1% of the gross loan amount		
Qualifying criteria	85% loans unsecured	Have to meet the target set for priority sector loans	The minimum requirement of microfinance loans has been revised to 75% of an NBFC-MFI's total assets. The maximum limit on microfinance loans for NBFCs other than NBFCMFIs has been revised to 25% of the total assets from 10% previously.
Household income	Rural areas: Rs 125,000 per annum Urban areas: Rs 200,000 per annum		Annual household income: Up to Rs 300,000 for urban as well as rural areas. (higher than the amount stated in the consultation paper issued in June 2021 – up to Rs 125,000 for rural areas and Rs 200,000 for urban and semi-urban areas)
Ticket size of loans	Rs 75,000 in the first cycle and Rs 125,000 in the subsequent cycles	No restrictions for banks and SFBs	Board-approved policy for the assessment of household income.
Tenure of loans	Not less than 24 months for loan amounts in excess of Rs 30,000		
Lending to the same borrower	Not more than two lenders allowed per borrower	More than two banks can lend to the same borrower	Limit on maximum loan repayment obligation of a household towards all loans: 50% of monthly household income.
Overall borrower indebtedness	Should not exceed Rs 125,000	No restrictions for banks and SFBs	

*Regulated entities include all commercial banks (including SFBs, local area banks and regional rural banks), excluding payments banks; all primary (urban) co-operative banks, state co-operative banks and district central co-operative banks; and all NBFCs (including MFIs and housing finance companies)

Key success factors

Ability to attract funds/raise capital and maintain healthy capital position

The microfinance industry has seen rapid growth over the past few years owing to small ticket sizes and doorstep disbursement. Despite this, a large portion of the market remains underpenetrated, making it necessary for MFIs to raise funds at regular intervals to sustain growth. This remains a challenge for several MFIs owing to perceived risk of the borrower segment, their susceptibility to socio-political issues, and volatility in asset quality. The ability of MFIs to raise funding from diverse sources and maintain a capital position much higher than the prescribed regulatory minimum is vital for long-term sustainability.

Geographically diversified portfolio helps MFIs mitigate risks

A large, well-diversified portfolio in different geographies enables players to mitigate risks associated with a concentrated portfolio. Apart from this, a wider scale of operation helps them reduce operating expenses as a percentage of outstanding loans. Rural areas are still under-penetrated in India; hence, players operating in/focussed on these areas are likely to see faster growth in their portfolios.

Ability to control asset quality and ageing of NPAs

The vulnerability of MFI portfolios to local issues and events that impact the repayment ability of borrower households makes it critical for them to have a strong hold on asset quality and regularly engage with borrowers to control ageing of NPAs. MFIs, thus, need to put in place methods and use analytics to understand and predict the quality of the portfolio, and minimise the frequency and size of asset quality-related risks.

Competitive dynamics

CRISIL MI&A Research expects NBFC-MFIs to grow at a much faster rate vis-a-vis SFBs, on account of increasing focus of the latter towards product suites beyond the MFI loan portfolio and improving liquidity for NBFCs in the system.

MSME finance – Review and outlook

In fiscal 2023, credit extended to micro, small and medium enterprises (MSMEs) is estimated to have totalled Rs 26,987 billion; banks dominated with a 74% share, while non-banking financial companies (NBFCs) accounted for the remainder.

The first and second waves of the Covid-19 pandemic in fiscals 2021 and 2022, respectively, were particularly hard on MSMEs. Given the segment's fundamental link to economic activity, the frequent lockdowns and restrictions implemented to contain the pandemic, which interrupted supply, demand and subsequently profitability in most industries, had a significant impact on the segment. In this context, the Government of India launched the Emergency Credit Line Guarantee Scheme (ECLGS) in May 2020 to help MSMEs.

Last fiscal, the Indian economy normalised, and industrialisation and urbanisation picked up pace. As a result, revenue increased 13-15% for corporate India and 11-13% for SMEs. However, overall MSME credit grew ~16%.

CRISIL MI&A Research projects MSME credit growth to be healthy at 15-17% this fiscal as well, with bank lending at 14-16% and lending by NBFCs at 19-21%.

Credit flow to MSMEs increased significantly

As a component of the Atmanirbhar Bharat package, the objective of ECLGS was to assist MSMEs fulfil operational liabilities and resume operations. Loans approved under the scheme reached Rs 3.6 trillion (out of Rs 5 trillion) in November 2022; 72% of the approved loans received guarantees, while disbursements totalled Rs 2.9 trillion. The amount

under the scheme was raised from Rs 4.5 trillion to Rs 5 trillion in the Union Budget 2022–23, and the deadline for sanctions was extended to March 2023. The Rs 500 billion increase was reserved just for businesses in the hospitality industry and associated industries. ECLGS supported businesses' liquidity needs and promoted loan activity. In the early stages of the pandemic, it aided MSMEs revive their operations and expand as the economy stabilised.

ECLGS progress

Banks, both public and private, accounted for majority of the payments under ECLGS. Non-banks lagged behind because of asset quality concerns. Additionally, private sector banks utilised the programme more frequently than the public sector counterparts. Due to the cap on interest rates for extra lending and the consequently tight margins, non-banks conserved liquidity and made less payments under the scheme. For banks and other financial institutions (FIs), the scheme's maximum interest rate was 9.25%, while for NBFCs it was 14%.

ECLGS was not given an additional extension after March 31, 2023. According to data from the RBI, the percentage of total non-performing assets (NPAs) for loans obtained under the programme was 4.5% in value terms and 16.9% in volume terms, with the bulk coming from micro companies. More than 85% of the loan accounts disbursed under the scheme went to micro firms with smaller ticket size, which resulted in higher NPAs in volume terms.

LAP segment constitutes ~40% of NBFCs' MSME portfolio

Note: 1. P: Projected

2. Non-LAP segment includes secured and unsecured loans

Source: Company reports, CRISIL MI&A Research

NBFCs focused on the secured asset portfolio during the pandemic in fiscal 2021, which led the loans against property (LAP) book's share to increase to 56% in March of the fiscal. With economic activity normalising and businesses availing credit to kick-start operations in fiscal 2022, growth in the non-LAP portfolio gained pace and its share increased to 51% in March 2022. Growth of the non-lap portfolio increased to 56% last fiscal due to economic activity picking up on initiatives by the central government and the RBI. The central bank raised concerns on unsecured lending, as loans are riskier due to the absence of collateral. CRISIL MI&A Research expects the non-LAP portfolio to grow 16-18% this fiscal.

Improved demand and resilient economic growth to drive MSME credit this fiscal

Faster-than-expected revival in economic activity and pent-up demand led to the growth spurt in MSME lending since the plummet in fiscal 2021. Growth revival was led by LAP. Due to the second wave of the pandemic, growth in the segment lagged in banks and non-banks during the first quarter. The segment recovered during the last three quarters of fiscal 2022, as the impact of the second wave was contained, leading to 17.4% growth in the MSME segment. Improvement in demand from MSMEs was supported by the central government's decision to extend ECLGS to March 31, 2022 (extended further to March 31, 2023) and increase in the guarantee to Rs 4.5 trillion from Rs 3 trillion (subsequently increased further to Rs 5 trillion).

The outstanding MSME book of NBFCs grew a robust 22%, supported by increase in disbursements in the non-LAP (unsecured and secured) segment due to rapid industrialisation, driven by loans to the micro segment. With economic activity reviving and cash flows improving, NBFCs increased their funding in the unsecured segment while restricting lending in the LAP segment owing to the asset quality stress of the previous years. Growth was further led by improved underwriting, increasing funding to the unsecured portfolio. The secured non-LAP portfolio saw competition from banks, which funded an estimated 73% of the unsecured non-LAP portfolio, while NBFCs funded only 56% in fiscal 2023. CRISIL MI&A Research projects NBFC growth at 19-21%, banks at 14-16%, and the overall MSME segment at 15-17% in fiscal 2024.

LAP: Growth to stabilise this fiscal

NBFCs' LAP portfolio is estimated at Rs 3 trillion as of fiscal 2023. In fiscal 2022, the segment witnessed slower growth than non-LAP (secured and unsecured) as non-banks were able to lend based on their cash flows thanks to improved underwriting and resilient economic growth, which led to funding not based on just short-run requirements. On the other hand, banks were more comfortable with LAP as it is safer due to the existence of collateral. Resultantly, NBFC' LAP segment grew 10% and banks' 27% last fiscal.

NBFCs' LAP portfolio estimated to grow 11-13% in fiscal 2024

LAP can be obtained by mortgaging real estate, both residential and commercial, with the lender. Loan can be used for personal or business objectives, and both salaried employees and self-employed people are eligible to apply. The final purpose of the loan is not strictly regulated. Since it offers the financier security in the form of real estate, LAP is a secured loan, and has lower interest rate than personal or corporate loans.

With the economy stabilising post pandemic, NBFCs' LAP credit grew 13% in fiscal 2021, but was muted in fiscal 2022. The segment grew 10% on-year in fiscal 2023, due to lower interest rates and increased penetration. Further, NBFCs did not really focus on LAP, as in the past the segment was susceptible to risk due to sudden changes in macroeconomic factors and the strategy was to contain asset quality deterioration. This fiscal, it is expected to grow marginally faster at 11-13%. Banks registered strong growth in the segment with aggressive strategies, higher market penetration, lower cost of funds, and adequate liquidity support. CRISIL MI&A Research estimates the MSME LAP segment to grow 11-13% for NBFCs and 18-20% for banks in fiscal 2024 on a high base.

Non-LAP: Banks dominate

Loans with security and those without it make up the non-LAP sector. Working capital products such as cash credit, overdraft facilities and bill discounting, as well as other term loan products (asset-backed or hypothecated loans) are examples of non-LAP secured MSME loans. Hypothecated loans are term loans when the offered collateral is a combination of real estate, stock, and so on.

Self-employed borrowers are provided unsecured MSME loans in the absence of a collateral. Instead of being dependent on a collateral, this type of lending is cash flow based. Unsecured loans are reviewed based on a variety of factors, including scorecards, bureau checks, bank accounts, financial statements, and returns from the Goods and Services Tax. When a bank's cash credit limit has been reached, an unsecured small business loan is typically taken to expand a business, take advantage of short-term possibilities, or get through a cash flow crisis. Many lenders offer these loans in addition to the secured loans they already have.

Due to the non-availability of collateral, underwriting plays a key role in maintaining the asset quality of unsecured business loans. Underwriting these loans requires relevant expertise and is powered by new financial technology and the increasing availability of data on customers' credit history. Competition in the secured loans market (especially retail loans) has compelled NBFCs and a few private banks to gain expertise in niche lending and build robust digital platforms to cash in on fresh opportunities in the unsecured business loans space, while maximising profitability.

Banks dominated this segment with a 74% share, aggregating ~Rs 15.7 trillion, last fiscal. NBFCs are estimated to have had a non-LAP book of ~Rs 3.8 trillion.

NBFCs recorded double-digit growth prior to fiscal 2021. Growth slowed down due to the liquidity crisis and the pandemic slowing down disbursements. Banks reported 9% growth and NBFCs 5% in this segment. In fiscal 2022, growth bounced back to double digits driven by ECLGS. NBFCs reported 32% on-year growth, while banks were more cautious towards lending in this segment. In fiscal 2023, NBFCs preferred cash flow-based (unsecured) lending as they were able to develop better underwriting systems and gain higher returns in the segment. Banks, on the other hand, preferred the LAP segment as they had access to cheaper funds with deeper penetration into the market. This led the banks to grow 11% and non-banks 34% last fiscal.

CRISIL MI&A Research expects the growth momentum to continue with a marginal moderation, and projects NBFCs’ non-LAP segment to grow 27-29% in fiscal 2024 on a higher base. Going further, in fiscal 2024 credit growth for banks is expected at 13-15%. However, any significant change in macroeconomic factors or geopolitical issues can pose a downside risk to credit growth.

Overview

We are a systematically important Non Banking Finance (non - deposit accepting or holding) Company - micro Finance Institution (NBFC MFI) in India that offers innovative and affordable financial products to women who are enrolled as members and organized as Joint Liability Group (“JLG”) from unbanked sections in society including encompassing cultivators, agricultural laborers, vegetable and flower vendors, cloth traders, tailors, craftsmen, as well as household and industrial workers across rural, semi urban and urban areas in India. Our Company is a subsidiary of IIFL Finance Limited. We offer wide range of loans tailored for underserved individuals who lack access to traditional banking services and includes income generation loans (“IGL”) (to establish a new enterprise or expand an existing business), top-up loans, loan against property, micro enterprise loan, Lifestyle and Family Welfare loans such as dairy cattle loan, sanitation and hygiene, acquisition of daily-use items like cook stoves, water purifiers, solar lights, mobile phones, and other products enhancing their way of life. Going beyond our financial services, our Company also provides non-financial services, including life and hospicash insurance, along with financial counseling, ensuring comprehensive support for its valued customers. We believe that our customer-centric business model, wide range of product offerings, as well as our well-designed product delivery and collection systems, have enabled us to achieve low credit costs. Our average cost of borrowing in Fiscal 2023 and six months period ending September 30, 2023 were 9.98% and 10.49%, respectively.

We focus predominantly on customers in rural areas in India, who largely lack access to the formal banking sector and present a latent opportunity for offering micro-loans. Our products are built on a deep understanding of the requirements of our customers (especially customers from rural areas) developed over years and the flexibility of our products (in terms of ticket sizes, end-uses and repayment options) and the manner of their delivery, which we believe are key factors that differentiates us from our competitors and generates customer loyalty.

Our focus customer segment are women having an annual household income of up to ₹ 3,00,000 as per Master Direction – Reserve Bank of India (Regulatory Framework for Microfinance Loans) Directions, 2022 dated March 14, 2022. We provide microfinance IGL primarily under JLG model. Further, we also provide individual top-up loans exclusively for the IGL customers with a commendable repayment history. We offer business loans (to expand the existing business, meet working capital requirements, establish a new enterprise, or purchase inventory or machinery), dairy cattle loan, sanitation and water loan and other product loans which are designed to bring convenience and elevate the overall quality of life for our valued customers. We also offer larger business loans to customers who have demonstrated high entrepreneurial capability, in their individual capacity against collateral (residential and commercial property).

We have followed a strategy of contiguous branch expansion across regions. As of September 30, 2023, we have presence in 1,485 branches in the 21 states and one union territory in India through 14,286 employees (including trainees), serving an active customer base of 27.20 lakh, as of September 30, 2023.

Our operations are well-diversified at the branch level. Our AUM has grown by 62.75% from ₹ 6,483.84 crore as of March 31, 2022 to ₹ 10,552.12 crore as of March 31, 2023. Our AUM as of September 30, 2023 is ₹ 12,195.93 crore.

One of our Promoters, IIFL Finance Limited, incorporated in 1995 provides a wide suite of products and services to meet the diverse financial needs of its customers, from retail and institutional clients to micro, small and medium enterprises.

Corporate Structure

The Corporate Structure of our Company as of the date of this Draft Shelf Prospectus is as below:

Competitive Strengths

Customer-centric business model resulting in high customer retention

We consider our customers to be the most significant stakeholders at the core of our operations. As of September 30, 2023, we had served 27.20 lakh active customers. We believe that our customer-centric business model allows us to retain a high proportion of our existing customers and to attract new customers. During the past three Fiscals, our focus has been on retaining our existing borrowers, whilst consciously adding new borrowers with a deep rural focus. We follow a multi-pronged approach to customer engagement, which comprises the following key elements:

- *Product offerings across the entire customer life-cycle* - We offer a diverse product suite that caters to the entire customer life cycle of our customers. We provide loans that are relevant for critical needs of our customers throughout their lifespan, which we believe helps in generating loyalty amongst our existing customers and in attracting new customers.
- *Tailor-made product offerings providing flexibility to customers* - Our products are built on a robust understanding of the requirements of our customers and the flexibility of our products, and the manner of their delivery differentiates us from our competitors. We set borrowing limits for each of our customers based on their loan cycles and the number of years for which they have been our customers and provide them the flexibility to borrow within the limit for several specified purposes, depending on their individual needs. All the members of a JLG are not required to take on the same type of loan or avail loans on the same disbursement day but may take different loans which are relevant to their respective needs with different borrowing limits, ticket size and flexible disbursement days. Further, we provide flexibility in repayment schedules for prepayment or late payment of loan instalments. Moreover, as the credit history of our customers improves with the passage of time by moving to subsequent loan cycles, we gradually increase their borrowing limits. This benefits us not only by increasing our revenue base, but also by optimizing our operating expenses, as we do not correspondingly have to incur costs associated with the acquisition of new customers. Our endeavor has been to reduce the dependence of our customers on traditional forms of unorganized lending for their requirements throughout the year. We believe that the flexibility of our products, in terms of ticket sizes, access to different disbursement and repayment options, closely resembles the nature of lending provided by the unorganized sector in Rural areas such as moneylenders, but typically at a much lower interest rate, with clearly specified terms and conditions and organized collection practices. Accordingly, our products present a more viable and safer borrowing option for our customers, as compared to lending sources from the unorganized sector. Our products are tailored to the needs of our customers, and we believe that the structure of our product offerings enables our customers to borrow less than the standard amounts, at multiple points of time during a year, thereby enabling our customers to tide over temporary cash flow mismatches at their end, on account of reasons such as seasonality and cyclicity. We believe this keeps our customers optimally leveraged.

- *Focus on customer engagement* – we follow a predominantly fortnightly collection model, which enables a high degree of customer engagement. Whilst the majority of our customers are on a fortnightly collection model, we also offer a monthly collection model based on their needs. We believe that the high customer engagement achieved via the frequency of our collections and fortnightly meetings, and interactions with our customers is an important factor in ensuring customer repayment and keeping our credit costs at optimal levels.
- *Customer support and timely grievance resolution* – In line with our customer-centric approach, we have enhanced our customer support capabilities. We have established an in-house contact center to ensure timely resolution and comprehensive assistance for any customer queries or concerns. This dedicated support system reinforces our commitment to delivering excellent customer service at every touchpoint.

Deep penetration in rural areas built through calibrated, contiguous branch expansion

We believe that our deep penetration in rural areas, built through a contiguous branch expansion strategy, provides us with significant scale and diversification advantages. We carry out our contiguous expansion strategy methodically whereby we aim to expand to the next (typically adjoining) branch and ensure deep penetration in a particular state within three years of commencement of operations in the district. This approach encompasses three key aspects: geographical deepening (in existing territories), geographical expansion (in potential territories) and implementation of improved monitoring and the control measures at branches with a significant portfolio size. We believe contiguous expansion provides significant scale and diversification advantages including familiarity of the loan officers with demographics of nearby territories which enable effective customer evaluation and better servicing.] As of September 30, 2023, we have presence in 21 states and one union territory (Puducherry) in India through 1,485 branches and 10,802 loan officers. Our operations are well-diversified at the branch level, wherein our AUM has grown by 62.75% from ₹ 6,483.84 crore as of March 31, 2022 to ₹ 10,552.12 crore as of March 31, 2023.

A large segment of India’s population is currently unserved and underserved by formal financial institutions. Considering the opportunity and lower competitive intensity in rural segments, we have increased our footprint in India’s rural areas unlike other industry players over the years. Our presence (AUM wise break-up), compared to the MFI industry is listed out below:

		Fiscal 2023	Fiscal 2022	Fiscal 2021
Industry*	Rural (Portfolio)	77%	78%	76%
	Urban (Portfolio)	23%	22%	24%
Our Company	Rural (Portfolio)	79.19%	74.93%	72.71%
	Urban (Portfolio)	20.81%	25.07%	27.29%

* Source: Industry Report on CRISIL Market Intelligence & Analytics (CRISIL MI&A) – NBFC Industry Report August 2023

We believe this has placed us in a strategic position to tap into the significant growth opportunities that exist in this financially underserved customer segment in Rural areas that are characterized by lower competition.

Robust customer selection and risk management policies resulting in healthy asset quality

We follow robust customer selection and risk management policies, which have resulted in healthy asset quality and lower credit costs. Risk is an integral part of our business, and sound risk management is critical to the success of the organization. As a financial intermediary, we are exposed to risks that are particular to its lending and the environment within which it operates. The Company has identified and implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously improved and adapted to the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis. The Company has an elaborate process for risk management. This rests on the three pillars of business risk assessment, operational controls assessment and policy compliance processes. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. These are discussed with both the Management and the Risk Management Committee of the Board. Some of the risks relate to competitive intensity and the changing legal and regulatory environment.

Risk management is integral to our business and as a lending institution, we have implemented well defined key risk management policies which primarily focus on addressing credit risk, operational risk and liquidity risk. We conduct regular training of our staff members with respect to risk related matters, as part of our risk management process. For further details, see “Our Business - Risk Management” on page 114.

Strong track record of financial performance and operating efficiency

We have maintained a strong track record of financial performance and operating efficiency over the years through high rates of customer retention, geographical expansion and prudent risk management. Further, we believe that our deep penetration in India's rural markets through our contiguous branch-based expansion strategy has helped us achieve low operating expense ratios, contributing to economies of scale. Our operating expense to quarterly average gross AUM ratio was 6.39% for the six months ended September 30, 2023 and 6.88% and 5.83% for the Fiscal 2023 and Fiscal 2022, respectively.

Our Gross AUM grew at a CAGR of 48.30% from ₹ 4,795.57 crore as of March 31, 2021 to ₹10,552.12 crore as of March 31, 2023. Disbursements across our financing products grew at a CAGR of 40.35% from ₹ 3694.76 crore in Fiscal 2021 to ₹10,213.77 crore in Fiscal 2023. Net interest income grew at a CAGR of 37.66% from ₹ 444.39 crore in Fiscal 2021 to ₹ 1159.25 crore in Fiscal 2023. Net interest margin, for the Fiscal 2023, Fiscal 2022 and Fiscal 2021 was 9.15%, 8.80% and 9.40%, respectively.

Our Gross AUM as of September 30, 2023 was ₹ 12,195.93 crore. Disbursements across our financing products for the six months period ended September 30, 2023 was ₹ 5,566.19 crore and our net interest income for six months period ended September 30, 2023 was ₹ 857.46 crore. Our net interest margin, for six months period ended September 30, 2023 was 9.41 %.

Details of Net interest margin and details of disbursement for six months period ended September 30, 2023 and for the Fiscal 2023, Fiscal 2022 and Fiscal 2021 are as follows:

Particulars	For six months period ended September 30, 2023	Fiscal		
		2023	2022	2021

*Net Interest income reduced by loan processing fees, interest on deposits, income from direct assignment and plus finance lease charges, divided by quarterly average AUM (excluding sold portion of direct assignment)

Our profit after tax for the six months period ended September 30, 2023 and the Fiscal 2023, Fiscal 2022 and Fiscal 2021 was ₹ 232.97 crore, ₹ 128.18 crore, ₹ 50.60 crore and ₹ 66.62 crore, respectively.

Professional management team with extensive domain experience

We are a professionally managed company, and our senior management team has an established track record in the financial services industry. Our top management team comprises of our Chief Business Officer, Chief Operating Officer, Chief Financial Officer, Chief Risk Officer, Chief Technology Officer, Compliance Officer and Chief Information Security Officer, along with our Managing Director, Narayanaswamy Venkatesh, all having an extensive experience in banking & finance industry and their experience has helped us to strengthen our risk management, compliance and governance framework.

Narayanaswamy Venkatesh is a seasoned banker. He holds a bachelor's degree in computer Science and has completed the Harvard Business School-ACCION Program on Strategic Leadership in Microfinance. With over 22 years of experience as an entrepreneur in the financial services industry, he has demonstrated exceptional leadership. For further details in relation to our senior management, see "Our Management" on page 122.

Consistent Financial Performance and robust capital base for growth

We believe that our financial performance, operational performance and consistent growth in business enable us to raise funds in the capital markets or borrow funds from lenders at competitive rates. We have experienced sustained growth in financial indicators including our revenue from operations and profit, as well as a consistent improvement in our balance sheet position in the last three Fiscals. Our total income increased from ₹ 702.20 crores in Fiscal 2021 to ₹ 1,019.93 crore in Fiscal 2022 and ₹ 1,753.51 crore in Fiscal 2023 and our return on average equity was 11.43%, 6.32% and 11.80% in Fiscal 2023, Fiscal 2022 and Fiscal 2021, respectively.

We are well capitalised with a robust capital base. Our capital position has been significantly strengthened post-acquisition of our Company by IIFL Finance in 2017. Our Promoter, IIFL Finance, has infused additional equity capital in our Company amounting to ₹ 90.00 crore, ₹ 300.00 crore and ₹ 200.00 crore in Fiscal 2021, Fiscal 2022 and Fiscal 2023, respectively. We believe that this strong capital base places us well to pursue the further growth of our business. Our CRAR calculated on the basis of RBI norms applicable to NBFC – MFI – was 17.14% as at March 31, 2023 while our Tier I Capital as at March 31, 2023 was 13.49%. This is above the minimum prescribed CRAR of 15% stipulated by the RBI.

Diversified borrowing profile and Effective asset-liability management

Over the years, we have developed a diversified funding profile, maintained long-term relationships with our lenders and established a track record of timely servicing our debt obligations. As an NBFC-MFI (Middle layer), we have access to diverse sources of liquidity, such as term loans from banks, financial institutions and non-banking financial companies, proceeds from loan assets assigned and securitized, cash credit, subordinated debt and proceeds from the issuance of NCDs to meet our funding requirements. This enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. As of March 31, 2023, we had total borrowings aggregating to ₹ 7,196.35 crore, comprising debt securities of ₹ 438.80 crore, borrowings (other than debt securities) of ₹ 6,342.55 crore, and subordinated liabilities of ₹ 415.00 crore. Further, as of September 30, 2023, we had total borrowings aggregating to ₹ 8,071.56 crore, comprising debt securities of ₹ 383.80 crore, borrowings (other than debt securities) of ₹ 7,045.26 crore, and subordinated liabilities of ₹ 642.50 crore.

The table below sets forth our Company’s credit ratings for the past three years and in the current year.

	Fiscal 2024 (as of October 31, 2023)	Fiscal 2023	Fiscal 2022	Fiscal 2021
CRISIL Ratings	CRISIL AA-/Stable	CRISIL AA-/Stable	CRISIL AA-/Stable	CRISIL A+/Stable
Acuite Ratings	ACUITE AA Stable	-	-	-
ICRA Ratings	ICRA A+ (Stable); reaffirmed & withdrawn	ICRA A+ (Stable)	ICRA A+ (Stable)	ICRA A (Stable)

We believe that our diversified sources of borrowing, stable credit history, improved credit ratings and effective asset-liability management have allowed us to gain better access to cost-effective debt financing. As of September 30, 2023 and March 31, 2023, our cash and cash equivalents, other bank balance and investment in government securities amounted to ₹ 1,535.74 crore and ₹609.50 crore, respectively, which we believe reflects our strong liquidity position.

Each of our new offerings is based on deep understanding of our customers’ evolving needs and shows our commitment to being a versatile and responsive financial partner.

Strengthening the market position.

To fortify our market position, a multi-faceted approach anchored in geographical expansion, diversified offerings, and enhanced accessibility is being meticulously executed. We’re intensifying our presence by opening new branches within existing states, a strategic move designed to bring our bespoke financial solutions closer to a broader spectrum of customers, ensuring that their diverse financial needs are met with precision and convenience. Our geographical horizon is extending to embrace new territories; stepping into states like Andhra Pradesh, Telangana, Punjab, and Haryana marks a significant milestone in our journey of expansion. Each new branch is not just a point of service but a hub of personalized financial solutions, cementing our reputation as a brand synonymous with reliability, versatility, and excellence.

Complementing our geographical outreach, the introduction of higher ticket size loans, two-wheeler loans, and consumer durable loans is a testament to our commitment to evolving with our customers’ needs. These tailored offerings are designed to encapsulate the diverse financial aspirations of our clientele, positioning us as a one-stop-shop for comprehensive

financial assistance. The integration of digital lending amplifies our accessibility, ensuring that our customers, both existing and prospective, experience uncompromised convenience and efficiency. Every touchpoint, physical or digital, is imbued with our ethos of customer-centricity, aiming to transform every interaction into a rewarding experience.

Collectively, these strategic expansions and innovations are not just about growth—they're about deepening our relationship with communities, fostering trust, and building an unyielding foundation of reliability and excellence that propels our market positioning to unprecedented heights.

Continued focus on customers from Rural areas

According to rural and urban portfolio chart in MFI portfolio by lending segment, 23% of microfinance industry portfolio is urban focused. However, we have maintained our focus on growing our rural customer base and intend to continue to do so going forward. As of September 30, 2023, March 31, 2023, March 31, 2022 and March 31, 2021, the percentage of our Company's active customers located in rural areas was 80.22%, 79.19%, 74.93% and 72.71%, respectively. We believe that we will be able to strengthen our position by tapping into this underserved market and are well placed to capitalize on our strategy of having a deep penetration in the Indian rural markets. Further, our products are built on a deep understanding of the life cycle requirements of our Customers from Rural Areas, which we believe will help in the expansion of our rural customer base.

We intend to continue penetrating deeper in the states and districts where we currently have operations and also expand our footprint into other areas that have limited or no access to formal banking and finance channels. We will continue to evaluate the offerings at our branches and customize our products to the needs and demands of our customers in the region in which our branches are located and correspondingly update existing operations and resources in different territories.

Expansion of branch network

We have presence in 21 states Andhra Pradesh, Arunachal Pradesh, Assam, Karnataka, Maharashtra, Madhya Pradesh, Tamil Nadu, Kerala, Odisha, Punjab, Chhattisgarh, Goa, Bihar, Jharkhand, Gujarat, Rajasthan, Haryana, Telangana, Tripura, Uttar Pradesh and West Bengal) and one union territory (Puducherry) in India through 1,485 branches and 10,802 loan officers, as of September 30, 2023. We intend to continue our strategy of contiguous expansion which will expand our district coverage in these states and also potentially into neighbouring states.

The following table sets forth the number of our branches in each state/ union territory as of the dates indicated:

Our contiguous expansion strategy is premised on expanding to the next (typically adjacent) district and achieving a deep penetration in a district within three years of operations. We believe that our expansion strategy has resulted in mitigation of concentration risk and will continue to lead to mitigation of this risk going forward. Out of a total of 21 states and one union territory where we had branches as of September 30, 2023, approximately 86.36% of each of these states individually represent less than 10% of our Gross AUM.

Leverage existing capabilities and strengths to diversify product and service offerings

We are an NBFC-MFI and intend to continue focusing on our operations in this space with our current business model which comprises extending loans to customers primarily in rural areas. To this end, we intend to capitalize on our current strengths including our geographical reach, customer base, robust risk management policies, strong financial track record and extensive domain expertise to diversify our product and service offerings.

Our diversification strategy is driven by the evolving needs of our customers, and we believe this is in line with the strength of our customer-centric business model and our expansion strategy, as it allows us to ensure that our customers have access to various differentiated products and services which they need quickly and efficiently.

In addition to micro-loans under JLG model, we also provide individual retail finance loans to customers who fulfil certain other eligibility criteria linked primarily to their credit history, income, and business position. We offer a diverse suite of micro-loans that cater to critical needs of our customers throughout their life cycle and includes income generation, micro enterprise loan, dairy cattle loan, sanitation and hygiene, acquisition of daily-use items like cook stoves, water purifiers, solar lights, mobile phones, and other products enhancing their way of life. Typically, these customers may be capable of obtaining such loans from other financial institutions or banks on the condition that they provide collateral, and with a higher turnaround time, than what we offer and at interest rates which are similar to or higher than our loans, which we believe makes our product offerings more attractive.

Focus on optimizing operating costs and improving operational efficiencies

Controlling our operating expenses is critical in determining our ability to offer loan products at reasonable rates to our customers and our profitability. Our deep penetration in India's rural markets through contiguous branch-based expansion strategy has helped to achieve low operating expense ratios, contributing to economies of scale. Further, given our high customer retention rates, we expect to derive scale and cost benefits as there is no incremental sourcing cost for existing customers, and they are eligible to borrow higher loan amounts from us since they have progressed to higher loan cycles, and they have been our customers for a number of years.

We continue to invest in our technology platform and technology-enabled operating procedures to increase operational and management efficiencies and ensure customer credit quality. With improved digitization, we have strengthened inter-organizational connectivity, while enhancing our customer support services to provide better service prospects. For example, we have focused on introducing features and functionalities towards 'Enhancing Ease of Business', 'Improving Operational Efficiency', 'Arresting possibility of Frauds & Non Compliance'. E-Sign has significantly reduced time and cost of documentation. The same is available as a link for them to see and use through our Customer App, 'Samasta Sakhi'. Our Company has enhanced IT systems to handle 'Co-Lending' which opened new tangents in sourcing of funds and have given us additional confidence to increase disbursement through shared funding with partners such as Canara Bank. 'Customer Experience' is now a notch higher with this improved facility used by our operations team.

Foray into secured products complementary to our target customers

The microfinance guidelines announced by the Reserve Bank of India in March 2022 allowed upward revision of household income, risk-based pricing, and an increase in the limit of non-microfinance loans up to 25% of total assets. We have nurtured our vision of becoming the preferred financial partner of Indian low-income households lacking access to formal credit, enriching their lives by providing convenient and reliable solutions, matching their evolving needs. The new guidelines are complementary to gain pace towards achieving our vision and allows us with a lot of flexibility to design products based on customer suitability.

Our business strategy will be to acquire new-to-credit and early-stage customers through microfinance products, handhold graduated customers through individual unsecured business loans, followed by offering secured products complementary to the target segment to support their growing business needs and asset ownership aspirations. We shall leverage our deep rural presence and strong understanding of the customer's mindset and financing requirements to devise new products. We have already identified specific products complementary to our target customer segment which include suite of micro-loans that cater to critical needs of our customers throughout their life cycle and includes income generation, micro enterprise loan, dairy cattle loan, sanitation and hygiene, acquisition of daily-use items like cook stoves, water purifiers, solar lights, mobile phones, and other products enhancing their way of life. The full scale launch of new products shall be done only after extensive pilots. We have already made necessary technological investments to support these new products. We shall leverage our existing retail finance branch network and employee base to offer these products to our existing as well as new customers. As we grow our balance sheet over the coming years, asset diversification strategy will make us more resilient to macroeconomic cycles, improve our credit ratings and provide stable returns to our stakeholders.

Our Business Operations

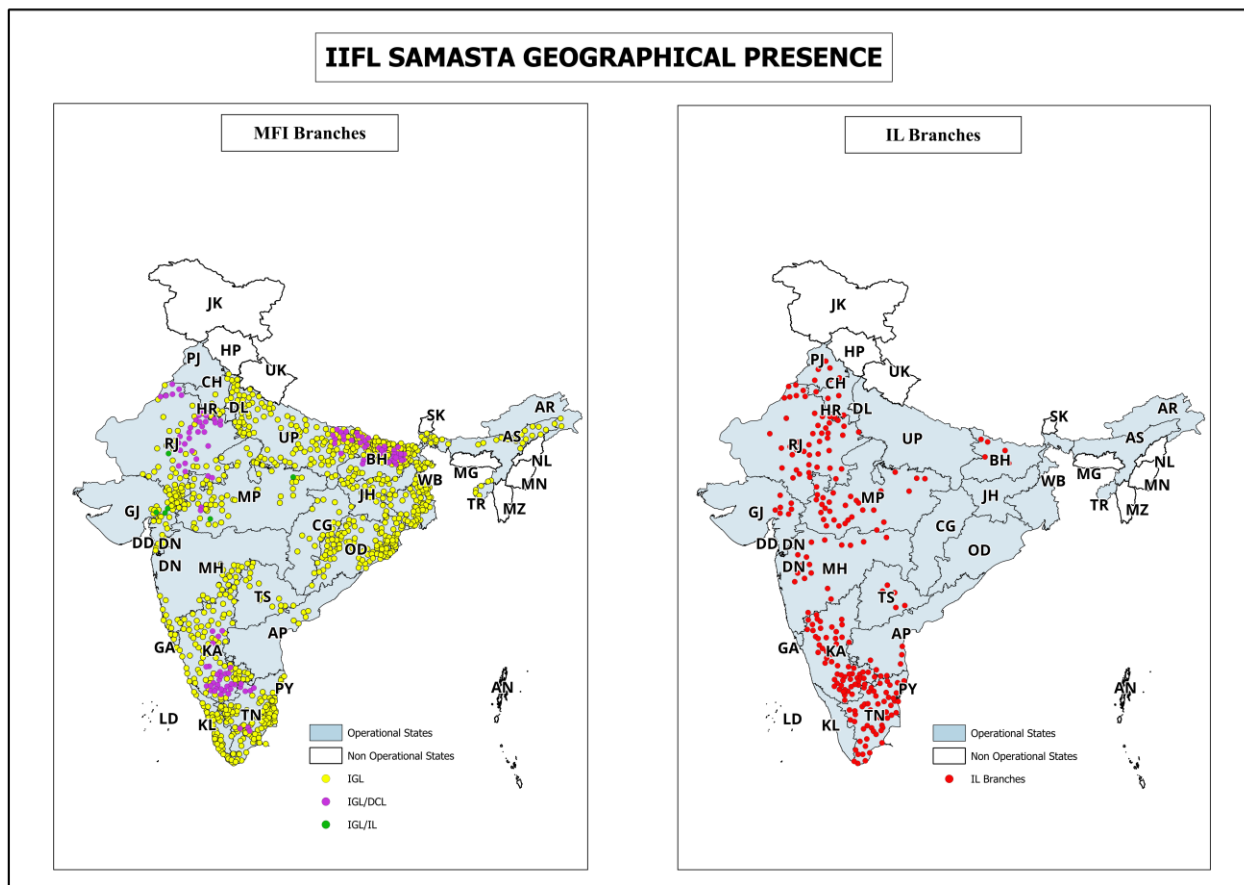

Our operations are focused on low income households engaged in economic activity with limited access to formal financial institutions and our goal is to provide customers with financial support for all their financial needs throughout their life cycle. Our focus customer segment is women with an annual household income of less than ₹ 3,00,000. We offer collateral free loans to women, who are willing to borrow in a group and are agreeable to accept joint liability for the loans, and this forms the premise of our JLG model.

We believe that the JLG model is advantageous to both us and our customers. Through this model, our customers, who typically do not have collateral to take up loans, are able to gain access to credit. The JLG model also provides built-in support for our customers, in both good and bad financial circumstances. Delivering financial services through groups also benefits us, as it allows us to have better operational control and efficiency, lower transaction costs and increase the number of customers. For IGL, we presently focus on areas such as agriculture, allied agriculture activities, retail trade, services, manufacturing under small sectors, water and sanitation, other activities under priority sector and emergent needs. We review and revise these lending areas in relation to our IGL and revise them from time to time. Consumer product loans are also provided to customers to upgrade their lifestyle with consumer products such as fridge, TV, washing machines, induction stoves, solar bulbs etc.

While we have traditionally provided loans under the JLG model, we also offer individual retail finance loans for customers who have been our customers for at least two years and fulfil certain other eligibility criteria linked primarily to their credit history with us, income, and business position, are more entrepreneurial, and have graduated from the JLG model.

Our Products

Our wide range of financial products are designed according to the various life cycle needs of our customers.

Set forth below are certain details in relation to our key products:

A. Group Lending Products

(i) Income Generation Loans (IGL)

IGL are offered to customers to establish a new enterprise or expand an existing business. For instance, loans may be disbursed to set up a grocery store, buy cattle, install new machinery or purchase raw materials. The loans also meet the additional working capital requirements of a customer's business. We provide three categories of IGL to our customers:

- **Samridhhi – IGL:** The Income Generating Loans (IGL) of the Company are offered to women clients based on JLG (Joint Liability Group) model. Under this scheme, a sum of money between ₹ 25,000 and ₹ 80,000 is given as loan for enhancing the income generating potential of the women and helping them improve their financial status and tenor ranging from 12-36 months. These are close-ended and unsecured instalment-based loans targeted at a section of the Indian society which lives in rural India and does not have regular access to banks and other financial institutions to serve their financial need;
- **Samvardhana-Top Up Loan:** This supports customers in enhancing their financial capabilities by offering top-up loans. These loans are exclusively provided to Income Generating Loan (IGL) customers with a commendable repayment history so that they can access more cash and boost their income generation activities, ranging from ₹ 15,000 to ₹ 35,000 and tenor ranging from 6-24 months. By being able to access more cash through top-up loans,

customers can amplify their income generation activities and further augment their financial prospects.

Operations

A. Joint Liability Group Lending Business Processes

Set forth below are details of the joint liability group (JLG) processes followed by us:

(a) Target customers

Our target customers in the JLG business include rural and semi-urban self-employed women.

(b) Customer Due Diligence Processes

Our Company obtains the originally verified documents from each individual customer while establishing an account-based relationship. The primary KYC documents used for MFI customers are as follows:

KYC

- Minimum 2 KYC is mandatory for applicant.
- All KYC / originally verified documents must have address either in customer's name or in spouse or in the name of direct relation like (Son, Father in-law, Mother in-law etc.).
- If customer only has voter id slip in such scenario branch credit manager /account credit manager should verify the voter id details from Voter id web portal printout of the same has to be attached with customer signature and branch credit manager signature.
- All KYC collection and policy for microfinance is as per KYC policy of our Company.

(c) Loan application and acceptance process

The loan application is sourced by our Company through its customer relationship officers through a centre disbursement model. A pre-group recognition test is conducted for the customers to give complete information on the product, terms and conditions and repayment criteria, along with providing them financial training related to opening of bank accounts, digital repayments etc. The following is the eligibility criteria for customers to avail an MFI loan with the company:

- The applicant must be within 18-55 years at the time of loan sanctioning for IGL - 1st cycle loans. She must be within 18-60 years at the time of loan sanctioning for IGL - subsequent cycle loans, top up loans and product loans.
- The maximum annual income must be less than ₹ 3,00,000.
- Divorced, widow and unmarried female with more than 35 years at the time of loan application and maximum as per the above policy at the time of loan Sanctioning is eligible for a loan from our Company.
- It is ensured that the customers make use of their loans for their enhancement of their income and financial standard. The customer's residence is also visited by our customer relationship officers. Once an application is logged into the system, the branch manager performs the group recognition test and visits the residence of the customer and ascertains the identity and residential status of the customer.

(d) Loan Evaluation

Post the group recognition test by branch manager, the loan evaluation is done by the field credit team who shall look into the existing outstanding of the other loans of the customer, along with the credit and repayment history.

(e) Loan Sanction and Further Processing

Once an application is thoroughly analysed and meets the eligibility criteria, the branch credit manager sanctions the loan application. The head office team then verifies the customer's bank account using a beneficiary check process. Post this, the customer is informed the disbursement date where she has to visit the branch for E-sign disbursement process. Our Company currently performs 100% online disbursements and verifies customer authenticity through e-sign.

(f) Loan Repayment Process

The repayment frequency for MFI customers is fortnightly and monthly. Multiple modes of repayment are provided to the customer. The general practice remains that the customer relationship officers visits the center on the center repayment date and collects the EMIs/EFIs in form of cash or online repayment. Our Company is at the forefront of driving digital collection mechanisms through UPI/BBPS and other modes.

B. Retail Finance Lending and Lifestyle and family welfare lending Business Processes

Under retail finance lending and lifestyle and family welfare lending, we provide individual retail finance loans to customers who fulfil certain other eligibility criteria linked primarily to their credit history, income, and business position. There are two types of retail finance loans provided by the company - secured and unsecured. Unsecured retail loans are provided to customers basis their business position or salary and credit history. Secured retail loans are relatively of higher ticket sizes and are provided to customers against collateral as per the policy norms.

(a) Target customers

In order to be eligible for retail finance products, customers have to satisfy the following basic criteria, which include:

- Both female and male customers with business vintage of more than 3 years;
- Fixed obligations to income ratio of 55% and
- Continuous cash inflows through business.

(b) Structure and Role Segregation

The retail finance business unit is structured in such a way as to carry out the processes in a systematic and orderly manner. This is achieved by organising various functions in clear verticals and defining the roles and responsibilities of each vertical. It also defines the turnaround time to be achieved by each vertical while carrying out their functions. The current structure can be divided into following three broad functions:

- *Business team:* The business team is responsible for sourcing the loan and ensuring that the basic criteria of the clients are met. They collect the necessary documents for assessing the eligibility of the client and are responsible for conducting the due diligence at the basic level. At management level once their cases are sanctioned they ensure that the customers are genuine by conducting a field inspection. Post disbursement they monitor the loan utilisation status to ensure the fund is used only for genuine purposes.
- *Credit and operations team.* Once the business team has completed the primary analysis and completed the login, the file is pushed to the credit team for analysis. At this stage they conduct the credit appraisal by using tools like debt burden ratio and cash flow analysis of the client and the co-applicant to understand the repayment capacity of the client along with Credit score. They are responsible for sanctioning a case and once a case is sanctioned they are pushed to the operations team for disbursement.
- *Business Support and Risk team.* The Business support team and the operations team do the back-end work and push the file for disbursement.

(c) Customer Due Diligence, Credit Appraisal, Sanction and Disbursement

The credit appraisal is done by the credit manager using the matrices which have been approved by higher committees. They conduct a de-dupe check and ensure similar cases are not there in the system. Their credentials are passed through CIBIL to obtain the rating as per industry standards. If the rating is acceptable the official field verification and reference certification of the potential customer happens. The repayment capacity of the client is assessed through cash flow analysis and to ensure that the customer is not overburdened, a debt burden ratio is also calculated. Once the figures are acceptable the credit team sanctions the case and the same is pushed for disbursement. The disbursement happens in the central office which is controlled and coordinated by the operations team.

(d) Loan Repayment Process

The NACH mandate is collected from the customer as per standard norms. If the business team is unable to collect the NACH in time, they may be allowed to use the PDC cheque or cash collection only for the first instalment. This time frame shall be utilised by the team for enabling the collection through NACH.

(e) Loan Utilization Check

The end use monitoring of the fund is done by the business team before the first collection date.

Collaboration with credit bureaus

We work with credit bureaus like Transunion CIBIL, Equifax, CRIF Highmark, Experian. The credit bureaus help identify overlapping microfinance borrowers, their overall loan exposure and incidents of high default. Every loan given by us undergoes a credit check with the credit bureaus and this verification process has been completely integrated into the loan delivery processes and is instrumental in minimizing instances of borrower over-indebtedness. The entire process is automated and centralized which enables a high level of controls in this process.

Risk Management

We have a multi-layered risk management process for identifying, managing, and mitigating risks arising across risk-taking activities in the organisation to ensure sustainable profitability. The cornerstones of our business model are customer service, outreach and financial inclusion, innovation, technology, proactive risk management and sustainable growth. For example, we do not engage in activities, trade instruments or otherwise enter into risks that do not have a clear relationship to the mission of the institution. The management of risks is the responsibility of all senior management and of all staff in

all business lines. Each line of business is responsible for managing its own risks.

Risk Management Committee (RMC) assists the Board with oversight of strategies, policies and procedures related to the management of all risk types. Risk Management function is headed by the Chief Risk Officer (“CRO”) who is primarily responsible for overseeing the development and implementation of our risk management function. The CRO is also responsible for supporting the RMC in the development and implementation of our annual risk plan. The CRO, together with management forms an executive committee which is actively engaged in the process of setting risk measures and limits for the various business lines and monitoring their performance relative to risk-taking and limit adherence. Internal Audit team directly reports to the Audit Committee and has free and unrestricted access to the Board. Risk management committee oversees on implementation of annual risk management plan. Risks are reported to RMC monitored by CRO and management team and quarterly updates are provided. There is free and unrestricted access for internal audit team to the Board. Risk management framework is overseen by board committees (annual risk management plan, periodic updates presented, etc.)

To ensure that all our departments deliver the expected level of support that is instrumental for the execution of risk management activities at an organizational level, a Management Level Risk Committee is formed. Management Level Risk Committee (MLRC) comprises of Managing Director, Chief Executive Officer, Chief Audit Officer, Chief Financial Officer, Chief Technology Officer, and Chief Risk Officer. The Management Level Risk Committee meetings are held at least once a month or more frequently if the need arises. The Management Level Risk Committee monitors management of our major risks in general. The Management Level Risk Committee takes an integrated view of the risks we face and issues specific directives to the respective departments, business lines, regions and branches for necessary action in order to mitigate such risks.

Following are the basic building blocks of risk management structure:-

Credit Risk Management

As a micro finance company (MFI), IIFL Samasta Finance Limited is prone to significant credit risk. Credit risk is the largest source of risk and hence a specific focus on identification, measurement, monitoring and mitigation of credit risk is important. The Company has established underwriting norms that ensure that customer selection is done after evaluating repayment capacity and track record. It views the performance of different products/geographies/segment and the risk perceived in the segment, the company defines exposure ceiling for aggregate commitments to specific geographies and categories of borrowers etc. Further, periodic checks and regular monitoring helps us in timely identification of customers or groups with early signs of default risk and/or increasing risk, enabling timely remedial measures. To minimize risk of identity related fraud, the Company performs know-your-customer authentications in collaboration with Karza Technologies, a digital on-boarding and risk mitigating application programming interface. The risk management guidelines issued by RBI continue to act as a guiding factor while formulating and implementing the risk system in the company.

Operational Risk Management

Apart from credit risks which can be clearly defined, the organization also faces risks which can emanate from a range of sources including processes, people, systems, external events and can lead to substantial drag on earnings or threaten solvency in rare cases. This section sets out the broad policy framework for identification, measurement, monitoring and mitigation of operational risks. The Company *inter alia* follows methods to identify and assess operational risk; such as risk and control self-assessment, key risk indicators, loss event management.

Market and Liquidity Risk Management

The Company has adopted conservative policies aimed at ensuring there is no asset liability mismatch, liquidity risk or interest risk. We engage in external borrowings in a manner that is compliant with our board-approved borrowing policies. Our borrowing committee works under the supervision of our Board to ensure that our cost of borrowings, interest rates for our borrowings and draw-downs on our loan facilities are well managed. Our risk management team, led by our chief risk officer, closely monitors the trends and movements of cash in hand at the branch level, in order to timely flag any abnormality in cash holdings to minimize risk of theft, robbery and fraud.

Operational Business Support Team

The business support team (“BST”) is a function established within our field operations and staff members report to Business Heads to enhance proactive monitoring of our operations.

Head Office – Infrastructure, Control and Support

To manage our branch and geographic expansion, we have strengthened the infrastructure, support and control functions at our head office. Our head office has adequate infrastructure and manpower to support our branches and field operations. The support functions such as Finance, Treasury, Accounts, Strategy and Planning, IT, Risk, HR, Audit, Grievance and Centralized Operations have been adequately staffed with the necessary personnel who are professionally competent to manage our growth.

Regional Processing Centers

Every new customer data entry takes place at centralized locations known as Regional Processing Centres. Regional Processing Centers help to improve controls in the following manner:

- check data entry of newly enrolled customers;
- improve and maintain integrity in data quality;
- independent data entry of new customers; and
- ensure complete and proper documentation.

As of September 30, 2023, 21 Regional Processing Centers 5 Zonal Offices located across the country.

Human Resources

As of September 30, 2023, we had 14,286 employees (including trainees). We primarily recruit loan officers at entry levels. Fresh candidates from rural backgrounds are employed and adequately trained. After gaining sufficient experience, loan officers are promoted internally to take up bigger and more important roles. We abide by our values of being committed, reliable, empathetic, accountable, transparent and efficient. We try our best to ensure that our values are genuinely and consistently promulgated in our Company. We have also implemented an ESOP scheme for our employees, along with a range of incentives and employee engagement programs such as gratuity, birthday and wedding gifts, staff loans and insurance.

The following table sets a break-up of our employees by function as of the dates indicated:

Customer Grievance Redressal Mechanism

Our customer grievance redressal mechanism was established to address issues which arise out of situations when our customers are either unhappy with the service provided to them or unsatisfied because we fail to meet their expectations, including grievances on overdue balances. The methodology adopted by this department enables customers to reach out to us in an easy and simplistic manner.

Our grievance redressal process addresses the grievances of all our customers and the general public. We have set up a Grievance Redressal Cell (“**GRC**”) to attend to all enquiries and requests of our customers. Staff members of all levels at the GRC and our head office are duty bound to address all concerns of our customers.

Competition

We face significant competition from unorganized, small participants in the market across all our business segments in addition to other small finance banks, scheduled commercial banks, NBFC-MFIs and NBFCs as well as local moneylenders.

In addition, many of our potential customers in the lower income segments do not have access to any form of organized institutional lending, and rely on loans from informal sources, especially money lenders, landlords, local shopkeepers, and traders at much higher interest rates. Therefore, we also face significant competition from these unorganized and unregulated market participants who are prevalent in the semi-urban and rural areas, which are our key areas of focus and whose target customer segment is the same as ours.

KEY REGULATIONS AND POLICIES

The regulations summarized below are not exhaustive and are only intended to provide general information to Investors and are neither designed nor intended to be a substitute for any professional legal advice. Taxation statutes such as the IT Act, GST laws (including CGST, SGST and IGST) and applicable local sales tax statutes, labour regulations such as the Employees State Insurance Act, 1948 and the Employees Provident Fund and Miscellaneous Provisions, Act, 1952, and other miscellaneous regulations such as the Trade Marks Act, 1999 and applicable Shops and Establishments statutes apply to us as they do to any other Indian company and therefore have not been detailed below.

The following description is a summary of certain sector specific laws and regulations in India, which are applicable to our Company and its subsidiary. The information detailed in this chapter has been obtained from publications available in the public domain. The statements below are based on the current provisions of the Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Principal business criteria and NBFC classification

As per the RBI Act, a financial institution has been defined as a company which includes a non-banking institution carrying on as its business or part of its business the financing activities, whether by way of making loans or advances or otherwise, of any activity, other than its own and it is engaged in the activities of loans and advances, acquisition of shares/stock/bonds/debentures/securities issued by the Government of India or other local authorities or other marketable securities of like nature, leasing, hire-purchase, insurance business, chit business but does not include any institution whose principal business is that of carrying out any agricultural or industrial activities or the sale/purchase/construction of immovable property.

As per prescribed law any company that carries on the business of a non-banking financial institution as its 'principal business' is to be treated as an NBFC. The term 'principal business' has not been defined in any statute; however, RBI has clarified through a press release (*Ref. No. 1998-99/1269*) issued in 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide a company's principal business. The company will be treated as an NBFC if its financial assets are more than 50 per cent of its total assets (netted off by intangible assets) and income from financial assets should be more than 50 per cent of the gross income. Both these tests are required to be satisfied in order to determine the principal business of a company.

Every NBFC is required to submit to the RBI a certificate in the form DNBS 10, from its statutory auditor within one month from the date of finalisation of the balance sheet and in any case, not later than December 30 of that year, stating that it is engaged in the business of non-banking financial institution requiring it to hold a certificate of registration.

NBFCs are primarily governed by the RBI Act, Master Direction – Reserve Bank of India (Non-Banking Financial Company –Scale Based Regulation) Directions, 2023, Peer to Peer Lending Platform (Reserve Bank) Directions, 2017, Master Direction– Non-Banking Financial Company - Account Aggregator (Reserve Bank) Directions, 2016, Reserve Bank Commercial Paper Directions, 2017 and the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016. In addition to these regulations, NBFCs are also governed by various circulars, notifications, guidelines and directions issued by the RBI from time to time.

Although by definition, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important and key differences. The most important distinctions are:

- An NBFC cannot accept deposits repayable on demand – in other words, NBFCs can only accept fixed term deposits. Thus, NBFCs are not permitted to issue negotiable instruments, such as cheques which are payable on demand; and
- NBFCs are not allowed to deal in foreign exchange, even if they specifically apply to the RBI for approval in this regard, unless they have received an Authorised Dealer Category II licence from the RBI.

The major regulations governing our Company are detailed below:

On October 19, 2023 RBI issued Master Direction – Reserve Bank of India (Non-Banking Financial Company –Scale Based Regulation) Directions, 2023 ("**SBR Directions**"). A Revised Regulatory Framework for NBFCs whereby NBFCs have been categorised into following four layers based on their size, activity, and perceived riskiness by the RBI:

- i. NBFC- Base Layer (“**NBFC-BL**”);
- ii. NBFC- Middle Layer (“**NBFC-ML**”);
- iii. NBFC- Upper layer (“**NBFC-UL**”); and
- iv. NBFC- Top Layer (“**NBFC-TL**”)

The NBFC- BL comprise of (a) non-deposit taking NBFCs below the asset size of ₹ 1,000 crore and (b) NBFCs undertaking the following activities- (i) NBFC-Peer to Peer Lending Platform (NBFC-P2P), (ii) NBFC-Account Aggregator (NBFC-AA), (iii) Non-Operative Financial Holding Company (NOFHC) and (iv) NBFCs not availing public funds and not having any customer interface.

The NBFC- ML consist of (a) all deposit taking NBFCs (“**NBFC-Ds**”), irrespective of asset size, (b) non-deposit taking NBFCs with asset size of ₹ 1,000 crore and above and (c) NBFCs undertaking the following activities (i) Standalone Primary Dealers (SPDs)– (ii) Infrastructure Debt Fund - Non-Banking Financial Companies (IDF-NBFCs), (iii) Core Investment Companies (CICs), (iv) Housing Finance Companies (HFCs) and (v) Infrastructure Finance Companies (NBFC-IFCs).

The NBFC-UL comprise of those NBFCs which are specifically identified by RBI as warranting enhanced regulatory requirement based on a set of parameters and scoring methodology as provided in annexure 1 to SBR Directions. The top ten eligible NBFCs in terms of their asset size shall always reside in the upper layer, irrespective of any other factor.

The NBFC-TL will ideally remain empty. This layer can get populated if RBI is of the opinion that there is a substantial increase in the potential systemic risk from specific NBFC-Upper Layer. Such NBFC shall move to the NBFC-Top Layer. Pursuant the SBR Direction the criteria of asset size of non-deposit NBFCs for classification as non-systemically important for the purpose of regulatory structure of NBFCs have been increased from ₹ 5,00 crore to ₹ 1,000 crore (“**NBFC-ND**”).

Therefore, NBFCs with asset size of over ₹ 1,000 crore have been considered risky and will fall under middle layer (“**NBFC-ML**” / “**NBFC-ND-SI**”). SBR Directions provide that from October 01, 2022 references to NBFC-ND shall mean NBFC-BL and all references to NBFC-D and NBFC-ND-SI shall mean NBFC-ML or NBFC-UL, as the case may be. SBR Framework clarified that existing NBFC-ND-SIs having asset size of ₹ 500 crore and above but below ₹ 1,000 crore (except those necessarily featuring in NBFC-Middle Layer) will be known as NBFC-BL.

As on date of filing of this Draft Shelf Prospectus the Company falls under the category of NBFC-ML, as its assets size is above ₹ 1,000 crore, as per the last audited balance sheet. SBR Directions provide that NBFC-ML shall be subject to regulations as specified in section III, In addition, regulatory instructions applicable to NBFC-BL as specified in section II shall also be applicable to NBFC-ML, unless stated otherwise.

As of date of this Draft Shelf Prospectus, the NBFC-ML are governed by updated SBR Directions and other applicable laws.

I. Types of NBFCs

NBFCs have been classified on the basis of the types of liabilities they access, types of activities they pursue and their perceived systemic importance.

Liabilities-based classification

NBFCs are classified on the basis of liabilities into two broad categories – a) deposit taking and b) non-deposit taking. Deposit taking NBFCs (NBFC – D) are subject to requirements of stricter capital adequacy, liquid assets maintenance, and exposure norms etc.

Further, in 2015, non-deposit taking NBFCs with asset size of INR 500 crore and above were labelled as ‘systemically important non-deposit taking NBFCs’ (NBFC – ND – SI) and separate prudential regulations were made applicable to them.

Activity-based classification

As per the RBI notification dated February 22, 2019, the RBI merged the three categories of NBFCs viz. Asset Finance Companies (AFCs), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC – Investment and Credit Company (NBFC- ICC) with the below definition: “Investment and Credit Company – (NBFC-ICC)” means any company which is a financial institution carrying on as its principal business – asset finance, the

providing of finance whether by making loans or advances or otherwise for any activity other than its own and the acquisition of securities; and is not any other category of NBFC.

Within this broad categorization the different types of NBFCs are (a) investment and credit companies, (b) infrastructure finance companies, (c) infrastructure debt fund, (d) NBFC – micro finance institutions, (e) NBFC – factors, (f) NBFC – non-operative financial holding company, (g) systemically important core investment companies and (h) mortgage guarantee companies.

Our Company is a Non-Banking Financial Company–Micro Finance Institution (“**NBFC-MFI**”). NBFCs MFIs have to fulfil the following conditions: (a) Minimum Net Owned Funds of ₹ 5 crore. (For NBFC-MFIs registered in the North-Eastern Region of the country, the minimum NOF requirement shall stand at ₹2 crore); (b) Not less than 75 per cent of its total assets are in the nature of “microfinance loans” as defined under Reserve Bank of India (Regulatory Framework for Microfinance Loans) Directions, 2022.

II. Types of Activities that NBFCs are permitted to carry out

Although, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important and key differences. The most important distinctions are:

- (a) an NBFC cannot accept deposits repayable on demand;
- (b) NBFCs do not form part of the payment and settlement system and cannot issue cheques drawn on itself; and
- (c) deposit insurance facility of Deposit Insurance and Credit Guarantee Corporation is not available to depositors of NBFCs, unlike in case of banks.

III. Regulatory requirements of an NBFC under the RBI Act

Net Owned Fund

The current net owned fund requirement for NBFC-MFI is ₹ 5 crore (₹ 2 crore in North-Eastern Region). SBR Directions has incrementally revised the net owned fund requirement for the NBFC-MFI for achieving the net owned fund: (i) that minimum net owned fund requirement of ₹ 7 crore (₹5 crore in North-Eastern Region) by March 31, 2025; and (ii) ₹ 10 crore by March 31, 2027. For this purpose, the RBI Act has defined “net owned fund” to mean:

Net Owned Fund - The aggregate of the paid-up equity capital and free reserves as disclosed in the latest balance sheet of the company, after deducting (i) accumulated balance of losses, (ii) deferred revenue expenditure, (iii) deferred tax asset (net); and (iv) other intangible assets; and further reduced by the amounts representing,

- i. investment by such companies in shares of (i) its subsidiary, (ii) companies in the same group, (iii) other NBFCs; and
- ii. the book value of debentures, bonds, outstanding loans and advances (including hire purchase and lease finance) made to, and deposits with (i) subsidiary of such companies; and (ii) companies in the same group, to the extent such amount exceeds 10 per cent of (a) above.

In addition to the above, Section 45-IC of the RBI Act requires NBFCs to create a reserve fund and transfer therein a sum of not less than 20% of its net profits earned annually before declaration of dividend. Such a fund is to be created by every NBFC irrespective of whether it is a ND NBFC or not. Such sum cannot be appropriated by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation is required to be reported to the RBI within 21 days from the date of such appropriation.

IV. SBR Master Directions

The SBR Master Directions contains specific directions on prudential regulations for Non-Banking Finance Company-Micro Finance Institutions having an asset size of ₹ 500 crores or more (“**NBFC-MFIs**”) under section VI. The SBR Master Directions, amongst other requirements prescribe guidelines for income recognition, asset classification, provisioning requirements, constitution of audit committee, capital adequacy requirements and concentration of credit/investment and pricing of credit, transparency in interest rates for applicable NBFCs, including NBFC-MFIs.

Capital Requirement as applicable to NBFC-MFIs

NBFC-MFIs shall maintain a capital adequacy ratio consisting of Tier 1 and Tier 2 capital which shall not be less than

15 percent of its aggregate risk weighted assets of on-balance sheet and of risk adjusted value of off-balance sheet items. The total of Tier 2 capital at any point of time, shall not exceed 100 percent of Tier 1 capital. The treatment to on-balance and off-balance sheet assets for capital adequacy shall be as provided in paragraph 84 and 85 of the SBR Directions respectively.

NBFC-MFIs shall make provisions for standard assets at 0.40 percent of the outstanding, which shall not be reckoned for arriving at net NPAs. The provision towards standard assets need not be netted from gross advances but shall be shown separately as 'Contingent Provisions against Standard Assets' in the balance sheet.

Provisioning Norms as applicable to NBFC-MFIs

The aggregate loan provision to be maintained by NBFC-MFIs at any point of time shall not be less than the higher of:

- (a) 1 percent of the outstanding loan portfolio; or
- (b) 50 percent of the aggregate loan instalments which are overdue for more than 90 days and less than 180 days and 100 percent of the aggregate loan instalments which are overdue for 180 days or more.

In cases where the advance covered by Credit Risk Guarantee Fund Trust for Low Income Housing (CRGFTLIH) guarantee becomes non-performing, no provision need be made towards the guaranteed portion. The amount outstanding in excess of the guaranteed portion shall be provided for as per provisioning norms applicable on other NBFCs and as mentioned in paragraph 15 of the SBR Master Directions.

Provisioning for standard assets are at 0.40 percent of the outstanding, which shall not be reckoned for arriving at net NPAs. The provision towards standard assets need not be netted from gross advances but shall be shown separately as 'Contingent Provisions against Standard Assets' in the balance sheet.

Asset Classification as applicable to NBFC-MFIs

The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business are classified as standard assets. Assets for which, interest/principal payment have remained overdue for a period of more than 90 days are classified as non-performing asset.

Geographical Diversification

NBFC-MFIs are required to approach their boards for fixing internal exposure limits to avoid an undesirable concentration in specific geographical locations.

Formation of SRO

All NBFC-MFIs shall become member of at least one Self-Regulatory Organization (SRO) which is recognized by RBI and shall also comply with the Code of Conduct prescribed by the SRO.

Directions for Microfinance Loans

Microfinance loans of NBFCs are guided by the Reserve Bank of India (Regulatory Framework for Microfinance Loans) Directions, 2022, as amended from time to time. An NBFC, which does not qualify as an NBFC-MFI shall extend microfinance loans, which in aggregate does not exceed 25 percent of its total assets.

Asset Liability Management

Under the terms of SBR Master Directions, NBFCs having an asset base of ₹ 100 crore or more as per their last audited balance sheet are required to comply with the 'RBI Guidelines on liquidity Risk Management Framework' ("**LRM Framework**"). The RBI has prescribed the Guidelines for asset liability management ("**ALM**") system in relation to NBFCs through LRM Framework. The LRM Framework provide that the applicable NBFCs should ensure sound and robust liquidity risk management system, the board of directors of the NBFC shall frame a liquidity risk management framework which ensures that it maintains sufficient liquidity, including a cushion of unencumbered, high quality liquid assets to withstand a range of stress events, including those involving the loss or impairment of both unsecured and secured funding sources. The liquidity risk management policy should spell out the entity-level liquidity risk

tolerance; funding strategies; prudential limits; system for measuring, assessing and reporting/ reviewing liquidity; framework for stress testing; liquidity planning under alternative scenarios/formal contingent funding plan; nature and frequency of management reporting; periodical review of assumptions used in liquidity projection; etc.

The NBFC shall appoint risk management committee (“**RMC**”) consisting of chief executive officer (“**CEO**”)/ managing director (“**MD**”) and heads of various risk verticals, who shall be responsible for evaluating the overall risks faced by the NBFC including liquidity risk. Further, applicable NBFCs have to constitute asset liability management committee (“**ALCO**”) consisting of the NBFC’s top management shall be responsible for ensuring adherence to the risk tolerance/limits set by the board of directors as well as implementing the liquidity risk management strategy of the NBFC. The CEO/ MD or the Executive Director (ED) should head the ALCO. The role of the ALCO with respect to liquidity risk should include, *inter alia*, decision on desired maturity profile and mix of incremental assets and liabilities, sale of assets as a source of funding, the structure, responsibilities and controls for managing liquidity risk, and overseeing the liquidity positions of all branches.

In addition to RMC and ALCO, applicable NBFCs shall constitute asset liability management support group (“**ALM Support Group**”). ALM Support Group consist of the operating staff responsible for analysing, monitoring and reporting the liquidity risk profile to the ALCO. The maturity profile should be used for measuring the future cash flows of NBFCs in different time buckets. Within each time bucket, there could be mismatches depending on cash inflows and outflows. While the mismatches up to one year would be relevant since these provide early warning signals of impending liquidity problems, the main focus shall be on the short-term mismatches, viz., 1-30/ 31 days. The net cumulative negative mismatches in the statement of structural liquidity in the maturity buckets 1-7 days, 8-14 days, and 15-30 days shall not exceed 10 percent, 10 percent and 20 per cent of the cumulative cash outflows in the respective time buckets. NBFCs, however, are expected to monitor their cumulative mismatches (running total) across all other time buckets upto 1 year by establishing internal prudential limits with the approval of the board of directors. NBFCs shall also adopt the above cumulative mismatch limits for their structural liquidity statement for consolidated operations. Other than liquidity risk the applicable NBFC has to currency risk and interest rate risk under the terms of LRM Framework.

Instructions on Managing Risks and Code of Conduct in Outsourcing

With a view to put in place necessary safeguards applicable to outsourcing of activities by NBFCs, the SBR Directions under Annex VIII provides directions on managing risks and code of conduct in outsourcing of financial services by NBFCs. These directions specify that core management functions like internal auditing, compliance functions, decision making functions such as compliance with KYC norms shall not be outsourced by NBFCs. Further, outsourcing of functions shall not limit its obligations to its customers.

V. Reserve Bank of India (Know Your Customer (KYC)) Master Directions, 2016 dated February 25, 2016, as amended (“RBI KYC Directions”)

The RBI KYC Directions are applicable to every entity regulated by the RBI, specifically, scheduled commercial banks, regional rural banks, local area banks, primary (urban) co-operative banks, state and central co-operative banks, all India financial institutions, NBFCs, miscellaneous non-banking companies and residuary non-banking companies, amongst others. In terms of the RBI KYC Directions, every entity regulated thereunder is required to formulate a KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the RBI KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. All NBFC’S adopt the same with suitable modifications depending upon the activity undertaken by them and ensure that a proper policy framework of anti-money laundering measures is put in place. The RBI KYC Directions provide for a simplified procedure for opening accounts by NBFCs. It also provides for an enhanced and simplified due diligence procedure. It has prescribed detailed instructions in relation to, *inter alia*, the due diligence of customers, record management, and reporting requirements to Financial Intelligence Unit – India.

The RBI KYC Directions have also issued instructions on sharing of information while ensuring secrecy and confidentiality of information held by banks and NBFCs. The regulated entities must also adhere to the reporting requirements under Foreign Account Tax Compliance Act and Common Reporting Standards. The RBI KYC Directions also require the regulated entities to ensure compliance with the requirements/obligations under international agreements. The regulated entities must also pay adequate attention to any money-laundering and financing of terrorism threats that may arise from new or developing technologies and ensure that appropriate KYC procedures issued from time to time are duly applied before introducing new products/services/technologies. The RBI KYC Directions were updated on April 20, 2018 to enhance the disclosure requirements under the Prevention of Money-Laundering Act,

2002 and in accordance with the Prevention of Money-Laundering Rules vide Gazette Notification GSR 538 (E) dated June 1, 2017 and the final judgment of the Supreme Court in the case of Justice K.S. Puttaswamy (Retd.) & Another v. Union of India (Writ Petition (Civil) 494/2012). The Directions were updated to accommodate authentication as per the AADHAR (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and use of an Indian resident's Aadhar number as a document for the purposes of fulfilling KYC requirement. The RBI KYC Directions were further updated on January 9, 2020 with a view to leveraging the digital channels for customer identification process by regulated entities, whereby the RBI has decided to permit video-based customer identification process as a consent based alternate method of establishing the customer's identity, for customer onboarding.

VI. Accounting Standards & Accounting policies

NBFCs that are required to implement Indian Accounting Standards ("**Ind AS**") as per the Companies (Indian Accounting Standards) Rules, 2015 ("**Accounting Standard Rules**") shall prepare their financial statements in accordance with Ind AS notified by the Government of India and shall comply with the regulatory guidance specified in the SBR Master Directions. Disclosure requirements for notes to accounts specified in the SBR Master Directions shall continue to apply. Other NBFCs shall comply with the requirements of notified Accounting Standards (AS) insofar as they are not inconsistent with SBR Master Directions. The Ministry of Corporate Affairs ("**MCA**"), in its press release dated January 18, 2016, issued a roadmap for implementation of Ind AS converged with IFRS for non-banking financial companies, scheduled commercial banks, insurers, and insurance companies, which was subsequently confirmed by the RBI through its circular dated February 11, 2016. The Accounting Standard Rules were subsequently amended by MCA press release dated March 30, 2016. The Accounting Standard Rules stipulates that NBFCs whose equity and/or debt securities are listed or in the process of listing on any stock exchange in India or outside India and having a net worth of less than ₹500 crore, shall comply with Ind AS for accounting periods beginning on or after the 1st April, 2019, with comparatives for the periods ending on March 31, 2019, or thereafter.

Implementation of Indian Accounting Standards: RBI Notification

The Reserve bank of India vide notification number RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/ 2019-20 dated March 13, 2020 framed regulatory guidance on Ind AS which will be applicable on Ind AS implementing NBFCs and Asset Reconstruction Companies (ARCs) for preparation of their financial statements from financial year 2019-20 onwards. These guidelines focus on the need to ensure consistency in the application of the accounting standards in specific areas, including asset classification and provisioning, and provide clarifications on regulatory capital in the light of Ind AS implementation.

Guidelines for Appointment of Statutory Central Auditors (SCAs)/Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) dated April 27, 2021

The circular puts in place ownership-neutral regulations, ensuring independence of auditors, avoiding conflict of interest in auditor's appointments and to improve the quality and standards of audit in RBI Regulated Entities. These guidelines shall streamline the procedure for appointment of Statutory Auditors across all the Regulated Entities and ensure that appointments are made in a timely, transparent and effective manner.

Master Direction – Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions, 2016

In addition to the report made by the auditor under Section 143 of the Companies Act, 2013 on the accounts of an NBFC-ML, the auditor shall make a separate report to the Board of Directors of the company on *inter alia* examination of validity of certificate of registration obtained from the RBI, whether the NBFC is entitled to continue to hold such certificate of registration in terms of its Principal Business Criteria (financial asset / income pattern) as on 31st March of the applicable year, whether the NBFC is meeting the required net owned fund requirement, whether the board of directors has passed a resolution for non-acceptance of public deposits, whether the company has accepted any public deposits during the applicable year, whether the company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it, whether the capital adequacy ratio as disclosed in the return submitted to the RBI in DNBS-10-Statutory Auditor Certificate (SAC) return, has been correctly arrived at and whether such ratio is in compliance with the minimum CRAR prescribed by RBI, whether the company has furnished to RBI the annual statement of capital funds, risk assets/exposures and risk asset ratio within the stipulated period.

Risk-Based Internal Audit (RBIA)

An independent and effective internal audit function in a financial entity provides vital assurance to the board of directors and its senior management of NBFC regarding the quality and effectiveness of the entity's internal control, risk management and governance framework. The essential requirements for a robust internal audit function include, inter alia, sufficient authority, proper stature, independence, adequate resources and professional competence. RBI vide its circular dated February 03, 2021, mandated all non-deposit taking NBFCs (including Core Investment Companies) with asset size of ₹ 5,000 crore and above; and all UCBs having asset size of ₹ 500 crore and above to implement the RBIA framework by March 31, 2022.

Supervisory Framework

In addition to the auditor's report under Section 143 of the Companies Act, 2013 the auditors are also required to make a separate report to the Board of Directors on certain matters, including correctness of the capital adequacy ratio as disclosed in the return DNBS-10 to be filed with the RBI and its compliance with the minimum CRAR, as may be prescribed by the RBI. Where the statement regarding any of the items referred relating to the above, is unfavorable or qualified, or in the opinion of the auditor the company has not complied with the regulations issued by RBI, it shall be the obligation of the auditor to make a report containing the details of such unfavourable or qualified statements and/or about the non-compliance, as the case may be, in respect of the company to the concerned Regional Office of the Department of Non-Banking Supervision of the Bank under whose jurisdiction the registered office of the company is located.

VII. Master Direction- Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016

All NBFCs are required to put in place a reporting system for filing various returns with the RBI. NBFC-ML are required to file at various intervals on asset-liability management: (a) Statement of Short Term – Dynamic Liquidity - DNBS-04A – Quarterly; (b) Statement of Structural Liquidity and Interest Rate Sensitivity- DNBS-4B – Monthly. In addition to above NBFCs are required to submit Central Repository of Information on Large Credits (“CRILC”) on a monthly basis as well as all Special Mention Accounts-2 (“SMA-2”) status on a weekly basis to facilitate early recognition of financial distress, prompt steps for resolution and fair recovery for lenders.

VIII. Master Direction on Information Technology Framework for the NBFC Sector, 2017

All NBFCs shall have a board approved Information Technology policy/Information system policy.

IX. Master Direction - Monitoring of Frauds in NBFCs (Reserve Bank) Directions, 2016.

RBI has issued Monitoring of Frauds in NBFCs (Reserve Bank) Directions, 2016 (“Fraud Directions, 2016”). As per Fraud Directions, 2016, NBFCs are required to put in place a reporting system for recording frauds to RBI and should fix staff accountability in respect of delays in reporting of fraud cases to the RBI. For this purpose, an official of the rank of general manager or equivalent should be nominated who will be responsible for submitting all the returns to the Bank and reporting referred to in these directions. If NBFCs do not adhere to the applicable time-frame for reporting fraud, they shall become liable for penal action. The Fraud Directions, 2016 classify frauds into the following categories:

- i. Misappropriation and criminal breach of trust;
- ii. Fraudulent encashment through forged instruments, manipulation of books of account or through fictitious accounts and conversion of property;
- iii. Unauthorised credit facilities extended for reward or for illegal gratification;
- iv. Negligence and cash shortages;
- v. Cheating and forgery; vi.
- vi. Irregularities in foreign exchange transactions; and
- vii. Any other type of fraud.

X. Ombudsman scheme for customers of NBFCs

The RBI in public interest and to make the alternate dispute redress mechanism simpler and more responsive integrated the three Ombudsman schemes – (i) the Banking Ombudsman Scheme, 2006, as amended up to July 01, 2017; (ii) the Ombudsman Scheme for Non-Banking Financial Companies, 2018; and (iii) the Ombudsman Scheme for Digital Transactions, 2019 into the Reserve Bank - Integrated Ombudsman Scheme, 2021 (the “**Scheme**”). Every NBFC shall

appoint Principal Nodal Officer in accordance with directions provided under the said Scheme. Further, NBFCs fulfilling the criteria laid down under the circular on 'Appointment of Internal Ombudsman by Non-Banking Financial Companies' dated November 15, 2021 shall appoint the Internal Ombudsman and adhere to the corresponding guidelines.

Any customer aggrieved by an act or omission of a Regulated Entity resulting in deficiency in service may file a complaint under the Scheme personally or through an authorised representative as defined under the Scheme.

XI. Guidelines on Digital Lending

RBI on September 2, 2022 issued guidelines on Digital Lending in lines with recommendations of the Working Group Committee on Digital Lending vide RBI/2022-23/111DOR.CRE.REC.66/21.07.001/2022-23. The Reserve Bank of India (RBI) has issued guidelines to all lenders including banks and NBFCs to protect the data of borrowers using digital lending apps from being misused.

XII. Recovery of debts by NBFCs

The Recovery of Debts due to Banks and Financial Institutions Act, 1993

The Recovery of Debts due to Banks and Financial Institutions Act, 1993 (the “**DRT Act**”) provides for establishment of the Debts Recovery Tribunals (the “**DRTs**”) for expeditious adjudication and recovery of debts due to banks and public financial institutions or to a consortium of banks and public financial institutions. Under the DRT Act, the procedures for recovery of debt have been simplified and time frames have been fixed for speedy disposal of cases. The DRT Act lays down the rules for establishment of DRTs, procedure for making application to the DRTs, powers of the DRTs and modes of recovery of debts determined by DRTs. These include attachment and sale of movable and immovable property of the defendant, arrest of the defendant and his detention in prison and appointment of receiver for management of the movable or immovable properties of the defendant.

The DRT Act also provides that a bank or public financial institution having a claim to recover its debt, may join an ongoing proceeding filed by some other bank or public financial institution, against its debtor, at any stage of the proceedings before the final order is passed, by making an application to the DRT.

The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI Act”)

The SARFAESI Act regulates the securitization and reconstruction of financial assets of banks and financial institutions. The RBI has issued guidelines to banks and financial institutions on the process to be followed for sales of financial assets to asset reconstruction companies. These guidelines provide that a bank or a financial institution or an NBFC may sell financial assets to an asset reconstruction company provided the asset is a Non - Performing Asset (“NPA”). Securitisation Companies and Reconstruction Companies (“SCs/RCS”) are required to obtain, for the purpose of enforcement of security interest, the consent of secured creditors holding not less than 60 per cent of the amount outstanding to a borrower as against 75 per cent. While taking recourse to the sale of secured assets in terms of Section 13(4) of the SARFAESI Act, a SC/RC may itself acquire the secured assets, either for its own use or for resale, only if the sale is conducted through a public auction.

As per the SARFAESI Amendment Act of 2004, the constitutional validity of which was upheld in a recent Supreme Court ruling, non-performing assets have been defined as an asset or account of a borrower, which has been classified by a bank or financial institution as sub-standard, doubtful or loss asset in accordance with directions or guidelines issued by the RBI. In case the bank or financial institution is regulated by a statutory body/authority, NPAs must be classified by such bank in accordance with guidelines issued by such regulatory authority. The RBI has issued guidelines on classification of assets as NPAs. Further, these assets are to be sold on a “without recourse” basis only. The SARFAESI Act provides for the acquisition of financial assets by Securitization Company or Reconstruction Company from any bank or financial institution on such terms and conditions as may be agreed upon between them. A securitization company or reconstruction company having regard to the guidelines framed by the RBI may, for the purposes of asset reconstruction, provide for measures such as the proper management of the business of the borrower by change in or takeover of the management of the business of the borrower, the sale or lease of a part or whole of the business of the borrower and certain other measures such as rescheduling of payment of debts payable by the borrower; enforcement of security.

Additionally, under the provisions of the SARFAESI Act, any securitisation company or reconstruction company may act as an agent for any bank or financial institution for the purpose of recovering its dues from the borrower on payment of such fee or charges as may be mutually agreed between the parties.

Various provisions of the SARFAESI Act have been amended by the Enforcement of Security Interest and Recovery of Debt Laws and Miscellaneous Provisions (Amendment) Act, 2016 as also the Insolvency and Bankruptcy Code, 2016 (which amended S.13 of SARFAESI). As per this amendment, the Adjudicating Authority under the Insolvency and Bankruptcy Code, 2016 shall by order declare moratorium for prohibiting inter alia any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the SARFAESI Act.

Further, in accordance with Ministry of Finance notification no. S.O. 856(E) dated February 24, 2020, the eligibility limit for to enforcement of security interest with respect to secured debt recovery by NBFCs (having assets worth ₹ 100 crore and above) has been reduced from ₹ 1 crore to ₹ 0.50 crore.

Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 (Bankruptcy Code) was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

Prudential Framework for Resolution of Stressed Assets

RBI vide its circular dated June 7, 2019, laid down the Prudential Framework for Resolution of Stressed Assets whereby prescribing the regulatory approach for resolution of stressed assets inter alia by: (i) early recognition and reporting of default by banks, financial institutions and NBFCs in respect of large borrowers; (ii) Affording complete discretion to lenders with regard to design and implementation of resolution plans, in supersession of earlier resolution schemes (S4A, SDR, 5/25 etc.), subject to the specified timeline and independent credit evaluation; (iii) Laying down a system of disincentives in the form of additional provisioning for delay in implementation of resolution plan or initiation of insolvency proceedings; (iv) Withdrawal of asset classification dispensations on restructuring. Future upgrades to be contingent on a meaningful demonstration of satisfactory performance for a reasonable period; and (v) Requiring the mandatory signing of an inter-creditor agreement (ICA) by all lenders, which will provide for a majority decision making criteria. MCA vide notification dated November 15, 2019, issued the Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules, 2019 (“FSP Rules”) inter alia governing the corporate insolvency resolution process and liquidation process of Financial Service Providers (FSPs) under the Bankruptcy Code. The issuance of the FSP Rules has made viable and unified resolution process accessible for the FSPs and their creditors with some procedural differences.

XIII. Other applicable laws

Companies Act, 2013

The Companies Act, 2013 (“**Companies Act**”) has been notified by the Government of India on August 30, 2013 (the “Notification”). Under the Notification, Section 1 of the Companies Act has come into effect and the remaining provisions of the Companies Act have and shall come into force on such dates as the Central Government has notified and shall notify. Section 1 of the Companies Act deals with the commencement and application of the Companies Act and among others sets out the types of companies to which the Companies Act applies. Further the Ministry of Corporate Affairs has by their notifications dated September 12, 2013 and March 26, 2014 notified certain sections of the Companies Act, which have come into force from September 12, 2013 and April 1, 2014.

The Companies Act provides for, among other things, changes to the regulatory framework governing the issue of capital by companies, corporate governance, audit procedures, corporate social responsibility, requirements for independent directors, director’s liability, class action suits, and the inclusion of women directors on the boards of companies. The Companies Act is complemented by a set of rules that set out the procedure for compliance with the substantive provisions of the Companies Act. As mentioned above, certain provisions of the Companies Act, 2013 have already come into force and the rest shall follow in due course.

Under the Companies Act every company having net worth of ₹ 500 crore or more, or turnover of ₹ 1,000 crore or more or a net profit of ₹ 5 crore or more during the immediately preceding financial year shall formulate a corporate social responsibility policy. Further, the board of every such company shall ensure that the company spends, in every financial year, at least two per cent of the average net profits of the company made during the three immediately preceding financial years in pursuance of its corporate social responsibility policy.

Shops and Establishments legislations in various states

The provisions of various Shops and Establishments legislations, as applicable, regulate the conditions of work and employment in shops and commercial establishments and generally prescribe obligations in respect of inter-alia registration, opening and closing hours, daily and weekly working hours, holidays, leave, health, termination of services and safety measures and wages for overtime work.

Labour Laws

India has stringent labour related legislations. The Company is required to comply with certain labour laws, which include the Employees' Provident Funds and Miscellaneous Provisions Act 1952, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965, Workmen Compensation Act, 1923, the Payment of Gratuity Act, 1972 and the Payment of Wages Act, 1936, amongst others.

Intellectual Property

Intellectual Property in India enjoys protection under both common law and statute. Under statute, India provides for patent protection under the Patents Act, 1970, copyright protection under the Copyright Act, 1957 and trademark protection under the Trademarks Act, 1999. The above enactments provide for protection of intellectual property by imposing civil and criminal liability for infringement.

Material Civil Litigations against 360 ONE

1. A Company Petition bearing reference number 25841 of 2021 was filed by Fastgrowth Hospitality LLP (“FHL”) and Others in High Court of Bombay against 360 ONE. 360 ONE had sanctioned a loan of ₹ 23,00,00,000/- to FHL and Others. Pursuant to the default, 360 ONE initiated commercial suit before High Court of Bombay against FHL and Others for recovery of ₹ 24,39,28,178/-. The Court in the above suit had ordered appointment of Court Receiver to take possession of the mortgaged properties. Meanwhile 360 ONE assigned the above loan along with the underlying securities to ASREC India Limited (ASREC) under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act.

Pursuant to above assignment, a Contempt Petition was filed in Bombay High Court by FHL and Others and others against 360 ONE and ASREC India Limited and its directors (respondents/contemnors) on the grounds that the contemnors have committed contempt of the court order appointing Court Receiver and have sought imposition of penalty of ₹ 2000/- on each contemnors and civil imprisonment for all directors of 360 ONE and ASREC India Limited and also sought direction to cancel the assignment agreement pending the disposal of the Contempt Petition. The petition has till date not come up for hearing.

Expert Opinion

Except for the following, our Company has not obtained any expert opinions in connection with this Draft Shelf Prospectus:

Our Company has received the written consent dated November 2, 2023 from Brahmayya & Co our Statutory Auditor, to include their name as required under section 26 (1) of the Companies Act, 2013 read with SEBI NCS Regulations, in this Draft Shelf Prospectus, and as an “expert” as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Statutory Auditor, and in respect of (i) their report dated October 17, 2023 on the Unaudited Financial Results for the six months period ended September 30, 2023; (ii) report dated April 21, 2023 on the Audited Financial Statements for Fiscal 2023 and (iii) report dated April 23, 2022 on the Audited Financial Statements for Fiscal 2022 included in this Draft Shelf Prospectus, and such consent has not been withdrawn as on the date of this Draft Shelf Prospectus. However, the term “expert” shall not be construed to mean an “expert” as defined under the U.S. Securities Act, 1993.

The above experts are not, and has not been, engaged or interested in the formation or promotion or management, of the Company and have given their written consent to the Company as stated in the paragraph above and has not withdrawn such consent before the filing of this Draft Shelf Prospectus with the Stock Exchanges and SEBI.

Common form of Transfer

Our Company undertakes that there shall be a common form of transfer for the NCDs, and the provisions of the Companies Act, 2013 applicable as on the date of this Draft Shelf Prospectus and all applicable laws shall be duly complied with in respect of all transfer of debentures and registration thereof.

Minimum Subscription

In terms of the SEBI NCS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size as specified in relevant Tranche Prospectus. If our Company does not receive the minimum subscription of 75% of Base Issue Size, prior to the Issue Closing Date of the relevant Tranche Issue, the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 Working Days from the Issue Closing Date or such time as may be specified by SEBI. In the event, there is a delay by our Company in unblocking the aforesaid ASBA Account within the prescribed time limit our Company will become liable to refund the Application Amount along with interest at the rate of 15 (fifteen) percent per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 and Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

Disclosures in accordance with the SEBI Debenture Trustee Master Circular

Appointment of Debenture Trustee

The Company has appointed Beacon Trusteeship Limited as Debenture Trustee in accordance with the terms of the Debenture Trustee Agreement.

Terms and Conditions of Debenture Trustee Agreement

Fees charged by Debenture Trustee

Separately, the Company and the Debenture Trustee have agreed the payment of an acceptance fee of ₹ 7.5 lakh and annuity fees ₹ 5 lakh excluding applicable taxes on an annual basis, plus applicable taxes in terms of the letter dated September 11, 2023.

Debenture Trustee Agreement provides for, inter alia, the following terms and conditions:

1. The Debenture Trustee, either through itself or its agents /advisors/consultants, shall carry out requisite diligence to verify the status of encumbrance and valuation of the assets and whether all permissions or consents (if any) as may be required to create the security as stipulated in the Issue Documents and the Applicable Laws, has been obtained. Prior to appointment of any agents /advisors/consultants, the Debenture Trustee shall obtain necessary confirmation from the said agents/ advisors/ consultants that they do not have any conflict-of-interest in conducting the diligence under the transaction.
2. The Issuer shall provide all assistance to the Debenture Trustee to enable verification from the Registrar of Companies, Sub-registrar of Assurances (as applicable), CERSAI, depositories, information utility or any other authority, as may be required, where the assets and/or prior encumbrances in relation to the assets of the Company or any third-party security provider for securing the Debentures, are registered / disclosed.
3. The Debenture Trustee shall have the power to independently appoint intermediaries, valuers, chartered accountant firms, practicing company secretaries, consultants, lawyers and other entities in order to assist in the diligence by the Debenture Trustee as may be required under Applicable Laws. All costs, charges, fees and expenses that are associated with and incurred in relation to the diligence as well as preparation of the reports/certificates/documentation, including all out of pocket expenses towards legal or inspection costs, travelling and other costs, shall be solely borne by the Issuer.
4. The Debenture Trustee shall obtain the following certificates from an empaneled agency as a part of due diligence:
 - a. ROC Search Report
 - b. CERSAI Search Report
 - c. Security Cover Certificate
 - d. Valuation of Security and Security Cover Certificate
 - e. Any other document as may be required for concluding the due diligence
5. The Debenture Trustee, ipso facto does not have the obligations of a borrower or a principal debtor or a guarantor as to the monies paid/invested by investors for the NCDs.

Terms of carrying out due diligence

As per the SEBI Debenture Trustee Master Circular, as amended and/ or supplemented from time to time, the Debenture Trustee is required to exercise independent due diligence to ensure that the assets of the Issuer company are sufficient to discharge the interest and principal amount with respect to the debt securities of the Issuer at all times. Accordingly, the Debenture Trustee shall exercise due diligence as per the following process, for which our company has consented to.

- a. The Debenture Trustee, either through itself or its agents /advisors/consultants, shall carry out requisite diligence to verify the status of encumbrance and valuation of the assets and whether all permissions or consents (if any) as may be required to create the security as stipulated in the offer document and other applicable laws has been obtained. For the purpose of carrying out the due diligence as required in terms of the Relevant Laws, the Debenture Trustee, either through itself or its agents /advisors/consultants, shall have the power to examine the books of account of the Company and to have the Company's assets inspected by its officers and/or external auditors/ valuers/ consultants/ lawyers/

technical experts/ management consultants appointed by the Debenture Trustee.

- b. The Company shall provide all assistance to the Debenture Trustee to enable verification from the Registrar of Companies, Sub-registrar of Assurances (as applicable), CERSAI, depositories, information utility or any other authority, as may be relevant, where the assets and/or encumbrances in relation to the assets of the Company or any third-party security provider are registered / disclosed.
- c. Further, in the event that existing charge holders have provided conditional consent / permissions to the Company to create further charge on the assets, the Debenture Trustee shall also have the power to verify such conditions by reviewing the relevant transaction documents or any other documents executed between existing charge holders and the Company. The Debenture Trustee shall also have the power to intimate the existing charge holders about proposal of creation of further encumbrance and seeking their comments/ objections, if any, if Company is required to do so under the respective financing documents executed with the said existing charge holders.
- d. Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee to carry out the requisite diligence in connection with the issuance and allotment of the Debentures, in accordance with the relevant laws/ Applicable Law.
- e. The Debenture Trustee shall have the power to either independently appoint or direct the Company to (after consultation with the Debenture Trustee) appoint intermediaries, valuers, chartered accountant firms, practicing company secretaries, consultants, lawyers and other entities in order to assist in the diligence by the Debenture Trustee. All costs, charges, fees and expenses that are associated with and incurred in relation to the diligence as well as preparation of the reports/certificates/documentation, including all out of pocket expenses towards legal or inspection costs, travelling and other costs, shall be solely borne by the Company.

In addition to the above terms of carrying out the due diligence, the Debenture Trustee Agreement provides for, inter alia, the following terms and conditions:

- a. The Company undertakes to promptly furnish all and any information as may be required by the Debenture Trustee in terms of the Companies Act and the Debenture Trust Deed on a regular basis, including without limitation the following documents, as may be applicable
- b. The Debenture Trustee does not have the obligations of a borrower or a principal debtor or a guarantor as to the monies paid/invested by investors for the NCDs.

Process of Due Diligence to be carried out by the Debenture Trustee

Due Diligence will be carried out as per SEBI (Debenture Trustees) Regulations, 1993, SEBI NCS Regulations and circulars issued by SEBI from time to time.

While the NCDs are secured as per terms of the Offer Document and charge is held in favor of the Debenture Trustee, the extent of recovery would depend upon realization of asset value and the Debenture Trustee in no way guarantees / assures full recovery / partial of either principal or interest.

Other Confirmations

The Debenture Trustee confirms that they have undertaken the necessary due diligence in accordance with Applicable Law, including the SEBI (Debenture Trustees) Regulations, 1993, read with the SEBI Debenture Trustee Master Circular.

The Debenture Trustee undertakes that the NCDs shall be considered as secured only if the charged asset is registered with sub-registrar and Registrar of Companies or CERSAI or depository, etc., as applicable, or is independently verifiable by the Debenture Trustee.

In the event of Allotment of a lesser number of NCDs than applied for, our Company shall unblock the additional amount blocked upon application in the ASBA Account, in accordance with the terms specified in “*Terms of the Issue – Manner of Payment of Interest/ Refund*” on page 252.

Participation by any of the above-mentioned Investor classes in the Issue will be subject to applicable statutory and/or regulatory requirements. Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and/or regulatory provisions.

The NCDs have not been and will not be registered, listed or otherwise qualified in any jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction. In particular, the NCDs have not been and will not be registered under the U.S. Securities Act, 1933, as amended (the “**Securities Act**”) or the securities laws of any state of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Issuer has not registered and does not intend to register under the U.S. Investment Company Act, 1940 in reliance on section 3(c)(7) thereof. This Draft Shelf Prospectus may not be forwarded or distributed to any other person and may not be reproduced in any manner whatsoever, and in particular, may not be forwarded to any U.S. Person or to any U.S. address.

Applications may be made in single or joint names (not exceeding three). Applications should be made by Karta in case the Applicant is an HUF. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names. In case of Application Form being submitted in joint names, the Applicants should ensure that the demat account is also held in the same joint names and the names are in the same sequence in which they appear in the Application Form. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form.

This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form. Please ensure that such Applications contain the PAN of the HUF and not of the Karta. In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

Day Count Convention

Interest shall be computed on an actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI Master

Circular.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the Working Days.

Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory Permissions / consents/approvals in connection with applying for, subscribing to, or seeking Allotment of NCDs pursuant to the Issue.

For further details, see the section titled “*Issue Procedure*” on page 260.

TERMS OF THE ISSUE

Authority for the Issue

At the meeting of the Board of Directors of our Company held on August 19, 2023, the Directors approved the issue of NCDs to the public up to an amount not exceeding ₹ 2,000 crore in one or more tranches.

Further, the present Issue is within the borrowing limits of ₹ 15,000 crore under Sections 180(1)(c) of the Companies Act, 2013 duly approved by the members of our Company vide their resolution passed at the Extraordinary General Meeting held on August 30, 2023.

Further the Issue and Allotment Committee at its meeting held on November 2, 2023 has approved this Draft Shelf Prospectus.

Principal Terms & Conditions of the Issue

The NCDs being offered as part of the Issue are subject to the provisions of the SEBI NCS Regulations and the SEBI Master Circular, the relevant provisions of the Companies Act, 2013, the Memorandum and Articles of Association of our Company, the terms of this Draft Shelf Prospectus, the Shelf Prospectus, relevant Tranche Prospectus, the Abridged Prospectus, the Application Forms, the terms and conditions of the Debenture Trust Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI/the Government of India/BSE/NSE, RBI, and/or other statutory/regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of NCDs

The NCDs would constitute secured and senior obligations of our Company and subject to any obligations under applicable statutory and/or regulatory requirements, shall also, with regard to the amount invested, thereof shall be secured by way of an exclusive first charge over certain identified receivables, as specifically set out in and fully described in the Debenture Trust Deed, such that a security cover of at least 1.05 times of the outstanding principal amounts of the NCDs and all interest due and payable thereon is maintained at all times until the Maturity Date. We have received necessary consents from the relevant debenture trustees and security trustees for creating an exclusive charge in favour of the Debenture Trustee in relation to the NCDs.

Our Company is required to obtain permissions or consents from the prior creditors for proceeding with this Issue. Pursuant to SEBI Debenture Trustee Master Circular, our Company undertakes, *inter alia*, that the assets on which charge is created are free from any encumbrances and if the assets are already charged, the permissions or consent to create exclusive second or pari passu charge on the assets of the Issuer have been obtained from the earlier creditors. Our Company has applied to the prior creditors/charge holders for such permissions or consents and has received such permissions or consents from all prior creditors.

Security

The principal amount of the NCDs to be issued in terms of this Draft Shelf Prospectus together with all interest due and payable on the NCDs, thereof shall be secured by way of an way of exclusive charge by way of hypothecation over book debts of the Company, as specifically set out in and fully described in the Debenture Trust Deed, such that a security cover of at least 1.05 times of the outstanding principal amounts of the NCDs and all interest due and payable thereon is maintained at all times until the Maturity Date. We have received necessary consents from the relevant debenture trustees and security trustees for creating an exclusive charge in favour of the Debenture Trustee in relation to the NCDs.

Our Company intends to enter into an indenture/deed with the Debenture Trustee, (“**Debenture Trust Deed**”) terms of which will govern the powers, authorities and obligations of the Debenture Trustee. Our Company proposes to complete the execution of the Debenture Trust Deed and documents for creation of Security within the stipulated timeframe and shall utilize the funds only after the stipulated security has been created. Under the terms of the Debenture Trust Deed, our Company will covenant with the Debenture Trustee that it will pay the NCD Holders the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on NCDs on the rate specified in the relevant Tranche Prospectus for each Tranche Issue and in the Debenture Trust Deed. The Debenture Trust Deed will also provide that our Company may withdraw any portion of the security and replace with another asset/receivables of the same or a higher value ensuring the minimum security cover is maintained till the Final Settlement Date of the NCDs.

Without prejudice to the aforesaid, in the event our Company fails to execute the Debenture Trust Deed within the period specified in Regulation 18(1) of the SEBI NCS Regulations or such other time frame as may be stipulated from time-to-time, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders, over and above the interest rate on the NCDs specified in the relevant Tranche Prospectus for each Tranche Issue and in the Debenture Trust Deed.

Debenture Redemption Reserve

In accordance with the Companies Act, 2013, and the Companies (Share Capital & Debentures) Rules 2014, read with Rule 16 of the SEBI NCS Regulations, any non-banking finance company that intends to issue debentures to the public is not required to create a DRR for the purpose of redemption of debentures.

Our Company shall, as per the Companies (Share Capital & Debentures) Rules 2014 and other laws applicable from time to time, invest or deposit, as the case may be, the applicable amounts, within the specified timelines, in respect of debentures maturing during the year ending on the 31st day of March of the next year, in any one or more methods of investments or deposits stipulated under the applicable law. Provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below the specified percentage, which is presently stipulated at 15% (fifteen percent) of the amount of the debentures maturing during the year ending on March 31 of the next year, in any of the following instruments or such other instruments as may be permitted under the applicable laws.

1. in deposits with any scheduled bank, free from any charge or lien;

Explanation 2 to Regulation 49 of the SEBI Listing Regulations, defines ‘default’ as non-payment of interest or principal amount in full on the pre-agreed date which shall be recognized at the first instance of delay in the servicing of any interest/dividend or principal on debt.

It is hereby confirmed, in case of an occurrence of a “default”, the Debenture Trustee shall abide and comply with the procedures mentioned in the SEBI Debenture Trustee Master Circular.

NCD Holder not a Shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity and/or preference shareholders of our Company, except to the extent of the right to receive the annual reports of our Company and such other rights as may be prescribed under the Companies Act, 2013 and the rules prescribed thereunder and the SEBI Listing Regulations and any other applicable law.

Rights of NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The NCDs shall not, except as provided in the Companies Act, 2013, our Memorandum and Articles of Association and/or the Debenture Trust Deed, confer upon the holders thereof any rights or privileges available to our Company’s members/shareholders including, without limitation, the right to attend and/or vote at any general meeting of our Company’s members/shareholders. However, if any resolution affecting the rights attached to the NCDs is to be placed before the members/shareholders of our Company, the said resolution will first be placed before the concerned registered NCD Holders for their consideration.
2. In terms of Section 136 (1) of the Companies Act, 2013, holders of NCDs shall be entitled to inspect a copy of the financial statements including consolidated financial statements, if any, auditor’s report and every other document required by law to be annexed or attached to the financial statements, and copy of the Debenture Trust Deed at the Registered Office of our Company during business hours on a specific request made to the Company.

3. Subject to the above and the applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, including requirements of the RBI, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.
4. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the registered NCD Holder or in case of joint-holders, the one whose name stands first in the register of debenture holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.
5. The NCDs are subject to the provisions of the SEBI NCS Regulations and the SEBI Master Circular, the Companies Act, 2013, the Memorandum and Articles of Association of our Company, the terms of this Draft Shelf Prospectus, the Shelf Prospectus, relevant Tranche Prospectus, the Application Forms, the terms and conditions of the Debenture Trust Deed, requirements of the RBI, other applicable statutory and/or regulatory requirements relating to the issue and listing, of securities and any other documents that may be executed in connection with the NCDs.
6. Subject to SEBI RTA Master Circular, for NCDs in physical form on account of re-materialization, a register of debenture holders will be maintained in accordance with Section 88 and Section 94 of the Companies Act, 2013 and all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the registered holder thereof for the time being or in the case of joint-holders, to the person whose name stands first in the register of debenture holders as on the Record Date. For NCDs in dematerialized form, all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the person for the time being appearing in the register of beneficial owners of the Depository. In terms of Section 88(3) of the Companies Act, 2013, the register and index of beneficial of NCDs maintained by a Depository for any NCDs in dematerialized form under Section 11 of the Depositories Act shall be deemed to be a Register of NCD Holders for this purpose. The same shall be maintained at the registered office of our Company under Section 94 of the Companies Act, 2013 unless the same has been moved to another location after obtaining the consent of the NCD holders.
7. Subject to compliance with RBI requirements, the NCDs can be rolled over only with the consent of the holders of at least 75% of the outstanding amount of the NCDs after providing 15 days prior notice for such roll over and in accordance with the SEBI NCS Regulations. Our Company shall redeem the debt securities of all the debt securities holders, who have not given their positive consent to the roll-over.

The aforementioned rights of the NCD holders are merely indicative. The final rights of the NCD holders will be as per the terms of this Draft Shelf Prospectus and the Debenture Trust Deed.

Nomination facility to NCD Holder

In accordance with Section 72 of the Companies Act, 2013 (read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, the sole NCD holder, or first NCD holder, along with other joint NCD Holders' (being individual(s)), may nominate, in the **Form No. SH.13**, any one person with whom, in the event of the death of Applicant the NCDs were Allotted, if any, will vest. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in **Form No.SH.13** any person as nominee. A nominee entitled to the NCDs by reason of the death of the original holder(s), will, in accordance with Rule 19 and Section 56 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the NCDs. Where the nominee is a minor, the NCD holder(s) may make a nomination to appoint, in **Form No. SH.14**, any person to become entitled to NCDs in the event of the holder's death during minority. A nomination will stand rescinded on a sale/transfer/alienation of NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or with the Registrar to the Issue.

NCD Holder(s) are advised to provide the specimen signature of the nominee to us to expedite the transmission of the NCD(s) to the nominee in the event of demise of the NCD Holder(s). The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with Section 72 (read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014), any person who becomes a nominee by virtue of the Rule 19, will on the production of such evidence as may be required by the Board, elect either:

- to register himself or herself as holder of NCDs; or
- to make such transfer of the NCDs, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board may thereafter withhold payment of all interests or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

NCD Holders who are holding NCDs in dematerialised form need not make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the NCD Holder will prevail. If the NCD Holders require to changing their nominations, they are requested to inform their respective Depository Participant.

A nomination may be cancelled or varied by nominating any other person in place of the present nominee, by the NCD Holder who has made the nomination, by giving a notice of such cancellation or variation in the prescribed manner as per applicable laws. The cancellation or variation shall take effect from the date on which the notice of such variation or cancellation is received.

Since the allotment of NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Applicants who have opted for rematerialisation of NCDs and are holding the NCDs in the physical form should provide required details in connection with their nominee to our Company.

Jurisdiction

Jurisdiction for the purpose of the Issue is with the competent courts of jurisdiction in Bengaluru.

Application in the Issue

Applicants shall apply in the Issue in dematerialised form only, through a valid Application Form filled in by the Applicant along with attachment, as applicable. Further, Applications in the Issue shall be made through the ASBA facility only (including Applications made by UPI Investors under the UPI Mechanism).

In terms of Regulation 7 of the SEBI NCS Regulations, our Company will make public issue of the NCDs in the dematerialised form only. However, in the terms of Section 8(1) of the Depositories Act, our Company at the request of the Investors who wish to hold the NCDs in physical form will rematerialise the NCDs. However, trading of the NCDs shall be compulsorily in dematerialised form only.

Form of Allotment and Denomination of NCDs

As per the SEBI NCS Regulations, the trading of the NCDs on the Stock Exchanges shall be in dematerialized form only in multiples of 1 (one) NCD (“**Market Lot**”). Allotment in the Issue to all Allottees, will be in electronic form i.e. in dematerialised form and in multiples of one NCD.

In respect of consolidated certificates, we will, only upon receipt of a request from the NCD Holder, split such consolidated certificates into smaller denominations subject to the minimum of Market Lot. No fees would be charged for splitting of NCD certificates in Market Lots, but stamp duty payable, if any, would be borne by the NCD Holder. The request for splitting should be accompanied by the original NCD certificate which would then be treated as cancelled by us.

For details of allotment see “*Issue Procedure*” beginning on page 260.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of the Companies Act, 2013. The NCDs shall be transferred subject to and in accordance with the rules/procedures as prescribed by the Depositories and the relevant DPs of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

Please see "*Terms of the Issue – Interest*" on page 249 for the implications on the interest applicable to NCDs held by Individual Investors on the Record Date and NCDs held by Non-Individual Investors on the Record Date.

Pursuant to the SEBI Listing Regulations, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred. Any trading of the NCDs issued pursuant to the Issue shall be compulsorily in dematerialized form only.

The procedure for transmission of securities has been further simplified vide the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2022 Gazette Notification no. SEBI/LAD-NRO/GN/2022/80 dated April 25th, 2022.

Title

In case of:

- NCDs held in the dematerialised form, the person for the time being appearing in the register of beneficial owners maintained by the Depositories; and
- the NCDs held in physical form pursuant to rematerialization, the person for the time being appearing in the register of NCD Holders shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person, as the holder thereof and its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, theft or loss of the consolidated NCD certificates issued in respect of the NCDs and no person will be liable for so treating the NCD holder.

Procedure for re-materialisation of NCDs

Subject to SEBI RTA Master Circular, NCD Holders who wish to hold the NCDs in physical form may do so by submitting a request to their DP at any time after Allotment in accordance with the applicable procedure stipulated by the DP, in accordance with the Depositories Act and/or rules as notified by the Depositories from time to time. Holders of the NCDs who propose to rematerialize their NCDs, would have to mandatorily submit details of their bank mandate along with a copy of any document evidencing that the bank account is in the name of the holder of such NCDs and their Permanent Account Number to our Company and the Depository Participant. No proposal for rematerialisation of NCDs would be considered if the aforementioned documents and details are not submitted along with the request for such rematerialisation.

Pursuant to the SEBI Listing Regulations, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred. Any trading of the NCDs issued pursuant to the Issue shall be compulsorily in dematerialized form only.

Register of NCD Holders

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders (for re materialized NCDs) or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Redemption Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the Companies Act shall apply, mutatis mutandis (to the extent applicable) to the NCDs as well.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to the Issue. However, NCDs held in physical form, pursuant to any re-materialisation, as above, cannot be transferred. However, any trading of the NCDs issued pursuant to the Issue shall be compulsorily in dematerialized form only.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures. In the event of demise of the sole or first holder of the Debentures, our Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of our Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation. In case of death of NCD Holders who are holding NCDs in dematerialised form, third person is not required to approach our Company to register his name as successor of the deceased NCD Holder. The successor of the deceased NCD Holder shall approach the respective Depository Participant for this purpose and submit necessary documents as required by the Depository Participant.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.
2. Proof that the non-resident Indian is an Indian national or is of Indian origin.
3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles of Association.

Applicants are cautioned that in the event a large number of Applications are received on the Issue Closing Date, there may be some Applications which are not uploaded due to lack of sufficient time to upload. Such Applications that cannot be uploaded will not be considered for allocation under the Issue. Neither our Company, nor the Lead Managers, nor any Member of the Syndicate, Registered Brokers at the Broker Centres, CDPs at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs are liable for any failure in uploading the Applications due to failure in any software/ hardware systems or otherwise. As per the SEBI Master Circular, the allotment in this Issue is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchanges. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

Interest/Premium and Payment of Interest/ Premium

As specified in the relevant Tranche Prospectus for each Tranche Issue.

Basis of payment of Interest

The Tenor, Coupon Rate / Yield and Redemption Amount applicable for each Series of NCDs shall be determined at the time of Allotment of NCDs pursuant to the relevant Tranche Prospectus. NCDs once allotted under any particular Series of NCDs shall continue to bear the applicable Tenor, Coupon/ Yield and Redemption Amount as at the time of original Allotment irrespective of the category of NCD Holder on any Record Date, and such tenor, coupon/ yield and redemption amount as at the time of original allotment will not be impacted by trading of any series of NCDs between the categories of persons or entities in the secondary market.

Amount of interest payable shall be rounded off to the nearest Rupee. In the event, the interest / payout of total coupon / redemption amount is a fraction and not an integer, such amount will be rounded off to the nearest integer. By way of illustration if the redemption amount is ₹ 1,837.50 then the amount shall be rounded off to ₹ 1,838.

Taxation

Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 193 of the IT Act (in case where interest is paid to Individual or HUF, no TDS will be deducted where interest paid is less than 5,000 and interest is paid by way of account payee cheque). For further details, please see Section titled “Statement of Possible Tax Benefits” on page 70.

Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

- a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Company/ Registrar, atleast 7 days before the relevant record date for payment of debenture interest;
- b. When the resident Debenture Holder with Permanent Account Number (‘PAN’) (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be Nil. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of 236 Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be

credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

- c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be Nil.

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. However in case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13.

Further, eligible NCD Holders other than resident individuals or resident HUF investors, the following documents should be submitted with the Company/ Registrar, atleast 7 days before the relevant record date for payment of debenture interest (i) copy of registration certificate issued by the regulatory authority under which the investor is registered, (ii) self-declaration for non-deduction of tax at source, and (iii) such other document a may be required under the Income Tax Act, for claiming non-deduction / lower deduction of tax at source and/or specified by the Company/ Registrar, from time to time.

The aforesaid documents, as may be applicable, should be submitted atleast 7 days before the relevant Record Date for payment of interest on the NCDs quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The aforesaid documents for claiming non-deduction or lower deduction of tax at source, as the case may be, shall be submitted to the Registrar as per below details or any other details as may be updated on the website of the Issuer at www.iiflsamasta.com or the Registrar at www.linkintime.co.in from time to time.

The investors need to submit Form 15H/ 15G/certificate in original from the Assessing Officer for each Fiscal during the currency of the NCD to claim non-deduction or lower deduction of tax at source from interest on the NCD. Tax exemption certificate/document, if any, must be lodged at the office of the Registrar to the Issue at least seven days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in

our Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Draft Shelf Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs

Mode of payment of Interest to NCD Holders

Payment of interest will be made (i) in case of NCDs in dematerialised form, to the persons who, for the time being appear in the register of beneficial owners of the NCDs as per the Depositories, as on the Record Date and (ii) in case of NCDs in physical form on account of re-materialization, to the persons whose names appear in the register of debenture holders maintained by us (or to first holder in case of joint-holders) as on the Record Date.

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the NCD Holders. In such cases, interest, on the interest payment date, would be directly credited to the account of those investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to effect payments to NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI. For further details, see the "*Terms of the Issue – Manner of Payment of Interest / Refund / Redemption*" beginning on page 252.

Day Count Convention

Interest shall be computed on an actual/actual basis on the principal outstanding on the NCDs as per the SEBI Master Circular.

Effect of holidays on payments

If the Interest Payment Date falls on a day other than a Working Day (Sundays or holidays of commercial banks in Mumbai or Bengaluru), the interest payment as due and payable on such day shall be made by our Company on the immediately succeeding Working Day and calculation of such interest payment shall be as per original schedule as if such Interest Payment Date were a Working Day. Further, the future Interest Payment Dates shall remain intact as per the originally stipulated schedule and shall not be changed because of postponement of such interest payment on account of it falling on a non-Working Day. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force, as applicable.

If Redemption Date (also being the last Interest Payment Date) falls on a day that is not a Working Day, the Redemption Amount shall be paid by our Company on the immediately preceding Working Day along with interest accrued on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the Working Days.

Illustration for guidance in respect of the day count convention and effect of holidays on payments:

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Master Circular will be disclosed in the respective Tranche Prospectus.

Maturity and Redemption

As specified in the respective Tranche Prospectus

Put / Call Option

As specified in the respective Tranche Prospectus

Deemed Date of Allotment

The date on which the Board of Directors or the Issuance and Allotment Committee approves the Allotment of the NCDs for the relevant Tranche Issue or such date as may be determined by the Board of Directors/ or the Issuance and Allotment Committee thereof and notified to the Designated Stock Exchange. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs shall be available to the Debenture Holders from the Deemed Date of Allotment.

Application in the Issue

NCDs being issued through this Draft Shelf Prospectus, can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only.

In terms of Regulation 7 of SEBI NCS Regulations, our Company will make public issue of the NCDs in the dematerialised form only.

However, in the terms of Section 8(1) of the Depositories Act, but subject to SEBI LODR Regulations and RTA Master Circular, our Company at the request of the Investors who wish to hold the NCDs in physical form will rematerialise the NCDs. However, trading of the NCDs shall be compulsorily in dematerialised form only.

Application Size

Each Application should be for a minimum of 10 NCDs across all series collectively and multiples of one NCD thereof (for all series of NCDs taken individually or collectively) as specified in the relevant Tranche Prospectus. The minimum application size for each application for NCDs would be ₹10,000 across all series collectively and in multiples of ₹1,000 thereafter. Applicants can apply for any or all types of NCDs offered hereunder (any/all series) provided the Applicant has applied for minimum application size using the same Application Form.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Terms of Payment

The entire issue price of ₹ 1,000 per NCD is payable on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall instruct the SCSBs to unblock the excess amount blocked on application in accordance with the terms of this Draft Shelf Prospectus.

Record Date

The record date for payment of interest in connection with the NCDs or repayment of principal in connection therewith shall be 15 (fifteen) days prior to the date on which interest is due and payable, and/or the date of redemption or such other date under the relevant Tranche Prospectus as may be determined by the Company.

Provided that trading in the NCDs shall remain suspended between the aforementioned Record Date in connection with redemption of NCDs and the date of redemption or as prescribed by the Stock Exchanges, as the case may be.

In case Record Date falls on a day when Stock Exchanges are having a trading holiday, the immediate subsequent trading day or a date notified by our Company to the Stock Exchanges will be deemed as the Record Date.

Manner of Payment of Interest / Refund / Redemption

The manner of payment of interest / refund / redemption in connection with the NCDs is set out below:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption as the case may be. Applicants are advised to keep their bank account details as appearing on the records of the depository participant updated at all points of time. Please note that failure to do so could result in delays in credit of Interest/ Redemption Amounts at the Applicant's sole risk, and the Lead Managers, our Company or the Registrar shall have no responsibility and undertake no liability for the same.

In case of NCDs held in physical form, on account of re-materialisation, the bank details will be obtained from the documents submitted to the Company along with the re-materialisation request. For further details, please see "*Terms of*

the Issue - Procedure for Re-materialisation of NCDs” on page 247.

The Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to unblocked for the Applicants.

The mode of interest / refund / redemption payments shall be undertaken in the following order of preference:

1. Direct Credit

Investors having their bank account with the Refund Bank, shall be eligible to receive refunds, if any, through direct credit. The refund amount, if any, would be credited directly to their bank account with the Refund Bank.

2. NACH

National Automated Clearing House which is a consolidated system of ECS. Payment would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition (“MICR”) code wherever applicable from the depository. Payments through NACH are mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get payments through NEFT or Direct Credit or RTGS.

3. RTGS

Applicants having a bank account with a participating bank and whose interest payment/ refund/ redemption amounts exceed ₹ 200,000, or such amount as may be fixed by RBI from time to time, have the option to receive payments through RTGS. Such eligible Applicants who indicate their preference to receive interest payment/ refund/ redemption through RTGS are required to provide the IFSC code in the Application Form or intimate our Company and the Registrar to the Issue at least seven days prior to the Record Date. Charges, if any, levied by the Applicant’s bank receiving the credit would be borne by the Applicant. In the event the same is not provided, interest payment/ refund/ redemption shall be made through NACH subject to availability of complete bank account details for the same as stated above.

4. NEFT

Payment of interest/ refunds/ redemption shall be undertaken through NEFT wherever the Applicants’ banks have been assigned the Indian Financial System Code (“IFSC”), which can be linked to a MICR, if any, available to that particular bank branch. The IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/ refund/ redemption will be made to the applicants through this method.

5. Registered Post/Speed Post

For all other applicants, including those who have not updated their bank particulars with the MICR code, the interest payment / refund / redemption orders shall be dispatched through speed post/registered post.

Please note that applicants are eligible to receive payments through the modes detailed in (1), (2) (3), and (4) herein above provided they provide necessary information for the above modes and where such payment facilities are allowed / available.

Please note that our Company shall not be responsible to the holder of NCDs, for any delay in receiving credit of interest / refund / redemption so long as our Company has initiated the process of such request in time.

In case of ASBA Applicants, the Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to be refunded to the Applicants.

6. The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying

through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within six Working Days of the Issue Closing Date.

Printing of Bank Particulars on Interest/redemption Warrants

As a matter of precaution against possible fraudulent encashment of refund orders and interest/redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. NCDs applied and held in dematerialized form, these particulars would be taken directly from the depositories. In case of NCDs held in physical form on account of rematerialisation, the NCD Holders are advised to submit their bank account details with our Company/ Registrar to the Issue at least seven days prior to the Record Date failing which the orders/ warrants will be dispatched to the postal address of the NCD Holders as available in the records of our Company either through speed post or registered post. Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Loan against NCDs

Pursuant to RBI Circular dated June 27, 2013, our Company, being an NBFC, is not permitted to extend any loans against the security of its NCDs.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Form and Denomination of NCDs

In case of NCDs held in physical form on account of rematerialisation, a single certificate will be issued to the NCD Holder for the aggregate amount of the NCDs held ("**Consolidated Certificate**"). The Applicant can also request for the issue of NCD certificates in denomination of one NCD ("**Market Lot**"). In case of NCDs held under different Options, by an NCD Holder, separate Consolidated Certificates will be issued to the NCD Holder for the aggregate amount of the NCDs held under each Option as specified in relevant Tranche Prospectus.

It is, however, distinctly to be understood that the NCDs pursuant to this issue shall be traded only in dematerialized form.

In respect of Consolidated Certificates, only upon receipt of a request from the NCD Holder, the Consolidated Certificates would be split into smaller denominations, subject to the minimum of Market Lot. No fee would be charged for splitting of NCD certificates in Market Lots, but stamp duty payable, if any, would be borne by the NCD Holder. The request for splitting should be accompanied by the original NCD certificate, which would then be treated as cancelled. As per the SEBI NCS Regulations, the trading of the NCDs on the Stock Exchanges shall be in dematerialized form only in multiples of 1 (one) NCD ("**Market Lot**").

Procedure for redemption by NCD Holders

The procedure for redemption is set out below:

NCDs held in electronic form

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

NCDs held in physical form on account of rematerialisation

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of debenture holders maintained by us on

the Record Date fixed for the purpose of Redemption. However, our Company may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificates) be surrendered for redemption on maturity and should be sent by the NCD Holders by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. NCD Holders may be requested to surrender the NCD certificates in the manner as stated above, not more than three months and not less than one month prior to the redemption date so as to facilitate timely payment. We may at our discretion redeem the Secured NCDs without the requirement of surrendering of the NCD.

Payment on redemption

The manner of payment of redemption is set out below:

NCDs held in physical form on account of re-materialization

The payment on redemption of the NCDs will be made by way of cheque/pay order/ electronic modes. However, if our Company so requires, the aforementioned payment would only be made on the surrender of NCD certificates, duly discharged by the sole holder/ all the joint-holders (signed on the reverse of the NCD certificates). Dispatch of cheques/ pay orders, etc. in respect of such payment will be made on the redemption date or (if so requested by our Company in this regard) within a period of 30 days from the date of receipt of the duly discharged NCD certificate.

In case we decide to do so, the redemption proceeds in the manner stated above would be paid on the redemption date to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. Hence the transferees, if any, should ensure lodgment of the transfer documents with us at least seven days prior to the Record Date. In case the transfer documents are not lodged with us at least 7 days prior to the Record Date and we dispatch the redemption proceeds to the transferor, claims in respect of the redemption proceeds should be settled amongst the parties inter se and no claim or action shall lie against us or the Registrar to the Issue.

Our liability to NCD Holders towards their rights including for payment or otherwise shall stand extinguished from the redemption in all events and when we dispatch the redemption amounts to the NCD Holders.

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

NCDs held in electronic form

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Right to Reissue NCD(s)

Subject to the provisions of the Companies Act, 2013 and SEBI NCS Regulations, where we have fully redeemed or repurchased any NCD(s), we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Transfer/ Transmission of NCDs

For NCDs held in physical form on account of rematerialisation

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of Companies Act, 2013 applicable as on the date of this Draft Shelf Prospectus and all other applicable laws. The provisions relating to transfer and transmission and other related matters in respect of our shares contained in the Articles and the relevant provisions of the Companies Act, 2013 applicable as on the date of this Draft Shelf Prospectus, and all applicable laws including FEMA and the rules and regulations thereunder, shall apply, mutatis mutandis (to the extent applicable to debentures) to the NCDs as well. In respect of the NCDs held in physical form on account of rematerialisation, a common form of transfer shall be used for the same. The NCDs held in dematerialised form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant Depository Participants of the transferor and the transferee and any other applicable laws and rules notified in respect thereof. The transferees should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the register of debenture holders or the records as maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferors and not with the Issuer or Registrar.

For NCDs held in electronic form

The normal procedure followed for transfer of securities held in dematerialised form shall be followed for transfer of the NCDs held in electronic form. The seller should give delivery instructions containing details of the buyer's Depository Participant account to his depository participant.

In case the transferee does not have a Depository Participant account, the transferor can rematerialise the NCDs and thereby convert his dematerialised holding into physical holding. Thereafter these NCDs can be transferred in the manner as stated above for transfer of NCDs held in physical form.

Any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Sharing of Information

Our Company may, at its option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiaries, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper at the place where the registered office of the Company is situated and/or will be sent by speed post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Future Borrowings

Our Company will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ NCDs/other securities in any manner by creating a charge on any other assets, provided stipulated security cover is maintained on the NCDs and the Company is in compliance of all the terms of the Transaction Documents and no event of default has occurred and is continuing; and consents and approvals and other conditions, as may be required under Applicable Law or financing agreements, including intimations, if any, required thereunder are obtained or provided, as the case may be.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section(1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447 of the Companies Act, 2013.”

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹ 0.1 crore

or 1.00% of the turnover of our Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹ 0.1 crore or 1.00% of the turnover of our Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹0.5 crore or with both.

Pre-closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date of relevant Tranche Prospectus, subject to receipt of minimum subscription or as may be specified in the relevant Tranche Prospectus. Our Company shall allot NCDs with respect to the Applications received until the time of such pre-closure in accordance with the Basis of Allotment as described in the relevant Tranche Prospectus and subject to applicable statutory and/or regulatory requirements. In the event of such early closure of the Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the Issue Closing Date, of relevant Tranche Issue, as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement have been given.

Issue of duplicate NCD certificate(s)

If NCD certificate(s), issued pursuant to rematerialisation, is/ are mutilated or defaced or the cages for recording transfers of NCDs are fully utilised, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any NCD certificate is destroyed, stolen or lost then upon production of proof thereof to our satisfaction and upon furnishing such indemnity/ security and/or documents as we may deem adequate, duplicate NCD certificates shall be issued. Upon issuance of a duplicate NCD certificate, the original NCD certificate shall stand cancelled.

Minimum subscription

In terms of the SEBI NCS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size as specified in relevant Tranche Prospectus. If our Company does not receive the minimum subscription of 75% of Base Issue Size, prior to the Issue Closing Date of the relevant Tranche Issue, the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 Working Days from the Issue Closing Date or such time as may be specified by SEBI. In the event, there is a delay by our Company in unblocking the aforesaid ASBA Account within the prescribed time limit our Company will become liable to refund the Application Amount along with interest at the rate of 15 (fifteen) percent per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 and Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

Market Lot and Trading Lot

The NCDs shall be allotted in dematerialized form. As per the SEBI NCS Regulations, the trading of the NCDs is in dematerialised form and the tradable lot is one NCD.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable interest for such NCDs) prior to redemption of the NCDs.

Allotment in this Issue will be in electronic form multiples of one NCD. For further details of Allotment, see the “*Issue Procedure*” beginning on page 260.

Utilisation of Application Amount

The sum received in respect of the Issue will be kept in separate bank account(s) and we will have access to such funds only upon allotment of the NCDs, execution of Debenture Trust Deeds and on receipt of listing and trading approval from the Stock Exchanges for relevant Tranche Issue as per applicable provisions of law(s), regulations and approvals.

Utilisation of Issue Proceeds

Filing of the Shelf Prospectus and relevant Tranche Prospectus with ROC

A copy of the Shelf Prospectus and relevant Tranche Prospectus will be filed with ROC, in accordance with Section 26 and Section 31 of Companies Act, 2013.

Pre-Issue Advertisement

Subject to Section 30 of the Companies Act, 2013, our Company will issue a statutory advertisement on or before the Issue Opening Date. This advertisement will be issued in compliance with the Regulation 30(1) of SEBI NCS Regulations and shall contain the information as prescribed in the SEBI NCS Regulations and Section 30 of the Companies Act, 2013.

Material updates, if any, between the date of filing of the Shelf Prospectus and relevant Tranche Prospectus with ROC and the date of release of the statutory advertisement will be included in the statutory advertisement information as prescribed under SEBI NCS Regulations.

Payment of Interest

If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount will be unblocked within the time prescribed under applicable law, failing which interest may be due to be paid to the Applicants, for the delayed period, as prescribed in applicable law. Our Company shall not be liable to pay any interest on monies liable to be refunded in case of (a) invalid applications or applications liable to be rejected, (b) applications which are withdrawn by the Applicant and/or (c) monies paid in excess of the amount of NCDs applied for in the Application Form. For further details, see “*Issue Procedure - Rejection of Applications*” beginning on page 288.

Listing

The NCDs offered through this Draft Shelf Prospectus are proposed to be listed on BSE and NSE. Our Company has obtained an ‘in-principle’ approval for the Issue from BSE *vide* their letter bearing reference number [●] dated [●], 2023 and from NSE *vide* their letter bearing reference number [●] dated [●], 2023. For the purposes of the Issue, NSE shall be the Designated Stock Exchange. Final Application for listing of the NCDs will be made to the Stock Exchanges in terms of SEBI NCS Regulations and the SEBI Master Circular.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchanges, our Company will forthwith repay, without interest, all moneys received from the Applicants in pursuance of this Draft Shelf Prospectus.

Our Company will use best efforts to ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges are taken within 6 Working Days of the Issue Closing Date. For the avoidance of doubt, it is hereby clarified that in the event of non-subscription to any one or more of the series, such series(s) of NCDs shall not be listed.

Guarantee/ Letter of Comfort

The Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Monitoring and Reporting of Utilisation of Issue Proceeds

There is no requirement for appointment of a monitoring agency in terms of the SEBI NCS Regulations. The Audit Committee shall monitor the utilization of the proceeds of the Issue. For the relevant quarters, our Company will disclose in our quarterly financial results, the utilization of the net proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilized thereby also indicating investments, if any, of such unutilized proceeds of the Issue.

Lien

Our Company will have the right of set-off and lien, present as well as future on the moneys due and payable to the NCD Holder or deposits held in the account of the NCD holders whether in single name or joint name, to the extent of all outstanding dues, if any by the NCD Holder to our Company, subject to the applicable law.

Lien on Pledge of NCDs

Subject to applicable law, our Company, at its discretion, may record a lien on pledge of NCDs if such pledge of NCDs is accepted by any bank or institution for any loan provided to the NCD Holder against pledge of such NCDs as part of the funding, subject to applicable law.

Recovery Expense Fund

Our Company has created a recovery expense fund in the manner as specified by SEBI in SEBI Debenture Trustee Master Circular as amended from time to time and Regulation 11 of SEBI NCS Regulations with the Designated Stock Exchanges and has informed the Debenture Trustee regarding the creation of such fund. The recovery expense fund may be utilised by Debenture Trustee, in the event of default by our Company under the terms of the Debenture Trust Deed, for taking appropriate legal action to enforce the security.

Settlement Guarantee Fund

Our Company will deposit amounts in the settlement guarantee fund in the manner as specified in the SEBI Master Circular. This fund has been created under the SEBI Master Circular to ensure upfront collection of charges from eligible issuers at the time of allotment of debt securities

ISSUE PROCEDURE

This section applies to all Applicants. Specific attention of all Applicants is invited to the SEBI Master Circular, which provides, inter-alia, that for all public issues of debt securities all Applicants shall mandatorily use the ASBA facility for participating in the Issue. ASBA Applicants and Applicants applying through the Direct Online Application Mechanism (as defined hereinafter) should note that the ASBA process and the Direct Online Application Mechanism involve application procedures that are different from the procedure applicable to all other Applicants. Please note that all Applicants are required to pay the full Application Amount or ensure that the ASBA Account has sufficient credit balance such that the entire Application Amount can be blocked by the SCSB while making an Application. Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Draft Shelf Prospectus, the Shelf Prospectus and relevant Tranche Prospectus.

Please note that this section has been prepared based on the SEBI Master Circular and the notifications issued by BSE and NSE, in relation to the UPI Mechanism. Retail Individual Investors should note that they may use the UPI mechanism to block funds for application value up to UPI Application Limit (to participate in the public issue for an amount up to UPI Application Limit for issue of debt securities pursuant to SEBI Master Circular, or any other investment limit, as applicable and prescribed by SEBI from time to time) submitted through the app/web interface of the Stock Exchanges or through intermediaries (Syndicate Members, Registered Stockbrokers, Registrar and Transfer agent and Depository Participants).

ASBA Applicants must ensure that their respective ASBA Accounts can be blocked by the SCSBs, in the relevant ASBA accounts for the full Application Amount. Applicants should note that they may submit their Applications to the Designated Intermediaries at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs as mentioned on the Application Form. Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Draft Shelf Prospectus.

Specific attention is drawn to the SEBI Master Circular which provides for allotment in public issues of debt securities to be made on the basis of the date of upload of each application into the electronic book of the Stock Exchanges, as opposed to the date and time of upload of each such application.

Our Company and the Lead Managers do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Shelf Prospectus. Investors are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws.

Further, the Company and the Lead Managers are not liable for any adverse occurrences consequent to the UPI Mechanism for application in the Issue.

PLEASE NOTE THAT ALL DESIGNATED INTERMEDIARIES WHO WISH TO COLLECT AND UPLOAD APPLICATION IN THE ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES WILL NEED TO APPROACH THE STOCK EXCHANGES AND FOLLOW THE REQUISITE PROCEDURES AS MAY BE PRESCRIBED BY THE STOCK EXCHANGES. THE FOLLOWING SECTION MAY CONSEQUENTLY UNDERGO CHANGE BETWEEN THE DATES OF THE RELEVANT TRANCHE PROSPECTUS, THE ISSUE OPENING DATE AND THE ISSUE CLOSING DATE.

THE LEAD MANAGERS, THE CONSORTIUM MEMBERS AND OUR COMPANY SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR OMISSIONS ON THE PART OF TRADING MEMBERS/DESIGNATED INTERMEDIARIES IN CONNECTION WITH THE RESPONSIBILITY OF TRADING MEMBERS/DESIGNATED INTERMEDIARIES IN RELATION TO COLLECTION AND UPLOAD OF APPLICATION FORMS IN RESPECT OF THE ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY STOCK EXCHANGES. FURTHER, THE RELEVANT STOCK EXCHANGES WILL BE RESPONSIBLE FOR ADDRESSING INVESTOR GRIEVANCES ARISING FROM APPLICATIONS THROUGH

TRADING MEMBERS/DESIGNATED INTERMEDIARIES REGISTERED WITH SUCH STOCK EXCHANGES.

Please note that for the purposes of this section, the term “Working Day” shall mean all days on which the commercial banks in Mumbai or Bangalore are open for business, except with reference to the Issue Period, where Working Days shall mean all days, excluding Saturdays, Sundays and public holidays on which commercial banks in Mumbai are open for business. Furthermore, for the purpose the time period between the bid/ issue closing date and the listing of the NCDs, Working Days shall mean all trading days of the Stock Exchanges excluding Saturdays, Sundays and bank holidays as specified by SEBI.

The information below is given for the benefit of the investors. Our Company and the Members of Consortium are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Shelf Prospectus.

Method of Application

In terms of the SEBI Master Circular an eligible investor desirous of applying in this Issue can make Applications through the ASBA mechanism only.

Applicants are requested to note that in terms of the SEBI Master Circular, SEBI has mandated issuers to provide, through a recognized Stock Exchanges which offers such a facility, an online interface enabling direct application by investors to a public issue of debt securities with an online payment facility (“**Direct Online Application Mechanism**”). In this regard, SEBI has, through the SEBI Master Circular, directed recognized Stock Exchanges in India to put in necessary systems and infrastructure for the implementation of the SEBI Master Circular and the Direct Online Application Mechanism infrastructure for the implementation of the SEBI Master Circular and the Direct Online Application Mechanism. The Direct Online Application facility will be available for this Issue as per mechanism provided in the SEBI Master Circular

All Applicants shall mandatorily apply in the Issue through the ASBA process only. Applicants intending to subscribe in the Issue shall submit a duly filled Application form to any of the Designated Intermediaries.

Designated Intermediaries (other than SCSBs) shall submit/deliver the Application Form (except the Application Form from a Retail Individual Investor bidding using the UPI mechanism) to the respective SCSB, where such investor has a bank account and shall not submit it to any non-SCSB bank or any Escrow Bank.

Applicants should submit the Application Form only at the Bidding Centres, i.e., to the respective Members of the Consortium at the Specified Locations, the SCSBs at the Designated Branches, the Registered Broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>.

The relevant Designated Intermediaries, upon receipt of physical Application Forms from Applicants, shall upload the details of these Application Forms to the online platform of the Stock Exchanges and submit these Application Forms with the SCSB (except Application Form from RIBs using the UPI Mechanism) with whom the relevant ASBA Accounts are maintained.

For RIBs using UPI Mechanism, the Stock Exchanges shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. An Applicant shall submit the Application Form, which shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. Further, the Application may also be submitted through the app or web interface developed by Stock Exchanges wherein the Application is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI mechanism, as applicable.

Our Company, the Directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to ASBA Applications accepted by the Designated Intermediaries, Applications uploaded by SCSBs, Applications accepted but not uploaded by SCSBs or Applications accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount has been blocked in the relevant ASBA Account. Further, all grievances against Designated Intermediaries in relation to the Issue should be made by Applicants directly to the relevant Stock Exchanges.

In terms of the SEBI Master Circular, an eligible investor desirous of applying in this Issue can make Applications through the following modes:

1. Self-Certified Syndicate Bank (SCSB) or intermediaries (viz. Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants)

- a. An investor may submit the bid-cum-application form, with ASBA as the sole mechanism for making payment, physically at the branch of a SCSB, i.e. investor's bank. For such applications, the existing process of uploading of bid on the Stock Exchanges bidding platform and blocking of funds in investors account by the SCSB would continue.
- b. An investor may submit the completed bid-cum-application form to intermediaries mentioned above along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Stock Exchanges bidding platform and forward the application form to a branch of a SCSB for blocking of funds.
- c. An investor may submit the bid-cum-application form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹5 Lakh or less. The intermediary shall upload the bid on the Stock Exchanges bidding platform. The application amount would be blocked through the UPI mechanism in this case.

2. Through Stock Exchanges

- a. An investor may submit the bid-cum-application form through the App or web interface developed by Stock Exchanges (or any other permitted methods) wherein the bid is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI Mechanism.
- b. The Stock Exchanges have extended their web-based platforms i.e. 'BSE Direct' or 'NSE goBID' to facilitate investors to apply in public issues of debt securities through the web based platform and mobile app with a facility to block funds through Unified Payments Interface (UPI) mechanism for application value upto ₹ 5 Lakh. To place bid through 'BSEDirect' or 'NSE goBID' platform / mobile app the eligible investor is required to register himself/herself with 'BSE Direct', 'NSE goBID'
- c. An investor may use the following links to access the web-based interface developed by the Stock Exchanges to bid using the UPI Mechanism: BSE: <https://www.bsedirect.com> and NSE: <https://eipo.nseindia.com/>.
- d. The BSE Direct or 'NSE goBID' application can be downloaded from play store in android phones. Kindly search for 'BSEdirect' or 'NSE goBID' on Google Playstore for downloading mobile applications.
- e. To further clarify the submission of bids through the App or web interface, BSE has issued operational guidelines and circulars dated December 28, 2020 and May 19, 2022 available at <https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-60>, and <https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-61>. Similar circulars by NSE can be found here: <https://www1.nseindia.com/content/circulars/IPO46907.zip> x <https://www1.nseindia.com/content/circulars/IPO46867.zip> Further, NSE has allowed its 'GoBid' mobile application which is currently available for placing bids for non-competitive bidding shall also be available for applications of public issues of debt securities.

Pursuant to the SEBI circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2023/74 dated May 19, 2023 ("SEBI Mutual Funds Master Circular"), mutual funds are required to ensure that the total exposure of debt schemes (excluding investments in Bank CDs, triparty repo on Government securities or treasury bills, G-Secs, TBills, short term deposits of Scheduled Commercial Banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not

exceed 20% of the net assets of the scheme. Further, the additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed only by way of increase in exposure to Housing Finance Companies (HFCs), which are rated AA and above and are registered with the National Housing Bank. Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio. However, the overall exposure in HFCs shall not exceed the sector exposure limit of 20% of the net assets of the scheme.

A separate Application can be made in respect of each scheme of an Indian mutual fund registered with SEBI and such Applications shall not be treated as multiple Applications. Applications made by the AMCs or custodians of a Mutual Fund shall clearly indicate the name of the concerned scheme for which the Application is being made. An Application Form by a mutual fund registered with SEBI for Allotment of the NCDs must be also accompanied by certified true copies of (i) its SEBI registration certificates (ii) the trust deed in respect of such mutual fund (ii) a resolution authorising investment and containing operating instructions and (iii) specimen signatures of authorized signatories.

Failing this, our Company reserves the right to accept or reject any Application from a Mutual Fund for Allotment of the NCDs in whole or in part, in either case, without assigning any reason thereof.

Payment instructions

Payment mechanism for Applicants

An Applicant shall specify details of the ASBA Account Number in the Application Form and the relevant SCSB shall block an amount equivalent to the Application Amount in the ASBA Account specified in the Application Form.

An Applicant may submit the completed Application Form to designated intermediaries along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Designated Stock Exchanges bidding platform and forward the application form to a branch of a SCSB for blocking of funds.

An Applicant (belonging to Category IV) may also submit the Application Form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹ 5.00 lakh or less. The intermediary shall upload the bid on the Stock Exchanges bidding platform. The application amount would be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant in this case.

An Applicant may submit the Application Form through the App or web interface developed by Stock Exchanges wherein the bid is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Upon receipt of an intimation from the Registrar to the Issue, the SCSBs shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account in terms of the Public Issue Account and Sponsor Bank Agreement. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the Issue to the respective SCSB within 5 (five) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the Application, as the case may be.

For ASBA Applications submitted to the Lead Managers or Consortium Members or Trading Members of the Stock Exchanges at the Specified Cities, the ASBA Application will be uploaded onto the electronic system of the Stock Exchanges and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application.

For ASBA Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application, before entering the ASBA Application into the electronic system of the Stock Exchanges. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the ASBA Application to the Lead Managers or Consortium Members or Trading Members of the Stock Exchanges, as the case may be, at the Specified Cities or to the Designated Branches of the SCSBs. An ASBA Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, the Registrar to the Issue shall send an appropriate request to the controlling branch of the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount pertaining to NCDs allotted to the successful Applicants to the Public Issue Account(s). The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 5 Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the ASBA Application, as the case may be. In case of withdrawal/ failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

Payment mechanism for Direct Online Applicants

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchanges. In the event the Direct Online Application facility is implemented by the Stock Exchanges, relevant “know your customer” details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated unique application number (“UAN”) and an SMS or an email confirmation on credit of the requisite Application Amount paid through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant’s bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per the SEBI Master Circular, the availability of the Direct Online Applications facility is subject to the Stock Exchanges putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchanges and/or SEBI.

Hence, Applicants are advised to immediately update their Demographic Details (including bank account details) as appearing on the records of the Depository Participant and ensure that they are true and correct. Please note that failure to do so could result in delays in despatch/ credit of refunds, if any, to Applicants, delivery of Allotment Advice or unblocking of ASBA Accounts at the Applicants' sole risk, and neither the Members of the Consortium nor the Designated Intermediaries, nor the Registrar, nor the Banker(s) to the Issue, nor the SCSBs, nor our Company shall have any responsibility and undertake any liability for the same.

Applicants should note that in case the DP ID, Client ID, UPI ID (in case applying through UPI Mechanism) and PAN mentioned in the Application Form, as the case may be and entered into the electronic Application system of the Stock Exchanges by the Members of the Consortium or the Designated Intermediaries, as the case may be, do not match with the DP ID, Client ID, UPI ID (in case applying through UPI Mechanism) and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected and our Company, the Members of the Consortium and the other Designated Intermediaries shall not be liable for losses, if any.

The Demographic Details would be used for all correspondence with the Applicants including mailing of the Allotment Advice and for refunds (if any) as applicable. The Demographic Details given by Applicants in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to this Issue.

By signing the Application Form, Applicants applying for the NCDs would be deemed to have authorised the Depositories to provide, upon request, to the Registrar, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

Allotment Advice would be mailed by post or e-mail at the address of the Applicants in accordance with the Demographic Details received from the Depositories. Applicants may note that delivery of Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. Further, please note that any such delay shall be at such Applicants' sole risk and neither our Company, Banker(s) to the Issue, Registrar to the Issue nor the Lead Managers shall be liable to compensate the Applicant for any losses caused to the Applicants due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in the relevant Tranche Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under powers of attorney, our Company in its absolute discretion, reserves the right to permit the holder of a power of attorney to request the Registrar to the Issue that for the purpose of printing particulars on and mailing of the Allotment Advice through post, the Demographic Details obtained from the Depository of the Applicant shall be used.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to this Issue will be made into the accounts of the Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the four parameters, namely, DP ID, Client ID, PAN and UPI ID then such Applications are liable to be rejected.

Applicants should note that the NCDs will be allotted to all successful Applicants only in dematerialized form. The Application Forms which do not have the details of the Applicant's depository account, including DP ID, Client ID and PAN and UPI ID (for Retail Individual Investor Applicants bidding using the UPI mechanism), shall be treated as incomplete and will be rejected.

APPLICATIONS FOR ALLOTMENT OF NCDs IN THE DEMATERIALIZED FORM

This section is for the information of the Applicants proposing to subscribe to the Issue. The Lead Managers and our Company are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Draft Shelf Prospectus, the Shelf Prospectus, relevant Tranche Prospectus. Applicants are advised to make their independent investigations and to ensure that the Application Form is correctly filled up.

Our Company, our directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Member, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted and uploaded without blocking funds in the ASBA Accounts by SCSBs. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount payable on Application has been blocked in the relevant ASBA Account. The list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive Application Forms from the Members of the Syndicate is available on the website of SEBI (<http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>) and updated from time to time or any such other website as may be prescribed by SEBI from time to time. For more information on such branches collecting Application Forms from the Members of the Syndicate at Specified Locations, see the website of SEBI

(<https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=45>) as updated from time to time or any such other website as may be prescribed by SEBI from time to time. The list of Registered Brokers at the Broker Centres, CDPs at the Designated CDP Locations or the CRTAs at the Designated CRTA Locations, respective lists of which, including details such as address and telephone number, are available at the websites of the Stock Exchanges at www.bseindia.com and at www.nseindia.com. The list of branches of the SCSBs at the Broker Centres, named by the respective SCSBs to receive deposits of the Application Forms from the Registered Brokers will be available on the website of SEBI (www.sebi.gov.in) and updated from time to time.

Submission of Applications

Applicants can apply for NCDs only using the ASBA facility pursuant to SEBI Master Circular. ASBA Applications can be submitted through either of the following modes:

- a. Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of ASBA Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the ASBA Application, prior to uploading such ASBA Application into the electronic system of the Stock Exchanges. If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such ASBA Application and shall not upload such ASBA Application in the electronic system of the Stock Exchanges. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the ASBA Application in the electronic system of the Stock Exchanges. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application. In case of Application in the electronic mode, the Applicant shall submit the ASBA Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly register such ASBA Applications.
- b. Physically through the Consortium Members, Lead Managers, or Trading Members of the Stock Exchanges only at the Specified Cities i.e. Syndicate ASBA. Kindly note that ASBA Applications submitted to the Consortium Member, Lead Managers or Trading Members of the Stock Exchanges at the Specified Cities will not be accepted if the SCSB where the ASBA Account is maintained, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Consortium Member, Lead Managers or Trading Members of the Stock Exchanges, as the case may be, to deposit ASBA Applications (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=45>).
- c. A UPI Investor making an Application in the Issue under the UPI Mechanism, where the Application Amount is upto ₹ 5 lakh, can submit his Application Form physically to a SCSB or a Designated Intermediary. The Designated Intermediary shall upload the application details along with the UPI ID on the Stock Exchanges' bidding platform using appropriate protocols. Kindly note that in this case, the Application Amount will be blocked through the UPI Mechanism.

A UPI Investor may also submit the Application Form for the Issue through BSE Direct and NSEgoBID, wherein the Application will be automatically uploaded onto the Stock Exchanges' bidding platform and an amount equivalent to the Application Amount shall be blocked using the UPI Mechanism.

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchanges and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Specified City, named by such SCSB to accept such ASBA Applications from the Designated Intermediaries (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=45>). Upon receipt of the ASBA Application, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the ASBA Form. If sufficient funds are not available in the ASBA Account, the relevant ASBA Application is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the ASBA Application. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be.

In case of Application involving an Application by an RIB through UPI Mechanism, if an Applicant submits the Application Form with a Designated Intermediary and uses his/ her bank account linked UPI ID for the purpose of blocking of funds, where the application value is up to UPI Application Limit, the Application Amount will be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant and the Designated Intermediary shall upload the Application on the bidding platform developed by the Stock Exchanges. If an Applicant submits the Application Form through the application or web interface developed by Stock Exchanges, the bid will automatically be uploaded onto the Stock Exchanges bidding platform and the amount will be blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Applicants must note that:

- a. Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Lead Managers and Trading Members of the Stock Exchanges at the Specified Cities; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchanges at least one day prior to the Issue Opening Date. Application Forms will also be provided to the Trading Members of the Stock Exchanges at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the Shelf Prospectus and relevant Tranche Prospectus is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.
- b. The Designated Branches of the SCSBs shall accept ASBA Applications directly from Applicants only during the Issue Period. The SCSB shall not accept any ASBA Applications directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, in case of Syndicate ASBA, the relevant branches of the SCSBs at Specified Cities can accept ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be, after the closing time of acceptance of Applications on the Issue Closing Date. For further information on the Issue programme, please see section titled “*Issue Related Information*” on page 235.
- c. In case of Applications through Syndicate ASBA, the physical Application Form shall bear the stamp of the Lead Managers or Consortium Members or Trading Members of the Stock Exchanges, as the case maybe, if not, the same shall be rejected. Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

INSTRUCTIONS FOR FILLING-UP THE APPLICATION FORM

General Instructions

A. General instructions for completing the Application Form

1. Applications must be made in prescribed Application Form only.
2. Applicants should ensure that their Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Members of the Syndicate or Trading Members of the stock exchange(s) at the Specified Cities, and not directly to the escrow collecting banks (assuming that such bank is not a SCSB) or to the Company or the Registrar to the Issue.
3. Applications through Syndicate ASBA, before submitting the physical Application Form to the Members of the Syndicate or Trading Members of the stock exchange(s), ensure that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at-least one branch in that Specified City for the Members of the Syndicate or Trading Members of the stock exchange(s), as the case may be, to deposit ASBA Forms (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=45>).
4. Application Forms must be completed in block letters in English, as per the instructions contained in this Draft Shelf Prospectus, the Shelf Prospectus and the relevant Tranche Prospectus, the Abridged Prospectus and the Application Form.

Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.
7. The minimum number of Applications and minimum application size shall be ₹10,000. Applicants may apply for one or more series of NCDs Applied for in a single Application Form.
8. Applications must be for a minimum of 10 (Ten) NCDs and in multiples of 1 NCD thereafter. For the purpose of fulfilling the requirement of minimum application size of 10 (Ten) NCDs, an Applicant may choose to apply for 10 (Ten) NCDs or more in a single Application Form.
9. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
10. Applications should be made by Karta in case of HUFs. Applicants are required to ensure that the PAN details of the HUF are mentioned and not those of the Karta.
11. Thumb impressions and signatures other than in English/Hindi/Gujarati/Marathi or any other languages specified in the 8th Schedule of the Constitution needs to be attested by a Magistrate or Notary Public or a Special Executive Magistrate under his/her seal.
12. No separate receipts will be issued for the money payable on the submission of the Application Form. However, the Lead Managers, Consortium Member, Trading Members of the Stock Exchanges or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Lead Managers, Consortium Member, Trading Member of the Stock Exchanges or the Designated Branch of the SCSBs, as the case may be.
13. The Designated Intermediaries or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Designated Intermediaries or the Designated Branch of the SCSBs, as the case may be.
14. Every Applicant should hold valid Permanent Account Number (PAN) and mention the same in the Application Form and submit the same. Applicant without PAN is liable to be rejected, irrespective of the amount.
15. All Applicants are required to tick the relevant column of "Category of Investor" in the Application Form.
16. ASBA will be the default "Mode of Application" as per the SEBI Master Circular.

17. Applicants should correctly mention the ASBA Account number and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form to the Designated Branch and also ensure that the signature in the Application Form matches with the signature in Applicant's bank records, otherwise the Application is liable to be rejected.
18. Applicants must provide details of valid and active DP ID, UPI ID, Client ID and PAN clearly and without error. On the basis of such Applicant's active DP ID, UPI ID, Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Designated Intermediaries, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.
19. If the ASBA Account holder is different from the Applicant, the Application Form should be signed by the ASBA Account holder, in accordance with the instructions provided in the Application Form. Not more than five Applications can be made from one single ASBA Account.
20. For Applicants, the Applications in physical mode should be submitted to the SCSBs or a member of the Syndicate or to the Trading Members of the Stock Exchanges on the prescribed Application Form. SCSBs may provide the electronic mode for making Application either through an internet enabled banking facility or such other secured, electronically enabled mechanism for Application and blocking funds in the ASBA Account.
21. Application Forms should bear the stamp of the Member of the Syndicate, Trading Member of the Stock Exchange, Designated Intermediaries and/or Designated Branch of the SCSB. Application Forms which do not bear the stamp will be rejected.
22. Applicant should correctly mention the ASBA Account number and UPI ID in case applying through UPI Mechanism and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form and ensure that the signature in the Application Form matches with the signature in the Applicant's bank records.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Lead Managers, Consortium Member, Trading Member of the Stock Exchanges in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Designated Intermediaries nor SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

Our Company would allot the series of NCDs, as specified in the relevant Tranche Prospectus to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

B. Applicant's Beneficiary Account and Bank Account Details

ALL APPLICANTS APPLYING FOR ALLOTMENT OF THE NCDs SHOULD MENTION THEIR DP ID, UPI ID (IN CASE APPLYING THROUGH UPI MECHANISM), CLIENT ID AND PAN IN THE APPLICATION FORM. APPLICANTS MUST ENSURE THAT THE DP ID, UPI ID, CLIENT ID AND PAN GIVEN IN THE APPLICATION FORM IS EXACTLY THE SAME AS THE DP ID, UPI ID, CLIENT ID AND PAN AVAILABLE IN THE DEPOSITORY DATABASE. IF THE BENEFICIARY ACCOUNT IS HELD IN JOINT NAMES, THE APPLICATION FORM SHOULD CONTAIN THE NAME AND PAN OF BOTH THE HOLDERS OF THE BENEFICIARY ACCOUNT AND SIGNATURES OF BOTH HOLDERS WOULD BE REQUIRED IN THE APPLICATION FORM.

Applicants applying for Allotment in dematerialized form must mention their DP ID, Client ID, PAN and UPI ID (in case applying through UPI Mechanism) in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form for Allotment in dematerialized form is submitted in the first Applicant's name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchanges do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form for

Allotment in dematerialized form is liable to be rejected. Further, Application Forms submitted by Applicants applying for Allotment in dematerialized form, whose beneficiary accounts are inactive, will be rejected.

On the basis of the DP ID, Client ID, UPI ID (as applicable) and PAN provided by the Applicant in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchanges, the Registrar to the Issue will obtain from the Depositories the Demographic Details of the Applicant including PAN, address, bank account details for printing on refund orders/sending refunds through electronic mode, Magnetic Ink Character Recognition (“MICR”) Code and occupation. These Demographic Details would be used for giving Allotment Advice and refunds (including through physical refund warrants, direct credit, NACH, NEFT and RTGS), if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in dispatch/credit of refunds to Applicants and delivery of Allotment Advice at the Applicants’ sole risk, and neither our Company, the Lead Managers, Trading Members of the Stock Exchanges, Public Issue Account Bank(s), SCSBs, Registrar to the Issue nor the Stock Exchanges will bear any responsibility or liability for the same.

Applicants should note that in case the DP ID, Client ID, UPI ID (as applicable) and PAN mentioned in the Application Form, as the case may be and entered into the electronic Application system of the Stock Exchanges by the Members of the Consortium or the Designated Intermediaries, as the case may be, do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected and our Company, the Members of the Consortium and the other Designated Intermediaries shall not be liable for losses, if any.

The Demographic Details would be used for correspondence with the Applicants including mailing of the Allotment Advice and printing of bank particulars on the refund orders, or for refunds through electronic transfer of funds, as applicable. Allotment Advice and physical refund orders (as applicable) would be mailed at the address of the Applicant as per the Demographic Details received from the Depositories. Applicants may note that delivery of refund orders/ Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Applicant in the Application Form would be used only to ensure dispatch of refund orders. Please note that any such delay shall be at such Applicants sole risk and neither our Company, the Lead Managers, Trading Members By signing the Application Form of the Stock Exchanges, Public Issue Account Banks, SCSBs, Registrar to the Issue nor the Stock Exchanges shall be liable to compensate the Applicant for any losses caused to the Applicant due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in the relevant Tranche Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of Power of Attorney to request the Registrar that for the purpose of printing particulars on the refund order and mailing of refund orders/ Allotment Advice, the demographic details obtained from the Depository of the Applicant shall be used. By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to the Issue will be made into the accounts of such Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Application are liable to be rejected.

Applicants should note that the NCDs will be allotted to all successful Applicants only in dematerialized form. The Application Forms which do not have the details of the Applicant’s depository account, including DP ID, Client ID and PAN and UPI ID (for retail individual investor Applicants bidding using the UPI mechanism), shall be treated as incomplete and will be rejected.

C. Permanent Account Number (PAN)

The Applicant should mention his or her Permanent Account Number (PAN) allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms

of a SEBI circular dated June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. In accordance with Circular No. MRD/DOP/Cir-05/2007 dated April 27, 2007 issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e. either Sikkim category or exempt category.

D. Joint Applications

Applications can be made in joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to first named in the Application whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form

E. Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs, for the same or other Options of NCDs, subject to a minimum application size of ₹10,000 and in multiples of ₹1,000 thereafter. Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹1,000,000 shall be deemed such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN of the sole or the first Applicant is one and the same.

F. Unified Payments Interface (UPI)

Pursuant to the SEBI Master Circular, the UPI Mechanism is an applicable payment mechanism for public debt issues (in addition to the mechanism of blocking funds maintained with SCSBs under ASBA) for applications by retail individual bidders through Designated Intermediaries. All SCSBs offering the facility of making applications in public issues shall also provide the facility to make applications using UPI. The Company will be required to appoint one SCSB as a Sponsor Bank to act as a conduit between the Stock Exchanges and National Payments Corporation of India in order to facilitate the collection of requests and/or payment instructions of the investors.

Electronic registration of Applications

- a. The Designated Intermediaries and Designated Branches of the SCSBs, as the case may be, will register the Applications using the on-line facilities of the Stock Exchanges. Direct Online Applications will be registered by Applicants using the online platform offered by the Stock Exchanges. The Lead Managers, our Company, and the Registrar to the Issue are not responsible for any acts, mistakes or errors or omission and commissions in relation to (i) the Applications accepted by the SCSBs, (ii) the Applications uploaded by the SCSBs, (iii) the Applications accepted but not uploaded by the SCSBs, (iv) Applications accepted and uploaded by the SCSBs without blocking funds in the ASBA Accounts or (v) Applications accepted and uploaded by Trading members of the Stock Exchanges or (vi) the Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Member, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms.

In case of apparent data entry error by the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, in entering the Application Form number in their respective schedules other things remaining unchanged, the Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchange. However, the series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries or Designated Branches of the SCSBs in the data entries as such data entries will be considered for allotment/rejection of Application.

- b. The Stock Exchanges will offer an electronic facility for registering Applications for the Issue. This facility will be available on the terminals of Designated Intermediaries and the SCSBs during the Issue Period. Designated Intermediaries can also set up facilities for off-line electronic registration of Applications subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Applications on a regular basis, and before the expiry of the allocated time on the Issue Closing Date. On the Issue Closing Date, Designated Intermediaries and Designated Branches of SCSBs shall upload the Applications till such time as may be permitted by the Stock Exchanges. This information will be available with the Syndicate Members and the other Designated Intermediaries on a regular basis. Applicants are cautioned that a high inflow of high volumes on the last day of the Issue Period may lead to some Applications received on the last day not being uploaded and such Applications will not be considered for allocation. For further information on the Issue programme, please see “*Issue Structure*” on page 235.
- c. Based on the aggregate demand for Applications registered on the electronic facilities of the Stock Exchanges, a graphical representation of consolidated demand for the NCDs, as available on the websites of the Stock Exchanges, would be made available at the Application centres as provided in the Application Form during the Issue Period.
- d. At the time of registering each Application, the Designated Intermediaries, shall enter the details of the Applicant, such as the Application Form number, PAN, Applicant category, DP ID, Client ID, number and Option(s) of NCDs applied, Application Amounts and any other details that may be prescribed by the online uploading platform of the Stock Exchanges.
- e. With respect to Applications submitted directly to the SCSBs at the time of registering each Application, other than Direct Online Applications, the Designated Branches of the SCSBs shall enter the requisite details of the Applicants in the on-line system including:
 - Application Form number
 - PAN (of the first Applicant, in case of more than one Applicant)
 - Investor category and sub-category
 - DP ID
 - Client ID
 - UPI ID (if applicable)
 - Number of NCDs applied for
 - Price per NCD
 - Bank code for the SCSB where the ASBA Account is maintained
 - Bank account number
 - Application amount
- f. With respect to Applications submitted to the Designated Intermediaries at the time of registering each Application, the requisite details of the Applicants shall be entered in the on-line system including:
 - Application Form number
 - PAN (of the first Applicant, in case of more than one Applicant)
 - Investor category and sub-category
 - DP ID
 - Client ID
 - UPI ID (if applicable)
 - Number of NCDs applied for
 - Price per NCD
 - Bank code for the SCSB where the ASBA Account is maintained
 - Location
 - Application amount

- g. A system generated Acknowledgement Slip will be given to the Applicant as a proof of the registration of his Application. It is the Applicant's responsibility to obtain the Acknowledgement Slip from the Syndicate Members or the other Designated Intermediaries, as the case may be. The registration of the Applications by the Designated Intermediaries does not guarantee that the NCDs shall be allocated/ Allotted by our Company. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind.
- h. The permission given by the Stock Exchanges to use their network and software of the online system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company, and/or the Lead Managers are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Draft Shelf Prospectus; nor does it warrant that the NCDs will be listed or will continue to be listed on the Stock Exchanges.
- i. In case of apparent data entry error by the Designated Intermediaries, in entering the Application Form numbers in their respective schedules, other things remaining unchanged, the Application Form may be considered as valid or such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchange.
- j. Only Applications that are uploaded on the online system of the Stock Exchanges shall be considered for Allotment. The Designated Intermediaries shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Application data in the electronic systems of the Stock Exchanges. In order that the data so captured is accurate, Designated Intermediaries will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period after which the data will be sent to the Registrar to the Issue for reconciliation with the data available with the NSDL and CDSL.

SECTION VIII – SUMMARY OF KEY PROVISIONS OF ARTICLES OF ASSOCIATION

Share capital and variation of rights

2. (A) Subject to the provisions of the Act and these Articles, the shares in the capital of the company shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.

(B) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or within such other period as the conditions of issue shall be provided,

(a) one certificate for all his shares without payment of any charges; or

(b) several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first.

(i) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon.

(ii) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

3. (a) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and On execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate.

(b) The provisions of Articles (2) and (3) shall mutatis mutandis apply to debentures of the company.

4. Except as required by law, no person shall be recognised by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

5 (i) The company may exercise the powers of paying commissions conferred by sub-section (6) of section 40, provided that the rate per cent. or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rule made thereunder.

(ii) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.

(iii) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

6.(i) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.

(ii) To every such separate meeting, the provisions of these regulations relating general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the

class in question.

7. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further share ranking pari passu therewith.

8. Subject to the provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that they are to be redeemed on such terms and in such manner as the company before the issue of the shares may, by special resolution, determine.

Lien

9. (i) The company shall have a first and paramount Lien—

a. on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and

b. on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company:

Provided that the Board of directors may at any time declare any share to wholly or in part exempt from the provisions of this clause.

(ii) The company's lien, if any, on a share shall extend to all dividend bonuses declared from time to time in respect of such shares.

10. The company may sell, in such manner as the Board thinks fit, any shares on which the company has a lien:

Provided that no sale shall be made—

a. unless a sum in respect of which the lien exists is presently payable; or

b. the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

11. (i) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.

(ii) The purchaser shall be registered as the holder of the shares comprised in any such transfer.

(iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale,

12. (i) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.

(ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

Calls on shares

13. (i) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times

Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding

(ii) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.

(iii) A call may be revoked or postponed at the discretion of the Board

14. A call shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed and may be required to be paid by instalments.

15. The joint holders of a share shall be jointly and severally liable to pay all calls in respect

16. (i) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent. per annum or at such lower rate, if any, as the Board may determine.

(ii) The Board shall be at liberty to waive payment of any such interest wholly or in part.

17. (i) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

(ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

18. The Board—

(a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and

(b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent. per annum, as may be agreed upon between the Board and the member paying the sum in advance.

Transfer of shares

19. (i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.

(ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

20. The Board may, subject to the right of appeal conferred by section 58 decline to register—

(a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve or

(b) any transfer of shares on which the company has a lien.

21. The Board may decline to recognise any instrument of transfer unless—

(a) the instrument of transfer is in the form- as prescribed in rules made under subsection (1) of section 56;

(b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

(c) the instrument of transfer is in respect of only one class of shares.

22. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

Transmission of shares

23. (i) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a shareholder, shall be the only persons recognized by the company as having any title to his interest in the shares.

(ii) Nothing in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

24. (i) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either—

(a) to be registered himself as holder of the share; or

(b) to make such transfer of the share as the deceased or insolvent member could have made.

(ii) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.

25. (i) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.

(ii) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.

(iii) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall, be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.

26. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right

conferred by membership in relation to meetings of the company:

Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have complied with.

Forfeiture of shares

27. If a member fails to pay any call, or installment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.

28. The notice aforesaid shall—

(a) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and

(b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

29. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect

30. (i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.

(ii) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.

31. (i) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.

(ii) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.

32. (i) A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;

(ii) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;

(iii) The transferee shall thereupon be registered as the holder of the share; and

(iv) The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

33. The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Alteration of capital

34. The company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount. as may be specified in the resolution.

35. Subject to the provisions of section 61, the company may, by ordinary resolution,

(a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

(b) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;

(c) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;

(d) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

36. Where shares are converted into stock,

(a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

(b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

(c) such of the regulations of the company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder" in those regulations shall include "stock" and "stock-holder" respectively.

37. The company may, by special resolution, reduce in any manner and with, and subject to, any incident authorised and consent required by law,

- (a) its share capital;
- (b) any capital redemption reserve account; or
- (c) any share premium account.

Capitalisation of profits

38. (i) The company in general meeting may, upon the recommendation of the Board, resolve—

(a) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and

(b) that such sum be accordingly set free for distribution in the manner specified in clause (i) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.

(ii) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (iii), either in or towards—

- (A) paying up any amounts for the time being unpaid on any shares held by such members respectively;
- (B) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
- (C) partly in the way specified in sub-clause (A) and partly in that specified in sub-clause (B);

(D) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares;

(E) The Board shall give effect to the resolution passed by the company in pursuance of this regulation.

39. (i) Whenever such a resolution as aforesaid shall have been passed, the Board shall—

(a) make all appropriations and application of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and

(b) generally, do all acts and things required to give effect thereto.

(ii) The Board shall have power—

(a) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and

(b) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the company, providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;

(iii) Any agreement made under such authority shall be effective and binding on such members.

Buy-back of shares

40. Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.

General meetings

41. All general meetings other than annual general meeting shall be called extraordinary general meeting.

42. (i) The Board may, whenever it thinks fit, call an extraordinary general meeting.

(ii) If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any

director or any two members of the company. may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

Proceedings at general meetings

43. (i) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.

(ii) Save as otherwise provided herein, the quorum for the general meeting shall be as provided in section 103.

44. The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the company.

45. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairperson of the meeting, the directors present shall elect one of their members to be Chairperson of the meeting.

46. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.

Adjournment of meeting

47. (i) The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.

(ii) No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

(iii) When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.

(iv) Save as aforesaid, and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

Voting rights

48. Subject to any rights or restrictions for the time being attached to any class or classes of shares,

(a) on a show of hands, every member present in person shall have one vote; and

(b) on a poll, the voting rights of members shall be in proportion to his share in the paid up equity share capital of the company.

49. A member may exercise his vote at a meeting by electronic means in accordance with section 108 and shall vote only once.

50. (i) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

(ii) For this purpose, seniority shall be determined by the order in which the names stand in the register of members.

51. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.

52. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.

53. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.

(i) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.

(ii) Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

Proxy

54. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at the registered office of the company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 48 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.

55. An instrument appointing a proxy shall be in the form as prescribed in the rules made under section 105.

56. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

57. A Person appointed as proxy shall act on behalf of such member or number of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the company carrying voting rights.

Provided that a member holding more than ten percent of the total Share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder.

Board of Directors

58. The number of the directors and the names of the first directors shall be determined in writing by the subscribers of the memorandum or a majority of them.

59. (i) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.

(ii) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel (and other expenses properly incurred by them,

(a) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or

(b) in connection with the business of the company.

60. The Board may pay all expenses incurred in getting up and registering the company.

61. The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that (section) make and vary such regulations as it may think fit respecting the keeping of any such register.

62. All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.

63. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.

64. (i) Subject to the provisions of section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles.

(ii) Such person shall hold office only up to the date of the next annual general meeting of the company but shall be eligible for appointment by the company as a director at that meeting subject to the provisions of the Act.

65. (i) The Board may appoint an alternate director to act for a director (hereinafter called as "Original Director") during his absences for a period of not less than three months in India. No person shall be appointed as alternate director for an independent director unless he is qualified to be appointed as an Independent Director under the provisions of the Act.

(ii) An alternate director shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate the office if and when Original Director returns to India.

(iii) If the term of office of Original Director is determined before he returns to India the automatic reappointment of retiring Director in default of another appointment shall apply to the Original Director and not to the alternate director.

66. (i) Notwithstanding anything to the contrary contained in the Articles, so long as any moneys remain owing by the Company the any finance corporation or credit corporation or body, (herein after in this Article referred to as —The Corporation) out of any loans granted by them to the Company or as long as any liability of the Company arising out of any guarantee furnished by the Corporation, on behalf of the Company remains defaulted, or the Company fails to meet its obligations to pay interest and/or instalments, the Corporation shall have right to appoint from time to time any person or person as a Director or Directors (which Director or Directors is/are hereinafter referred to as —Nominee Director(s)) on the Board of the Company and to remove from such office any person so appointed.

Dear Mr. Venkatesh N,

Re: CRISIL Rating on the Rs.2000 Crore Non Convertible Debentures* of IIFL Samasta Finance Limited

We refer to your request for a rating for the captioned Debt instrument.

CRISIL Ratings has, after due consideration, assigned a CRISIL AA-/Stable (pronounced as CRISIL double A minus rating with Stable outlook) rating to the captioned Debt instrument. Securities with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such securities carry very low credit risk.

Further, in view of your decision to accept the CRISIL Ratings, we request you to apprise us of the instrument details (in the enclosed format) as soon as it has been placed. In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from CRISIL Ratings will be necessary.

As per our Rating Agreement, CRISIL Ratings would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL Ratings reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL Ratings believes may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.

As per SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL Ratings to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us at debtissue@crisil.com for any clarification you may need.

Should you require any clarification, please feel free to get in touch with us.

With warm regards,

Yours sincerely,

1 crore = 10 million

Refer to Annexure for Details of Instruments & Bank Facilities

Detailed Rationale

CRISIL Ratings has assigned its 'CRISIL AA-/Stable' rating to Rs.2000 crore non-convertible debentures of IIFL Samasta Finance Limited (Samasta; formerly Samasta Microfinance Limited). It has also reaffirmed its ratings on the long-term bank facilities and debt programmes of IIFL Samasta Finance at 'CRISIL AA-/CRISIL PPMLD AA-/Stable/CRISIL A1+'.

CRISIL Ratings has also withdrawn its rating on the Rs 85 crore non-convertible debentures and Rs 200 crores Long-term principal protected market linked debentures (see the Annexure - Details of Rating Withdrawn' for details) on receipt of independent confirmation that these instruments are fully redeemed, in line with its withdrawal policy.

The ratings continue to reflect strong financial and managerial support from parent, IIFL Finance, adequate capitalisation, above-average earnings, albeit moderation on account of higher provisioning to combat the pandemic and improving diversity in resource profile. The rating also factors in the shared name of the company, which further enhances the moral obligation of IIFL Finance Ltd (IIFL Finance; rated 'CRISIL AA/CRISIL PP-MLD AA/Stable/CRISIL A1+') to support Samasta. These rating strengths are partially offset by Samasta's geographic concentration in revenue, ability to manage asset quality and control credit losses and susceptibility to regulatory and legislative risks associated with the microfinance sector.

The prefix 'PP-MLD' indicates that the principal amount of the debentures is protected, while the returns market-linked. The suffix 'r' shows that the returns on the debentures have significant risks other than credit risk. Also, payments to investors are not fixed and are linked to external variables such as commodity prices, equity indices, foreign exchange rates or equity valuation of the company.

Disbursement pace that had slowed down post the new RBI directives, picked up pace from June 2022 onwards, with the company disbursing over Rs Rs 2830 cr in Q1FY24 alone.

Analytical Approach

CRISIL Ratings has notched up the standalone business and financial risk profiles of Samasta as it is expected to receive financial and managerial support from the parent, IIFL Finance, if required

Key Rating Drivers & Detailed Description

Strengths:**Strong financial and managerial support from IIFL Finance**

The parent will continue to provide support on an ongoing basis and in the event of distress, given its majority ownership and Samasta's strategic importance to the group, and presence in the board of directors. The microfinance business is strategically important and helps diversify the financial product suite of the parent and expand its presence in the financial inclusion space. Also, the microfinance business is scalable, and expected to grow materially over the medium term. Samasta's business is well established and is growing at a healthy pace and formed around 16.2% of the group's assets under management (AUM) as on June 30, 2023. Regular financial support—through equity infusion—and strategic inputs from IIFL Finance have enabled the company to ramp-up operations. IIFL Finance and IIFL Home Finance have infused incremental capital of Rs 940 crore post-acquisition, with the latest infusion of Rs 200 crore in February 2023 and is expected to provide further capital on a regular basis. It also has representatives on the board and senior management of Samasta and is actively involved in managing the treasury. Hence, CRISIL Ratings believes IIFL Finance has a strong moral obligation to continue supporting Samasta.

Adequate capitalisation

Networth was adequate at Rs 1340 crore as on June 30, 2023. Adjusted gearing has been historically on the higher side and stood at 6.7 times as on June 30, 2023. The capital position is supported by regular infusions by the parent IIFL Finance as is evidenced by the latest Rs 200 cr infusion done in February 2023. Capital adequacy ratio (CAR) stood at 20% as on June 30, 2023, in comparison to 16.91% three years ago. On account of the parent's ability and willingness to infuse capital when required, Samasta's capitalization will remain adequate over the medium term in the normal course of business.

Above-average earnings, albeit moderation on account of higher credit costs

After reporting healthy profits of Rs 53 crore and Rs 107 crore during fiscal 2019 and fiscal 2020 respectively with return on managed assets (RoMA) of 3.2% and 3.4% respectively, fiscal 2021 saw the company reporting a net profit of only Rs 67 crore. The lower profitability was primarily due to Rs 141 crore provisioning (including write-off of Rs 42.8 crore) considering the potential challenges in recovering overdues amid the pandemic. Consequently, the RoMA dropped to 1.5% during fiscal 2021. The company continued with aggressive provisioning in fiscal 2022 as well and created total provisioning of Rs 230.6 (including write-off of Rs 131.8 crore) which resulted in the company reporting a net profit of only Rs 51 crore and RoMA of 0.8%. During fiscal 2023, despite the company continuing with higher provisioning (including writeoff) of Rs 455.3 crore, reported a PAT of Rs 128.2 crore with RoMA of 1.4%. At pre provisioning level, the profit stood at Rs 613.8 crore as of March 31, 2023. Credit cost rose to 4.9% during fiscal 2023, compared with 1.6% in fiscal 2022. As on June 30, 2023, the reported PAT stands at Rs 91.7 crores and annualized ROMA at 3.1 times, with the credit cost being 2.9%. Nevertheless, along with the growth in its portfolio, the company has maintained healthy net interest margin (NIMs) in the past three fiscals. Operating cost has also benefited from the operating leverage attained with high growth in portfolio. Given the aggressive write-offs implemented by the company, profitability is expected to improve, albeit gradually in the coming quarters. Samasta's ability to manage recoveries and sustain its earnings profile at pre-pandemic level would be a key rating sensitivity factor.

Improving diversity in funding profile

Samasta has significantly improved the diversity in its resource profile since its acquisition by IIFL Finance. Nearly 9% of the external liabilities were from capital market instruments as on June 30, 2023, and bank loans and loans from non-banking financial company (NBFCs) accounted for around 71%. In terms of cost of borrowing, it remained at around 9.46% during fiscal 2023 and 10.45% during Q1 fiscal 2024. Post increase in the interest rates in market, the cost of borrowing has seen some elevation during past 3-4 quarters. Nevertheless, with removal of margin cap (from April 1, 2022, in-line with RBI regulations), the company has been able to increase its yields and accordingly impact of elevation in cost of borrowing has been low on the net level profitability.

Weakness:**Geographic concentration in operations**

Though diversifying gradually, the loan portfolio of Samasta is still highly concentrated with 60% of its own portfolio as on June 30, 2023, housed in four states: Tamil Nadu, Bihar, Rajasthan and Karnataka. The top five districts accounted for 9.5% of the loan book. Post-acquisition by IIFL Finance, the company has operations in Bihar, Kerala, Rajasthan, Goa, Chhattisgarh and Gujarat. Of these, growth of disbursements in Bihar has been particularly rapid, reflected in the proportion of AUM in the state increasing from 1.1% as of March 2018 to 20.8% as on March 31, 2023. Post demonetisation, spurt in microfinance lending in states such as Odisha, Bihar, and West Bengal is showing early signs over heating in certain pockets and the ability of the company to manage portfolio quality in these regions is a key monitorable. CRISIL Ratings will continue to monitor the situation and its likely impact on credit losses as it evolves.

Ability to maintain asset quality performance and control credit losses in the near term remains a monitorable

The company's 90+ days past due (dpd) improved to 2.2% in June 2023 as compared to 2.7% as on June 2022) on the back of improved collection efficiency as well as higher write-offs and the sale to ARC done in the second half of fiscal 2023. Additionally, the company has total outstanding restructured portfolio of Rs 69.7 crores (0.63% of the loan book) which has reduced from Rs 259 crore (4.3% of the loan book) as of September 2022. During fiscal 2023 as well, the company made provisions of Rs 4.4 crore and wrote off its portfolio to the tune of Rs 450.9 crore. As far as collection efficiency is concerned, (including overdues but excluding prepayments) it remained in the range of 96-97% during June 2022 till June 2023. Additionally, the incremental originations done post June 2022, the collection efficiency has remained high at around 99%. Nevertheless, considering the pace of growth, the company's ability to sustain on collection efficiency and eventually reach pre-pandemic levels of over 99% on a steady-state basis will remain a key monitorable.

Susceptibility to regulatory and legislative risks associated with the microfinance sector

The microfinance sector witnessed two major disruptive events in the past decade. The first was the crisis promulgated by the ordinance passed by the government of Andhra Pradesh in 2010, and the second was demonetisation in 2016. In addition, the sector faced issues of varying intensity in several geographies. Promulgation of the ordinance on MFIs by the government of Andhra Pradesh in 2010 demonstrated their vulnerability to regulatory and legislative risks. The ordinance triggered a chain

of events that adversely affected the business models of MFIs by impairing their growth, asset quality, profitability and solvency. Similarly, the sector witnessed high level of delinquencies post-demonetisation and subsequent socio-political events. For Samasta, the ultimate credit loss due to disruption after demonetisation was close to 14.3%, which was borne over two fiscals. The MFI Bill, 2020 passed recently by the Assam Assembly may increase asset-quality challenges for MFIs. Additionally, any loan waivers announced will make matters worse due to their impact on repayment discipline. In addition, the sector remains susceptible to issues such as local elections, natural calamities and borrower protests among others, which may result in momentary spurt in delinquencies. This indicates the fragility of the business model to external risks. As the business involves lending to the poor and downtrodden sections of society, MFIs will remain exposed to socially sensitive factors, including high interest rates, tighter regulations and legislation.

Liquidity: Strong

Liquidity buffer (cash and liquid investments as on June 30, 2023), at a standalone level, to cover total debt repayment and operating expenses for the succeeding three months was 1.8 times (assuming 75% collection efficiency). Additionally, IIFL Finance will provide timely fund support for servicing of debt if needed. Consolidated liquidity position: Rs 6,544 crore (including undrawn sanction lines of Rs 3,435 crore) as on July 31, 2023, with debt repayments of Rs 4,075 crore over August 2023 to November 2023.

Outlook: Stable

The Stable outlook reflects a similar outlook on the parent, IIFL Finance. CRISIL Ratings believes Samasta will continue to receive financial and managerial support from IIFL Finance, thereby maintaining its adequate capitalisation and liquidity.

Rating Sensitivity factors

Upward factors

- Upward revision in the credit rating of IIFL Finance
- Significant improvement in scale and geographic diversity of operations with top three states accounting for not more than 50% of loan portfolio
- Significant increase in scale and geographic diversity of operations while maintaining return on managed assets (RoMA) above 3% and adjusted gearing at below 3 times

Downward factors

- Downward revision in the credit rating, or change in the support philosophy or ownership by IIFL Finance
- Significant weakness in asset quality, leading to stress in profitability and capitalisation, resulting in a steady state CAR of less than 20%
- Liquidity buffer remaining low as against scheduled debt and loan payments

About the Company

Samasta, an NBFC and MFI, is a majority-owned subsidiary of IIFL Finance. Samasta started operations in March 2008 by taking over Colanac Finance Ltd, an NBFC. It follows the standard Grameen Bank model and lends to groups of five. The centres have 25-30 members. IIFL Finance acquired significant stake in Samasta in fiscal 2017.

About CRISIL Ratings Limited (A subsidiary of CRISIL Limited, an S&P Global Company)

CRISIL Ratings pioneered the concept of credit rating in India in 1987. With a tradition of independence, analytical rigour and innovation, we set the standards in the credit rating business. We rate the entire range of debt instruments, such as bank loans, certificates of deposit, commercial paper, non-convertible/convertible/partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 33,000 large and mid-scale corporates and financial institutions. We have also instituted several innovations in India in the rating business, including ratings for municipal bonds, partially guaranteed instruments and infrastructure investment trusts (InvITs).

CRISIL Ratings Limited ('CRISIL Ratings') is a wholly-owned subsidiary of CRISIL Limited ('CRISIL'). CRISIL Ratings Limited is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI").

DISCLAIMER

This disclaimer is part of and applies to each credit rating report and/or credit rating rationale ('report') that is provided by CRISIL Ratings Limited ('CRISIL Ratings'). To avoid doubt, the term 'report' includes the information, ratings and other content forming part of the report. The report is intended for the jurisdiction of India only. This report does not constitute an offer of services. Without limiting the generality of the foregoing, nothing in the report is to be construed as CRISIL Ratings providing or intending to provide any services in jurisdictions where CRISIL Ratings does not have the necessary licenses and/or registration to carry out its business activities referred to above. Access or use of this report does not create a client relationship between CRISIL Ratings and the user.

We are not aware that any user intends to rely on the report or of the manner in which a user intends to use the report. In preparing our report we have not taken into consideration the objectives or particular needs of any particular user. It is made abundantly clear that the report is not intended to and does not constitute an investment advice. The report is not an offer to sell or an offer to purchase or subscribe for any investment in any securities, instruments, facilities or solicitation of any kind to enter into any deal or transaction with the entity to which the report pertains. The report should not be the sole or primary basis for any investment decision within the meaning of any law or regulation (including the laws and regulations applicable in the US).

Ratings from CRISIL Ratings are statements of opinion as of the date they are expressed and not statements of fact or recommendations to purchase, hold or sell any securities/instruments or to make any investment decisions. Any opinions expressed here are in good faith, are subject to change without notice, and are only current as of the stated date of their issue. CRISIL Ratings assumes no obligation to update its opinions following publication in any form or format although CRISIL Ratings may disseminate its opinions and analysis. The rating contained in the report is not a substitute for the skill, judgment and experience of the user, its management, employees, advisors and/or clients when making investment or other business

decisions. The recipients of the report should rely on their own judgment and take their own professional advice before acting on the report in any way. CRISIL Ratings or its associates may have other commercial transactions with the entity to which the report pertains.

Neither CRISIL Ratings nor its affiliates, third-party providers, as well as their directors, officers, shareholders, employees or agents (collectively, 'CRISIL Ratings Parties') guarantee the accuracy, completeness or adequacy of the report, and no CRISIL Ratings Party shall have any liability for any errors, omissions or interruptions therein, regardless of the cause, or for the results obtained from the use of any part of the report. EACH CRISIL RATINGS PARTY DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. In no event shall any CRISIL Ratings Party be liable to any party for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees or losses (including, without limitation, lost income or lost profits and opportunity costs) in connection with any use of any part of the report even if advised of the possibility of such damages.

CRISIL Ratings may receive compensation for its ratings and certain credit-related analyses, normally from issuers or underwriters of the instruments, facilities, securities or from obligors. Public ratings and analysis by CRISIL Ratings, as are required to be disclosed under the regulations of the Securities and Exchange Board of India (and other applicable regulations, if any), are made available on its website, www.crisilratings.com (free of charge). Rating Rationale

Acuite has reaffirmed its long term rating of **ACUITE AA (read as ACUITE double A)** on the Rs. 3000 Cr. Non-Convertible Debentures facility* of IIFL Samasta Finance Limited (IIFL Samasta). The outlook is **'Stable'**.

*Out of the Rs. 3000 Cr NCD facility, Rs. 2000 Cr are proposed to be a public issue.

Acuite has reaffirmed its rating of **ACUITE A1+ (read as ACUITE A one plus)** on the Rs. 50.00 Cr Proposed Commercial Paper of IIFL Samasta Finance Limited.

Rating Rationale

The rating continues to derive strength from IIFL Samasta's strong parentage through IIFL Finance Limited (IIFL Finance), the NBFC-MFI (Samasta) is a 99.51 percent subsidiary of the parent company, and expectations of continued support going forward. By virtue of majority ownership, IIFL Samasta also enjoys significant managerial and financial synergies with IIFL Finance group. The rating further derives strength from IIFL Samasta's strategic importance for the parent company given that the NBFC-MFI arm provides business & revenue diversification. Acuite also takes cognizance that the promoter will maintain majority ownership in IIFL Samasta Finance Limited. The parent company IIFL Finance Limited (Listed) has a total networth of ~Rs. 10,202 Crore and a market cap of over Rs. 17,755 Crore as on March 31, 2023. The rating also takes into consideration the significant growth in IIFL Samasta's assets under management (AUM) over the last year, leading to improved and healthy profitability metrics. The company's loan portfolio outstanding as on March 31, 2023 grew significantly to Rs. 10,552.24 Cr as compared to Rs. 6,483.84 Cr as on March 31, 2022 and has reported PAT of Rs. 128.18 Cr as on March 31, 2023 as against Rs.50.60 Cr as on March 31, 2022. Further, the loan portfolio outstanding increased to Rs. 11, 072.31 Cr and reported PAT of Rs. 91.60 Cr during Q1FY2024. The rating also factors in company's sound asset quality and robust risk management practices. IIFL Samasta reported gross nonperforming assets (GNPA) of 2.11 percent as on June 30, 2023. The rating is however constrained by concentration of loan portfolio in the top 4 states (Bihar, Tamil Nadu, Karnataka and Rajasthan) comprising ~60 percent of the AUM and susceptibility to risks inherent to microfinance segment.

About the company

IIFL Samasta started operations in March 2008. The Company aims at helping customers with income generating activities and working capital requirements. IIFL Finance acquired significant stake in Samasta in fiscal year 2017. As on June 30, 2023, Samasta had a presence in 21 states, catering to more than 34 lakh customers through a network of 1,352 branches spread across 363 districts.

About the Group

IIFL Finance is the listed holding company of the IIFL Finance group and is registered as a systemically important non-deposit-taking, non-banking financial company. The group offers various retail lending products, including gold loans, home loans, LAP, business loans and microfinance loans which are the core segments and form 93% of the AUM while the rest comprises capital market-based lending (margin funding and loans against shares) and construction and developer finance.

Analytical Approach

Analytical Approach Extent of Consolidation

- Full Consolidation

Rationale for Consolidation or Parent / Group / Govt. Support

Acuite has consolidated the business and financial risk profiles of IIFL Finance (Parent Company) and its subsidiaries, including IIFL Home and IIFL Samasta Finance Ltd (IIFL Samasta). This consolidation is in the view of the common promoters, shared brand name and strong financial and operation synergies.

Key Rating Drivers

Strength

Promoter support and synergies arising from association with IIFL Finance Group

Samasta is supported by the managerial, and the financial synergies of the group. IIFL Group made a strategic investment in IIFL Samasta Finance Limited, and the Group shall continue to hold a controlling stake in the business. The credit profile of Samasta derives significant financial flexibility as a part.

Samasta has been receiving periodical support from its promoters over the years. IIFL Group had infused a total capital of ~Rs. 200 Cr during Q4FY23. Furthermore, Samasta is expected to receive funding support from the group to support the expansion of its business operations. It also has representatives on the board from IIFL group.

Acuite believes that the microfinance business is strategically important for IIFL group and it helps diversify the financial product suite of the parent and expand its presence in the financial inclusion space. Also, the microfinance business is scalable, and is expected to grow moderately over the medium term.

Adequate Earnings Profile

At IIFL Finance group level, the revenue streams comprise of IIFL Finance Limited (Parent Company) and its subsidiaries IIFL Home Finance Limited and IIFL Samasta Finance Limited. The parent company along with IIFL Home Finance Limited contributed ~90 percent towards the bottom-line in FY2023.

On a consolidated level, the IIFL group reported a profit of Rs. 1,607.55 Cr as on March 31, 2023 improving from Rs. 1,188.25 Cr as on March 31, 2022. On a standalone basis, Samasta's profitability indicators were healthy marked by Net Interest Margin (NIM) which stood at 12.09 percent as on March 31, 2023. The NBFC-MFI reported a PAT of Rs 128.18 Cr as on March 31, 2023 vis-à-vis Rs 50.60 Cr. as on March 31, 2022. Samasta reported a PAT of Rs. 91.60 Cr during Q1FY24. IIFL Samasta's loan portfolio has grown steadily owing to healthy disbursement levels. The company's overall disbursement remained healthy, the disbursement stood at Rs. 10,213.76 Cr as on FY2023 as compared to Rs. 6,483.84 Cr as on FY2022.

Acuite believes that the ability of the company to sustain the improved levels of earnings profile would be a key monitorable.

Significant AUM growth while maintaining sound asset quality

IIFL Samasta's loan portfolio outstanding as on March 31, 2023 grew significantly to Rs.10,552.24 Cr as compared to Rs. 6,483.84 Cr as on March 31, 2022. The loan portfolio outstanding further grew to Rs. 11,072.31 Cr as on June 30, 2023. The loans have an average tenure ranging upto 24months. IIFL Samasta has demonstrated sound asset quality, as reflected in the Gross NonPerforming Assets (GNPA) of 2.11percent and NNPA of 0.62 percent as on June 30, 2023. The company has structured inherent checks for effective risk management that include lending policy, underwriting process and dedicated due diligence team, which helps to maintain asset quality. The company's collection efficiency for current month due averages above 95 percent for last 6 month ended June 30, 2023, resulting to an ontime portfolio of 95.50 percent as on June 30, 2023.

Acuite believes that the ability of the company to grow its loan portfolio while maintaining asset quality will be key monitorable.

Weakness

Geographic concentration in operations

IIFL Samasta has its operations spreads across 21 states spanning 363 districts through its network of 1,352 branches as on June 30, 2023. The company has added 460 branches during FY2023. Despite the expansion geographic concentration of loan portfolio was seen in the top 4 states (Bihar, Tamil Nadu, Karnataka and Rajasthan) comprising ~60 percent of the AUM. IIFL Samasta has been gradually reducing its exposure to geographic concentration with addition of new branches in different districts and venturing in new states. Acuite believes that containing additional slippages while maintaining the growth in the loan portfolio and reducing geographic concentration will be crucial.

Susceptibility to risks inherent to microfinance segment

IIFL Samasta Finance Limited primarily extends unsecured loans to economically challenged borrowers who have limited ability to absorb income shocks. Since financial assistance to economic challenged borrowers is a sensitive issue, from government standpoint the regulatory dispensation in respect of the policies becomes relevant. Any changes in the regulatory environment impeding the ability of entities like IIFL Samasta to enforce collections, etc will have an impact on its operational performance. Besides the regulatory risks, the inherent nature of the business renders the portfolios vulnerable to event risks such as natural calamities in the area of operations.

ESG Factors Relevant for Rating

IIFL Finance is the listed holding company of the IIFL Finance group and is registered as a systemically important non-deposit-taking, non-banking financial company. Some of the material governance issues for the financial services sector are policies and practices with regard to business ethics, board diversity and independence, compensation structure for board and KMPs, role of the audit committee and shareholders' rights. On the social aspect, some of the critical issues for the sector are the contributions to financial inclusion and community development, responsible financing including environmentally friendly projects and policies around data privacy. The industry, by nature has a low exposure to environmental risks. The entity maintains adequate transparency in its business ethics practices as can be inferred from the entity's disclosures regarding related party transactions, vigil mechanism and whistle blower policy. The board of directors of the company comprise of 8 directors out of which 4 are independent director. The audit committee is with the objective to monitor and provide an unbiased supervision of the management's financial reporting process. IFL also maintains transparency in terms of disclosures pertaining to interest rate policy and its adherence to Fair Practice Code as disseminated by Reserve Bank of India's circular. It continues to work on several community development initiatives and has also developed a social performance management system to facilitate financial stability of its staff and clients. In digitalization, the Company promotes technology that encapsulates the entire MFI operations of the company on Application Service Provider model.

Rating Sensitivity

- Movement in profitability as per the expectations
- Movement in the asset quality and collection efficiency
- Changes in Regulatory environment
- Continued funding support from promoters as well as capital raising ability Changes in Capital Structure

All Covenants

None

Liquidity Position

Adequate

IIFL Samasta Finance Limited's liquidity profile is adequate with no cumulative mismatches in individual buckets up in near to medium term based on the ALM statement as on June 30, 2023. Further, the company has cash and cash equivalents of Rs. 227.11 Cr. as on March 31, 2023. Additionally, IIFL Finance will provide timely fund support for servicing of debt if needed.

Outlook:

Acuite believes that IIFL Samasta Finance Limited will maintain a 'Stable' outlook over the near to medium term owing to the established track record of promoters and their demonstrated ability to sustain the business growth. The outlook may be revised to 'Positive' in case of higher than envisaged growth in loan portfolio while maintaining profitability and asset quality metrics. Conversely, the outlook may be revised to 'Negative' in case of any deterioration in asset quality, profitability metrics and capital structure

Note on complexity levels of the rated instrument

In order to inform the investors about complexity of instruments, Acuite has categorized such instruments in three levels: Simple, Complex and Highly Complex. Acuite's categorisation of the instruments across the three categories is based on factors like variability of the returns to the investors, uncertainty in cash flow patterns, number of counterparties and general understanding of the instrument by the market. It has to be understood that complexity is different from credit risk and even an instrument categorized as 'Simple' can carry high levels of risk. For more details, please refer Rating Criteria "Complexity Level Of Financial Instruments" on www.acuite.in.

ANNEXURE C – FINANCIAL STATEMENTS

[Rest of the page intentionally kept blank]

Independent Auditor's Review Report on unaudited quarterly financial results of IIFL Samasta Finance Limited under Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors of
IIFL Samasta Finance Limited
(Formerly known as Samasta Microfinance Limited)

Introduction:

1. We have reviewed the accompanying statement of unaudited financial results of IIFL Samasta Finance Limited ('the Company') for the quarter and half year ended September 30, 2023 ('the Statement') pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, the circulars, guidelines and directions issued by Reserve Bank of India ('RBI') from time to time ("RBI guidelines") read with other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Obligations. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review:

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion:

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Notes:

1. The above financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, prescribed under Section 133 of the Companies Act, 2013 ("the Act"), and other recognized accounting practices generally accepted in India and in compliance with Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. The financial results have been reviewed by the Audit Committee at their meeting held on Oct 17, 2023 and have been approved and taken on record by the Board of Directors at their meeting held on Oct 17, 2023. The Statutory Auditors of the Company have carried out limited review of the aforesaid results.
3. The Company is regulated by the Reserve Bank of India ("RBI"). The RBI periodically issues/amends directions, regulations and/or guidelines (collectively "Regulatory Framework") covering various aspects of the operation of the Company, including those relating to accounting for certain types of transactions. The Regulatory Framework contains specific instructions that need to be followed by the Company in preparing its financial statements.
4. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the company. Revenue, expenses, assets and liabilities which relate to the company as a whole and are not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'. Currently, the Company has only one reportable business segment which is Micro Finance.
5. As per Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), debentures are secured by the Company's specified book debts and loan installment receivables along with mortgage created over the immovable property. The total asset cover as on Sep 30, 2023 is 1.07 times of the principal amount of the said debentures, which is in line with the terms of offer document.
The following are the details of nature and extent of security provided towards secured listed non convertible debentures.

Sl. No	ISIN Number	Nature of Security	Outstanding Balance as on 30/09/2023 (Amount in ₹)	Rate of Interest	Security Cover

To the Members of IIFL Samasta Finance Limited (Formerly known as "Samasta Micro Finance Limited")

Report on the Audit of the financial statements

Opinion

1. We have audited the financial statements of M/s IIFL Samasta Finance Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit, other total comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our Audit addressed the Key Audit Matter
<p>(a) Expected Credit Loss</p> <p>Refer note 2 (c) of significant accounting policies and note 40 for credit disclosures.</p> <p>As at 31 March 2023, the Company has total gross loan assets of Rs. 7,998.53 crores (2022: Rs. 5,772.72 crores) against which an Expected Credit Loss ('ECL') of Rs. 257.22 crores (2022 Rs. 254.80 crores) has been accrued.</p> <p>The ECL approach as required under Ind AS 109, Financial instruments, involves high degree of complexity and requires significant judgement of the management.</p> <p>The Management is required to determine the ECL that may occur over either a 12-month period or the remaining life of an asset, depending on the categorization of the individual asset. The key areas of judgment include:</p> <p>1. Categorization of loans in Stage 1, 2 and 3 based on identification of:</p> <p>a) exposures with Significant Increase in Credit Risk (SICR) since their origination and</p> <p>b) Individually impaired / default exposures.</p> <p>2. Techniques used to determine Loss Given Default ('LGD') and Probability of Default ('PD') to calculate an ECL are based on past experience.</p> <p>3. The impact of different future macroeconomic conditions in the determination of ECL.</p> <p>These parameters are derived from the Company's internally developed statistical models, historical data and a change in such models or assumptions could have a material impact on the accompanying financial statements.</p> <p>These factors required the models to be assessed based on the available</p>	<p>Our audit focused on assessing the appropriateness of management's judgment and estimates used in the impairment analysis through procedures that included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Evaluated the Company's accounting policies for estimation of expected credit loss on loan assets in accordance with the requirements of Ind AS 109, Financial Instruments. • Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions. Since modelling assumptions and parameters are based on historical data, we assessed whether historical experience was representative of current circumstances and was relevant in view of the recent impairment losses incurred within the portfolios. • Assessed the design and implementation, and tested the operating effectiveness of controls over the modelling process including governance over monitoring of the model and approval of key assumptions. • Evaluated the appropriateness of the Company's process of determination of significant increase in credit risk in accordance with the applicable accounting standard and the basis for classification of exposures into various stages. • Obtained the approved policy of board of directors to understand the relief measures sanctioned to various class of borrowers in accordance with the directions given by the RBI and tested, on sample basis, the compliance with respect to asset classification and provisioning norms as per such directions. • Tested management's computation of ECL by performing following procedures:

<p>information including the additional risk profiling due to the impact of COVID-19 Pandemic, geographical, political and economic risk to measure the ECL.</p> <p>Management has made a number of interpretations and assumptions when designing and implementing models that are compliant with the standard. The accuracy of data flows and the implementation of related controls is critical for the integrity of the estimated impairment provisions.</p> <p>Considering the significance of the above matter to the financial statements and the significant auditor attention required to test such complex accounting estimates, we have identified this as a key audit matter for current year audit.</p>	<ul style="list-style-type: none"> a) Evaluated management's groupings of borrowers on the basis of different product lines and customer segments with different risk characteristics. b) Tested classification of loans into various categories based on their past due status and other loss indicators. On a sample basis, inspected the repayment schedule from the underlying borrower agreements and collection made on due dates; c) Performed test of details of the input information used in ECL computation on a sample basis. d) Tested the arithmetical accuracy of the computation. e) Performed analytical procedures by determining various ratios or percentage-based measures to review overall reasonableness of the estimate determined by the management.
<p>2. Identification and Measurement of NPA: As per RBI's circular dated November 12, 2021 read with earlier circular dated October 1, 2021 on "Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, Automation of NPA and provisioning is required to be implemented by all lending Institutions.</p> <p>The NPA provisioning as per ECL methodology followed by the Company are not fully automated in Software Applications used by the Company for Loans Management and are performed manually through excel spreadsheets. Further, marking of linked accounts at borrower level as NPAs are done manually. These may have impact on the accuracy and completeness of the provision accrued for NPAs.</p> <p>Considering the significance, we have identified this as a key audit matter for current year audit.</p>	<p>Performed other substantive procedures, included but not limited to the following:</p> <ul style="list-style-type: none"> • Assessed the appropriateness of asset classification and adequacy of related provisioning by performing procedures such as computation of overdue ageing, assessment of borrower level NPA identification and verification of applicable provision rates as per ECL policy of the Company on test check basis; • Selected samples of performing loan accounts to assess, independently, whether such loan accounts should be classified as NPA; • Recompilation of the amount of ECL provisioning on the total advances base considering the stage wise categories of advances, LGD (Loss given default) and PD (Probability of default) arrived by the Company.

Information Other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the financial statements:

6. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by Sec 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with schedule V to the Act.
15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013, we give in "Appendix - A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account for the purpose of preparation of the financial statements.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Appendix-B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position in its financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any persons or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries.
 - b. The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has paid dividend during the year which is in compliance with section 123 of the Companies Act, 2013.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Appendix - A to the Independent Auditors' Report

The Appendix referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2023, we report that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ('PPE') and relevant details of Right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The company has a regular program of physically verifying all fixed assets at its offices in a phased manner, which in our opinion is reasonable having regard to the size of the company and the nature of its assets.
- Based on the information and explanation given to us and on verification of the records of the Company, the Company has physically verified the fixed assets as per their program during the year. No material discrepancies as compared to book records were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company's (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), the title deeds of immovable properties are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) The Company is not carrying on any trading or manufacturing activities and hence does not have inventories. Therefore, paragraph 3(ii) of the Order is not applicable to the Company.
- (iii)
- (a) The Company's principal business is to give loans. Hence, the provisions stated in paragraph 3(iii)(a) of the Order are not applicable to the Company.
- (b) In our opinion, having regard to the nature of the Company's business, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the Company's interest;
- (c) In respect of the aforesaid loans and advances in nature of loans, the schedule of repayment of principal and payment of interest have been stipulated by the Company. Considering that the Company is a Non-Banking Financial Company engaged in the business of granting loans in the micro finance industry, the details of

the amount, due date for payment and extent of delay (that has been suggested in the Guidance Note on CARO 2020 issued by the Institute of Chartered Accountants of India for reporting under this clause) have not been detailed hereunder because it is not practicable to furnish such details owing to the voluminous nature of data generated in the normal course of the Company's business. Further, except for the instances where there are delays or defaults in repayment of principal and/ or interest and in respect of which the Company has recognised necessary provisions in accordance with the principles of Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India ("RBI") for Income Recognition and Asset Classification, the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, Rs. 117.52 Crores amount overdue for more than ninety days.
- (e) The Company's principal business is to give loans. Hence, the provisions stated in paragraph 3(iii)(e) of the Order are not applicable to the Company.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (iv) The Company has not advanced loans or made investments in or provided guaranty or security to parties covered by section 185 and section 186 is not applicable to the Company. Hence reporting under paragraph 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) According to the information and explanations given to us, in respect of the class of industry the company falls under, the Central Government has not specified the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues payable including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, and Cess and other material statutory dues as applicable to the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance Income Tax, Goods and Services Tax, and Cess were in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues in respect of income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, excise duty, cess which have not been deposited on account of dispute.

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix)
- (a) On the basis of verification of records and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to Financial Institutions, Banks and monies raised by issue of debentures. The Company has not raised any loan from Government.
- (b) The company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations provided to us, the Company has applied the loans for which the loans were obtained.
- (d) On an overall examination of financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanation provided to us and based on our examination of the records of the Company, the Company doesn't have any subsidiaries, Joint ventures or associate companies. Accordingly, reporting under this clause is not applicable.
- (x) (a) According to the information and explanations given by the management, the Company has not raised moneys by way of initial public offer or further public offer. However, money raised from debt instruments have been, prima facie, applied for the purposes for which they were raised.
- (b) During the year, the company has utilized funds raised by way of preferential allotment of shares for the purposes for which they were raised.
- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no material fraud by the Company and no material fraud on the company by its officers or employees, except for 365 cases of frauds in the nature of 'fraudulent encashment / manipulation of books of accounts' amounting to Rs. 1.56 Crores on the Company have been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year, while determining the nature, timing and extent of our audit procedures.

- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) In our opinion and according to the information and explanations given to us, based on verification of the records and approvals of the Audit Committee, the Company is in compliance with Section 177 and Section 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the books of account:
- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him as referred to in section 192 of companies Act, 2013. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) (a) The Company is registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) There are no unspent amount towards Corporate Social Responsibility (CSR) in respect of other than ongoing projects.

(b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.

(xxi) The reporting under clause 3(xxii) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Samasta Finance Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Institute of Chartered Accountants of India.

Note 1. Corporate Information:

IIFL Samasta Finance Limited (Formerly known as Samasta Microfinance Limited) has its registered office at Bangalore, India and was incorporated under the Provisions of Companies Act, 1956. The company has obtained certificate of registration from RBI dated 05-09-2013. The Company is categorised as systematically important Non Banking Finance (non - deposit accepting or holding) Company - Micro Finance Institution (NBFC MFI) under the provisions of RBI Act 1934. The Company is engaged in providing micro finance services to women who are enrolled as members and organized as Joint Liability Group ('JLG'), Small business loans and loans against property. The Company is a subsidiary of IIFL Finance Limited.

Note 2. Significant Accounting Policies And Key Accounting Estimates And Judgements

a) Basis of Preparation of financial statements:

The financial statements, together with the comparative period date as at and for the year ended March 31, 2023, comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], as amended and other relevant provisions of the Act.

The Company has followed statutory requirements, circulars and guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC), time to time.

b) Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities (including derivative instruments) are measured at fair value as stated in notes;
- 2) defined benefit plans – plan assets measured at fair value.

c) Use of estimates and Critical Estimates and judgements

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates are:

- i) Determining inputs into the ECL measurement model - (Refer Note h)
- ii) Estimation of defined benefit obligation - (Refer Note s (II))

The areas involving critical judgements are:

- i) Classification of financial assets : Assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are Solely Payment of Principal and Interest (SPPI) on the principal amount outstanding.
- ii) Derecognition of financial assets and securitization.
- iii) Categorisation of loan portfolios

d) Business Combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

e) Non Financial Assets:

Measurement

i) Property, Plant and Equipment

PPE (Property Plant and Equipment) is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy, less GST to the extent credit of tax is availed. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

ii) Intangible Asset

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets with finite useful life are carried at cost less accumulated amortization and accumulated impairment loss, if any.

IIFL Samasta Finance Limited
(Formerly known as Samasta Microfinance Limited)
CIN: U65191KA1995PLC057884

Registered Office: 110/3, Lal Bagh Main Road, Krishnappa Layout, Bengaluru, Karnataka-560027

iii) Investment Property

Investment Property are measured on initial recognition at cost. Transaction costs are included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. Directly attributable expenditure includes, for example, professional fees for legal services, property transfer taxes and other transaction costs. Following initial recognition, an entity shall measure all of its investment properties in accordance with Ind AS 40's requirements for cost model.

Depreciation/ Amortisation

Depreciation on each item of PPE and Investment Property is provided using the Straight-Line Method based on the useful lives of the assets as estimated by the management and is charged to the Statement of Profit and Loss. The estimate of the useful life of the assets has been assessed based on the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. Freehold land is not depreciated.

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life and is recognized in the Statement of Profit and Loss.

Individual assets costing up to Rs 5,000 has been depreciated in full in the year of purchase.

No depreciation is charged from the month in which assets are sold. Depreciation/ Amortisation on PPE, Investment Property and Intangible Assets added or disposed off during the year is calculated on pro-rata basis with reference to the date of addition or deletion.

Estimated useful life of the assets is as under:

Class of assets	Useful life in years
Buildings *	20
Furniture and fixtures *	5
Office equipment *	5
Electrical Equipment *	5
Vehicles *	5
Computers *	3
Software *	3

* For these class of assets, based on internal assessment and independent technical evaluation carried out by external valuers the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Derecognition

The carrying amount of an item of PPE, Investment Property and Intangible Asset is derecognized (eliminated from the balance sheet) on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

f) Impairment of Non Financial Assets

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired. Assets that are subject to depreciation and amortization are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expenses.

Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

g) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

h) Financial Assets

Business Model Assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

Initial recognition and measurement:

The company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at Fair Value Through Profit or Loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the company classifies a financial asset in accordance with the below criteria:

- i. The company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)
- iii. Financial assets measured at Fair Value Through Profit or Loss (FVTPL)

i. Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans, investments and other financial assets of the company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

ii. Financial assets measured at FVTOCI

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the above category, income by way of interest and dividend, provision for impairment are recognized in profit or loss and changes in fair value (other than on account of above income or expense) are recognized in other comprehensive income and accumulated in other equity.

On disposal of debt instruments at FVOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to Statement of Profit and Loss.

iii. Financial assets measured at FVTPL

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the company excluding investments in subsidiaries and associate. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is derecognized (i.e. removed from the company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The company neither transfers nor retains, substantially all risk and rewards of ownership, and does not retain control over the financial asset.

In cases where company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

On Derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company recognizes loss allowance for Expected Credit Loss "ECL" on the following financials instruments that are not measured at FVTPL :

- i) Loans
- ii) Trade Receivables

Loans

The Company measures loss allowances at an amount equal to lifetime ECL, except for financial instruments whose credit risk has not increased significantly since initial recognition, for which a 12-month ECL is computed.

Life-time ECL is based on the result from all possible default events over the expected life of the financial instrument.

12-month ECL is based on the result from default events on a financial instrument that are possible within the 12 months after the reporting date.

The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The company categorises loan assets into stages based on the Days Past Due status:

Stage	Past Due	ECL	Regulatory Standards
Stage 1	30 days past due	12 Month ECL	Equivalent to standard assets as per RBI
Stage 2	31-90 Days Past Due	Life time ECL	
Stage 3	More than 90 Days Past Due	Life time ECL	Equivalent to NPA assets as per RBI

Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows :

Financial assets that are not credit-impaired at the reporting date: As the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive);

Financial assets that are credit-impaired at the reporting date: As the difference between the gross carrying amount and the present value of estimated future cash flows.

Trade Receivables

For trade receivables, the Company applies the simplified approach which requires life-time ECL to be recognised from initial recognition of the receivables.

Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position for financial assets measured at amortised cost as a deduction from the gross carrying amount of the assets.

Write off

Loans are written off when there is no reasonable expectation of recovering in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Financial assets that are written off could still be subject to recovery activities in order to comply with the Company's procedures for recovery of amounts due.

ii) Financial Liabilities

Initial recognition and measurement:

The company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. Having regards to the terms and structure of issuance, Financial Liabilities are categorized as follows (i) recognized at amortised costs (ii) recognized at fair value through profit and loss (FVTPL) (iii) where there is an embedded derivative as part of the financial liability, such embedded derivative is separated and recorded at fair value and the remaining component is categorized as on amortised costs.

IIFL Samasta Finance Limited

CIN: U65191KA1995PLC057884

Registered Office: 110/3, Lal Bagh Main Road, Krishnappa Layout, Bengaluru, Karnataka-560027

Subsequent measurement:

- (i) All financial liabilities of the company categorized as at amortized cost are subsequently measured using the effective interest method.
- (ii) All financial liabilities of the company categorized at fair value are subsequently measured at fair value through profit and loss statement.
- (iii) For derivatives embedded in the liability, the embedded derivative is subsequently measured at fair value through profit and loss and the liability is subsequently measured at amortised cost using the effective interest method.

Derecognition: A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

i) Derivative Financial Instruments

Derivatives Financial Contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

j) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

k) Fair Value

The company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

l) Functional Currency

i) Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'), i.e. in Indian rupees (INR) and all values are rounded off to nearest Rupees except where otherwise indicated.

ii) Transactions and balances

- a. Foreign currency transactions are translated into functional currency using exchange rates at the date of transaction.
- b. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

m) Securitization transaction

In accordance with Ind AS 109, in case of securitisation where the risks and rewards are not transferred completely, the assets are not derecognised and the liability to Special Purpose Vehicle (SPV) is shown under borrowings. The gain arising on securitisation is amortised over the life of the securities issued by SPV. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Securitisation Transactions.

n) Assignment transaction

In accordance with Ind AS 109, in case of assignment with complete transfer of risks and rewards without any retention of residual interest, gain arising on the assignment is recorded upfront in the Statement of Profit and Loss and the loan is derecognised from the Statement of Assets and Liabilities immediately on sale of the loan. However, in cases where the risks and rewards are not transferred completely, then the gain arising on the assignment is amortised over the remaining life of the loan. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Assignment Transactions.

o) Revenue Recognition

i) Income from financing activity:

Interest income is recognized using the Effective Interest Rate (EIR) method for all financial assets measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to its gross carrying amount. The calculation of the effective interest rate includes transaction costs and transaction income that are directly attributable to the acquisition of a financial asset.

For financial assets that are not Purchases Originally Credit Impaired "POCI" but have subsequently become credit-impaired (or 'stage-3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e. net of the expected credit loss provision).

ii) Other revenue from operation:

Fee and commission income that are not integral part of the effective interest rate on the financial asset are recognized as the performance obligation is performed. There is no significant financing component in the consideration.

iii) Other Income:

Dividend income is recognized when the right to receive income is established.

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization / collection.

p) Taxes on Income

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the company.

q) Provisions and Contingencies

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

r) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

s) Employee Benefits

I. Defined contribution plans:

Defined contribution plans are post-employment benefit plans (such as Provident Fund) under which the company pays fixed contributions into benefit schemes and will have no legal or constructive obligation to pay further contributions. The company's contributions to defined contribution plans are recognised in the Statement of Profit and Loss in the financial year to which they relate.

II. Defined benefit plans:

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The present value of the obligations under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits. In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method and is recognized in a similar manner as in the case of defined benefit plans. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

t) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the company. Revenue, expenses, assets and liabilities which relate to the company as a whole and are not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'. The Company operates in a single business segment i.e. lending to members, having similar risk and returns for the purpose of IND AS 108 on 'Operating Segments'. The Company operates in a single geographical segment i.e. domestic.

u) Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

Sensitivity Analysis

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
Projected Benefit Obligation on Current Assumptions	8.90	6.67
Delta Effect of +1% Change in Rate of Discounting	(0.70)	(0.58)
Delta Effect of -1% Change in Rate of Discounting	0.77	0.69
Delta Effect of +1% Change in Rate of Salary Increase	0.81	0.66
Delta Effect of -1% Change in Rate of Salary Increase	(0.72)	(0.58)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.12)	(0.19)
Delta Effect of -1% Change in Rate of Employee Turnover	0.12	0.21

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Gratuity is payable as per company's scheme as detailed in the report.

Actuarial gains/losses are recognised in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are considered as advised by the entity; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Note 40. Financial Risk Management

a) Credit Risk

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored.

Trade Receivables and Other financial assets

Credit risk with respect to trade receivables and other financial assets are extremely low. Trade receivables are primarily from other services provided, historically company has not suffered any defaults. Based on the credit assessment the historical trend of low default is expected to continue. No provision for expected credit loss has been Trade Receivables and Other financial assets.

Loans

The following table sets out information about credit quality of loan assets measured at amortised cost based on Number of Days past due information. The amount represents gross carrying amount.

Particulars	As at March 31, 2023	As at March 31, 2022
Gross Carrying value of loan Assets		
Stage-1 (Less than 30 Days)	7,593.73	5,230.65
Stage-2 (30-90 Days)	235.46	364.62
Stage-3 (More than 90 Days)	169.35	177.45
Total Gross Carrying value on Reporting Date	7,998.54	5,772.72

Credit Quality

Financial services business has a comprehensive framework for monitoring credit quality of its retail and other loans based on days past due monitoring. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

Inputs considered in the ECL model

In assessing the impairment of loans assets under Expected Credit Loss (ECL) Model, the loan assets have been segmented into three stages.

The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages relate to the recognition of expected credit losses and the calculation and presentation of interest revenue.

The company categorises loan assets into stages based on the Days Past Due status:

- i) Stage 1: 30 Days Past Due
- ii) 31-90 Days Past Due
- iii) More than 90 Days Past Due

Exposure at default (EAD) is the maximum exposure as on the date of provision which includes both principal outstanding and interest. Interest is the total of interest outstanding and interest accrued but not due.

Loss given default (LGD) estimates the normalized loss which company incurs post customer default. It is computed through recovery observed in delinquent accounts over a period of time. It is always expressed as % of outstanding amount and not in count. LGD is common for all three stages and is based on loss in past portfolio.

Effective Interest rate (EIR) is the rate that discounts estimated future cash flows through the expected life of financial instrument.

Estimation Technique

Probability of default (PD) is the likelihood that customer will default on loan in time horizon. It is computed on count basis. The reason is customer defaulting on loan is captured by its count and there is no relationship with his outstanding dues.

Assessment of significant increase in credit risk

When determining whether the risk of default has increased significantly since initial recognition, the financial services business considers both quantitative and qualitative information and analysis based on the business historical experience, including forward-looking information. The financial services business considers reasonable and supportable information that is relevant and available without undue cost and effort.

The financial services business uses the number of days past due to classify a financial instrument in low credit risk category and to determine significant increase in credit risk in retail. As a backstop, the financial services business considers that a significant increase in credit risk occurs no later than when an asset is more than 30 days past due.

Note 40. Financial Risk Management

Market Risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market factor. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity, and other market changes. The Company is exposed to two types of market risk as follows:

c) Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	31-Mar-23	31-Mar-22
Variable rate borrowings	4,852.98	3,170.94
Fixed Rate of Borrowings	2,343.37	2,040.42
Total	7,196.35	5,211.36

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	31-Mar-23			31-Mar-22		
	Weighted Average Interest Rate	Balance	% of total loans	Weighted Average Interest Rate	Balance	% of total loans
Bank Loans	10.38%	4,852.98	67.44%	9.52%	3,170.94	60.85%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-23	31-Mar-22	31-Mar-23	31-Mar-22
Interest rates – increase by 30 basis points	(11.77)	(8.17)	Nil	Nil
Interest rates – decrease by 30 basis points	11.77	8.17	Nil	Nil

d) Price Risk

Exposure

The Company's exposure to assets having price risk is as under

Particulars	Equity Shares (Other than Subsidiary)	Mutual Funds
Market Value as on 31.03.2023	0.05	-
Market Value as on 31.03.2022	0.05	-

To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity index had increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-23	31-Mar-22	31-Mar-23	31-Mar-22
Increase by 5%	0.00	0.00	Nil	Nil

(vi) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk. The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are held at quarterly interval. Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and guard-rails approved by the Board. The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a month or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the RMC and the Board of Directors in its next meeting for its perusal/ approval/ ratification.

Qualitative disclosures

The Reserve Bank of India has prescribed monitoring of sufficiency of NBFC's liquid assets pursuant to RBI/2019-20/88 DOR.NBFC (PD) CC. No.102/03.10.001/2019-20 dated 04 November 2019. The Liquidity Coverage Ratio (LCR) is aimed at measuring and promoting short-term resilience of NBFCs to potential liquidity disruptions by ensuring maintenance of sufficient high quality liquid assets (HQLAs) to survive an acute stress scenario lasting for 30 days.

Liquidity of the Company is managed by the Asset Liability Management Committee (ALCO) under the supervision of Borrowings committee. The ratio comprises of high quality liquid assets (HQLAs) as numerator and net cash outflows in 30 days as denominator. Cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities by 1.15 times and cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by 0.75 times.

The weighted cash outflows are primarily driven by secured and unsecured from banks, financial institutions, non-convertible debentures and securitization/direct assignment transactions. Borrowings contributed 46.58% and 52.20% of the total weighted cash outflows as at 31 March 2023 and 31 March 2022 respectively. The weighted cash inflows are primarily driven by unsecured micro loans and secured loans to MSME and individuals.

The Company has implemented the LCR framework and has consistently maintained LCR well above the regulatory threshold. The average LCR for the year ended 31 March 2023 was 109.83% which is above the regulatory requirement of 60.00%.

Fair value hierarchy

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 113 are described below.

Note 61. Covid-19 Pandemic

The outbreak of the COVID-19 pandemic had led to a nation wide lockdown in April - June 2020. This was followed by localized lockdowns in areas with a significant number of COVID-19 cases. Following the easing of lockdown measures, there was an improvement in economic activity in the second half of fiscal 2021. Since then India experienced two waves of the COVID-19 pandemic following the discovery of mutant coronavirus variants, leading to the reimposition of regional lockdowns which were subsequently lifted. The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The disruptions following the outbreak, impacted loan originations, and the efficiency in collection efforts resulting in increase in customer defaults and consequent increase in provisions and write off there against. India is emerging from the COVID-19 pandemic. The extent to which any new wave of COVID-19 will impact the Company's results will depend on ongoing as well as future developments, including, among other things, any new information concerning the severity of the COVID-19 pandemic, and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

To the Members of IIFL Samasta Finance Limited (Formerly known as "Samasta Micro Finance Limited")

Report on the Audit of the financial statements

Opinion

1. We have audited the financial statements of IIFL Samasta Finance Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit, other total comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to Note 58 of the Annual Financial Statements which describes the uncertainties due to outbreak of COVID-19 pandemic and management's evaluation of the impact on Company's financial performance is dependent on future developments, which are uncertain.

Our opinion is not qualified on the above said matter.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our Audit addressed the Key Audit Matter
<p>(a) Expected Credit Loss</p> <p>Refer note 2 (c) of significant accounting policies and note 40 for credit disclosures.</p> <p>As at 31 March 2022, the Company has total gross loan assets of Rs.5,772.72 crores (2021: Rs. 4,116.78 crores)) against which an Expected Credit Loss ('ECL') of Rs. 254.80 crores (2021 Rs. 155.44 crores) has been accrued.</p> <p>The ECL approach as required under Ind AS 109, Financial instruments, involves high degree of complexity and requires significant judgement of the management.</p> <p>The Management is required to determine the ECL that may occur over either a 12-month period or the remaining life of an asset, depending on the categorization of the individual asset. The key areas of judgment include</p>	<p>Our audit focused on assessing the appropriateness of management's judgment and estimates used in the impairment analysis through procedures that included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Evaluated the Company's accounting policies for estimation of expected credit loss on loan assets in accordance with the requirements of Ind AS 109, Financial Instruments; • Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions. Since modelling assumptions and parameters are based on historical data, we assessed whether historical experience was representative of current circumstances and was relevant in view of the recent impairment losses incurred within the portfolios.

1. Categorization of loans in Stage 1, 2 and 3 based on identification of:

- a) exposures with Significant Increase in Credit Risk (SICR) since their origination and
- b) Individually impaired / default exposures.

2. Techniques used to determine Loss Given Default ('LGD') and Probability of Default ('PD') to calculate an ECL are based on past experience.

3. The impact of different future macroeconomic conditions in the determination of ECL.

These parameters are derived from the Company's internally developed statistical models, historical data and macro-economic factors and a change in such models or assumptions could have a material impact on the accompanying financial statements.

These factors required the models to be reassessed based on the available information including the additional risk profiling due to the impact of COVID-19 Pandemic, geographical, political and economic risk to measure the ECL.

Management has made a number of interpretations and assumptions when designing and implementing models that are compliant with the standard. The accuracy of data flows and the implementation of related controls is critical for the integrity of the estimated impairment provisions.

Considering the significance of the above matter to the financial statements and the significant auditor attention required to test such complex accounting estimates, we have identified this as a key audit matter for current year audit.

- Assessed the design and implementation, and tested the operating effectiveness of controls over the modelling process including governance over monitoring of the model and approval of key assumptions
- Evaluated the appropriateness of the Company's process of determination of significant increase in credit risk in accordance with the applicable accounting standard and the basis for classification of exposures into various stages.
- Assessed the key judgments and assumptions relating to the macro-economic scenarios including the impact of COVID 19 Pandemic, RBI guidelines/notification and the associated probability weights.
- Obtained the approved policy of board of directors to understand the relief measures sanctioned to various class of borrowers in accordance with the directions given by the RBI and tested, on sample basis, the compliance with respect to asset classification and provisioning norms as per such directions.
- Tested management's computation of ECL by performing following procedures:
- Evaluated management's groupings of borrowers on the basis of different product lines and customer segments with different risk characteristics.
- Tested classification of loans into various categories based on their past due status and other loss indicators. On a sample basis, inspected the repayment schedule from the underlying borrower agreements and collection made on due dates;
- Performed test of details of the input information used in ECL computation on a sample basis.
- Tested the arithmetical accuracy of the computation.

	<ul style="list-style-type: none"> Performed analytical procedures by determining various ratios or percentage-based measures to review overall reasonableness of the estimate determined by the management.
<p>2. Identification and Measurement of NPA: As per RBI's circular dated November 12, 2021 read with earlier circular dated October 1, 2021 on "Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, Automation of NPA and provisioning is required to be implemented by all lending Institutions.</p> <p>The NPA provisioning as per ECL methodology followed by the Company are not fully automated in Software Applications used by the Company for Loans Management and are performed manually through excel spreadsheets. Further, marking of linked accounts at borrower level as NPAs are done manually. These may have impact on the accuracy and completeness of the provision accrued for NPAs.</p> <p>Considering the significance, we have identified this as a key audit matter for current year audit.</p>	<p>Performed other substantive procedures, included but not limited to the following:</p> <ul style="list-style-type: none"> Assessed the appropriateness of asset classification and adequacy of related provisioning by performing procedures such as computation of overdue ageing, assessment of borrower level NPA identification and verification of applicable provision rates as per ECL policy of the Company on test check basis; Selected samples of performing loan accounts to assess, independently, whether such loan accounts should be classified as NPA; Recompilation of the amount of ECL provisioning on the total advances base considering the stage wise categories of advances, LGD (Loss given default) and PD(Probability of default) arrived by the Company.

Information Other than the Financial Statements and Auditor's Report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the financial statements

7. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by Sec 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with schedule V to the Act.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Samasta Finance Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Institute of Chartered Accountants of India.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

Note 1. Corporate Information:

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited) has its registered office at Bangalore, India and was Incorporated under the Provisions of Companies Act,1956. The company has obtained certificate of registration from RBI dated 05-09-2013. The Company is categorised as systematically important Non Banking Finance (non - deposit accepting or holding) Company - Micro Finance Institution (NBFC MFI) under the provisions of RBI Act 1934. The Company is engaged in providing micro finance services to women who are enrolled as members and organized as Joint Liability Group ('JLG'), Small business loans and loans against property. The Company is a subsidiary of IIFL Finance Limited.

Note 2. Significant Accounting Policies And Key Accounting Estimates And Judgements

a) Basis of Preparation of financial statements:

The financial statements, together with the comparative period date as at and for the year ended March 31, 2022, comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], as amended and other relevant provisions of the Act.

The Company has followed statutory requirements, circulars and guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC), time to time.

b) Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities (including derivative instruments) are measured at fair value as stated in notes;
- 2) defined benefit plans – plan assets measured at fair value.

c) Use of estimates and Critical Estimates and judgements

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates are:

- i) Determining inputs into the ECL measurement model - (Refer Note g)
- ii) Estimation of defined benefit obligation - (Refer Note r (II))

The areas involving critical judgements are:

- i) Classification of financial assets : Assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are Solely Payment of Principal and Interest (SPPI) on the principal amount outstanding.
- ii) Derecognition of financial assets and securitization.
- iii) Categorisation of loan portfolios

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

d) Business Combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

e) Non Financial Assets:

Measurement

i) Property, Plant and Equipment

PPE (Property Plant and Equipment) is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy, less GST to the extent credit of tax is availed. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

ii) Intangible Asset

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets with finite useful life are carried at cost less accumulated amortization and accumulated impairment loss, if any.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

iii) Investment Property

Investment Property are measured on initial recognition at cost. Transaction costs are included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. Directly attributable expenditure includes, for example, professional fees for legal services, property transfer taxes and other transaction costs. Following initial recognition, an entity shall measure all of its investment properties in accordance with Ind AS 40's requirements for cost model.

Depreciation/ Amortisation

Depreciation on each item of PPE and Investment Property is provided using the Straight-Line Method based on the useful lives of the assets as estimated by the management and is charged to the Statement of Profit and Loss. The estimate of the useful life of the assets has been assessed based on the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. Freehold land is not depreciated.

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life and is recognized in the Statement of Profit and Loss.

Individual assets costing up to Rs 5,000 has been depreciated in full in the year of purchase.

No depreciation is charged from the month in which assets are sold. Depreciation/ Amortisation on PPE, Investment Property and Intangible Assets added or disposed off during the year is calculated on pro-rata basis with reference to the date of addition or deletion.

Estimated useful life of the assets is as under:

Class of assets	Useful life in years
Buildings *	20
Furniture and fixtures *	5
Office equipment *	5
Electrical Equipment *	5
Vehicles *	5
Computers *	3
Software *	3

* For these class of assets, based on internal assessment and independent technical evaluation carried out by external valuers the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Derecognition

The carrying amount of an item of PPE, Investment Property and Intangible Asset is derecognized (eliminated from the balance sheet) on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

f) Impairment of Non Financial Assets

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired. Assets that are subject to depreciation and amortization are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expenses.

Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

g) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial Assets

Business Model Assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

Initial recognition and measurement:

The company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at Fair Value Through Profit or Loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the company classifies a financial asset in accordance with the below criteria:

- i. The company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)
- iii. Financial assets measured at Fair Value Through Profit or Loss (FVTPL)

i. Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans, investments and other financial assets of the company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

ii. Financial assets measured at FVTOCI

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the above category, income by way of interest and dividend, provision for impairment are recognized in profit or loss and changes in fair value (other than on account of above income or expense) are recognized in other comprehensive income and accumulated in other equity.

On disposal of debt instruments at FVOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to Statement of Profit and Loss.

iii. Financial assets measured at FVTPL

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the company excluding investments in subsidiaries and associate. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Notes forming part of Financial Statements for the year ended March 31, 2022

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is derecognized (i.e. removed from the company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The company neither transfers nor retains, substantially all risk and rewards of ownership, and does not retain control over the financial asset.

In cases where company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

On Derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company recognizes loss allowance for Expected Credit Loss "ECL" on the following financials instruments that are not measured at FVTPL :

- i) Loans
- ii) Trade Receivables

Loans

The Company measures loss allowances at an amount equal to lifetime ECL, except for financial instruments whose credit risk has not increased significantly since initial recognition, for which a 12-month ECL is computed.

Life-time ECL is based on the result from all possible default events over the expected life of the financial instrument.

12-month ECL is based on the result from default events on a financial instrument that are possible within the 12 months after the reporting date.

The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

The company categorises loan assets into stages based on the Days Past Due status:

Stage	Past Due	ECL	Regulatory Standards
Stage 1	30 days past due	12 Month ECL	Equivalent to standard assets as per RBI
Stage 2	31-90 Days Past Due	Life time ECL	
Stage 3	More than 90 Days Past Due	Life time ECL	Equivalent to NPA assets as per RBI

Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows :

Financial assets that are not credit-impaired at the reporting date: As the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive);

Financial assets that are credit-impaired at the reporting date: As the difference between the gross carrying amount and the present value of estimated future cash flows.

Trade Receivables

For trade receivables, the Company applies the simplified approach which requires life-time ECL to be recognised from initial recognition of the receivables.

Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position for financial assets measured at amortised cost as a deduction from the gross carrying amount of the assets.

Write off

Loans are written off when there is no reasonable expectation of recovering in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Financial assets that are written off could still be subject to recovery activities in order to comply with the Company's procedures for recovery of amounts due.

ii) Financial Liabilities

Initial recognition and measurement:

The company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. Having regards to the terms and structure of issuance, Financial Liabilities are categorized as follows (i) recognized at amortised costs (ii) recognized at fair value through profit and loss (FVTPL) (iii) where there is an embedded derivative as part of the financial liability, such embedded derivative is separated and recorded at fair value and the remaining component is categorized as on amortised costs.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

Subsequent measurement:

- (i) All financial liabilities of the company categorized as at amortized cost are subsequently measured using the effective interest method.
- (ii) All financial liabilities of the company categorized at fair value are subsequently measured at fair value through profit and loss statement.
- (iii) For derivatives embedded in the liability, the embedded derivative is subsequently measured at fair value through profit and loss and the liability is subsequently measured at amortised cost using the effective interest method.

Derecognition: A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

h) Derivative Financial Instruments

Derivatives Financial Contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

i) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

j) Fair Value

The company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantages market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

k) Functional Currency

i) Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). i.e. in Indian rupees (INR) and all values are rounded off to nearest Rupees except where otherwise indicated.

ii) Transactions and balances

- a. Foreign currency transactions are translated into functional currency using exchange rates at the date of transaction.
- b. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

l) Securitization transaction

In accordance with Ind AS 109, in case of securitisation where the risks and rewards are not transferred completely, the assets are not derecognised and the liability to Special Purpose Vehicle (SPV) is shown under borrowings. The gain arising on securitisation is amortised over the life of the securities issued by SPV. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Securitisation Transactions.

m) Assignment transaction

In accordance with Ind AS 109, in case of assignment with complete transfer of risks and rewards without any retention of residual interest, gain arising on the assignment is recorded upfront in the Statement of Profit and Loss and the loan is derecognised from the Statement of Assets and Liabilities immediately on sale of the loan. However, in cases where the risks and rewards are not transferred completely, then the gain arising on the assignment is amortised over the remaining life of the loan. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Assignment Transactions.

n) Revenue Recognition

i) Income from financing activity:

Interest income is recognized using the Effective Interest Rate (EIR) method for all financial assets measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to its gross carrying amount. The calculation of the effective interest rate includes transaction costs and transaction income that are directly attributable to the acquisition of a financial asset.

For financial assets that are not Purchases Originally Credit Impaired "POCI" but have subsequently become credit-impaired (or 'stage-3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e. net of the expected credit loss provision).

ii) Other revenue from operation:

Fee and commission income that are not integral part of the effective interest rate on the financial asset are recognized as the performance obligation is performed. There is no significant financing component in the consideration.

iii) Other Income:

Dividend income is recognized when the right to receive income is established.

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization / collection.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

o) Taxes on Income

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the company.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

p) Provisions and Contingencies

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

q) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

r) Employee Benefits

I. Defined contribution plans:

Defined contribution plans are post-employment benefit plans (such as Provident Fund) under which the company pays fixed contributions into benefit schemes and will have no legal or constructive obligation to pay further contributions. The company's contributions to defined contribution plans are recognised in the Statement of Profit and Loss in the financial year to which they relate.

II. Defined benefit plans:

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The present value of the obligations under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits. In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

IIFL Samasta Finance Limited (Erstwhile Samasta Microfinance Limited)
Notes forming part of Financial Statements for the year ended March 31, 2022

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method and is recognized in a similar manner as in the case of defined benefit plans. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

s) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the company. Revenue, expenses, assets and liabilities which relate to the company as a whole and are not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'. The Company operates in a single business segment i.e. lending to members, having similar risk and returns for the purpose of IND AS 108 on 'Operating Segments'. The Company operates in a single geographical segment i.e. domestic.

t) Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

Delta Effect of -1% Change in Rate of Employee Turnover	21,40,285	19,46,541

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Gratuity is payable as per company's scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are considered as advised by the entity; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Note 40. Financial Risk Management

a) Credit Risk

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored.

Trade Receivables and Other financial assets

Credit risk with respect to trade receivables and other financial assets are extremely low. Trade receivables are primarily from other services provided, historically company has not suffered any defaults. Based on the credit assessment the historical trend of low default is expected to continue. No provision for expected credit loss has been Trade Receivables and Other financial assets.

Loans

The following table sets out information about credit quality of loan assets measured at amortised cost based on Number of Days past due information. The amount represents gross carrying amount.

Particulars	As at March 31,2022	As at March 31,2021
Gross Carrying value of loan Assets		
Stage-1 (Less than 30 Days)	52,30,64,90,123	38,85,05,96,071
Stage-2 (30-90 Days)	3,64,62,44,127	1,56,93,54,027
Stage-3 (More than 90 Days)	1,77,44,66,385	74,78,19,368
Total Gross Carrying value on Reporting Date	57,72,72,00,635	41,16,77,69,466

Credit Quality

Financial services business has a comprehensive framework for monitoring credit quality of its retail and other loans based on days past due monitoring. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

Inputs considered in the ECL model

In assessing the impairment of loans assets under Expected Credit Loss (ECL) Model, the loan assets have been segmented into three stages.

The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages relate to the recognition of expected credit losses and the calculation and presentation of interest revenue.

The company categorises loan assets into stages based on the Days Past Due status:

- i) Stage 1: 30 Days Past Due
- ii) 31-90 Days Past Due
- iii) More than 90 Days Past Due

Exposure at default (EAD) is the maximum exposure as on the date of provision which includes both principal outstanding and interest. Interest is the total of interest outstanding and interest accrued but not due.

Loss given default (LGD) estimates the normalized loss which company incurs post customer default. It is computed through recovery observed in delinquent accounts over a period of time. It is always expressed as % of outstanding amount and not in count. LGD is common for all three stages and is based on loss in past portfolio.

Effective Interest rate (EIR) is the rate that discounts estimated future cash flows through the expected life of financial instrument.

Notes forming part of Financial Statements for the year ended March 31, 2022

Estimation Technique

Probability of default (PD) is the likelihood that customer will default on loan in time horizon. It is computed on count basis. The reason is customer defaulting on loan is captured by its count and there is no relationship with his outstanding dues. Calculated PD is on Stage 1 and Stage 2 on portfolio basis and for Stage 3 PD is 100%.

Assessment of significant increase in credit risk

When determining whether the risk of default has increased significantly since initial recognition, the financial services business considers both quantitative and qualitative information and analysis based on the business historical experience, including forward-looking information. The financial services business considers reasonable and supportable information that is relevant and available without undue cost and effort.

The financial services business uses the number of days past due to classify a financial instrument in low credit risk category and to determine significant increase in credit risk in retail. As a backstop, the financial services business considers that a significant increase in credit risk occurs no later than when an asset is more than 30 days past due.

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

1. all non-derivative financial liabilities, and
2. net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Note 40. Financial Risk Management

Market Risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market factor. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity, and other market changes. The Company is exposed to two types of market risk as follows:

c) Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	31-Mar-22	31-Mar-21
Variable rate borrowings	31,70,93,72,363	14,35,88,06,598
Fixed Rate of Borrowings	20,40,42,43,773	20,12,63,93,350
Total	52,11,36,16,136	34,48,51,99,948

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	31-Mar-22			31-Mar-21		
	Weighted Average Interest Rate	Balance	% of total loans	Weighted Average Interest Rate	Balance	% of total loans
Bank Loans	9.52%	31,70,93,72,363	60.85%	9.09%	14,35,88,06,598	41.64%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-22	31-Mar-21	31-Mar-22	31-Mar-21
Interest rates – increase by 30 basis points	(8,16,67,751)	(3,49,33,224)	Nil	Nil
Interest rates – decrease by 30 basis points	8,16,67,751	3,49,33,224	Nil	Nil

d) Price Risk

Exposure

The Company's exposure to assets having price risk is as under

Particulars	Equity Shares (Other than Subsidiary)	Mutual Funds
Market Value as on 31.03.2022	5,00,000	-
Market Value as on 31.03.2021	5,00,000	-

To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity index had increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-22	31-Mar-21	31-Mar-22	31-Mar-21
Increase by 5%	21,463	20,274	Nil	Nil
Decrease by 5%	(21,463)	(20,274)	Nil	Nil

e) Foreign Currency Risk Exposure

The Company is not exposed to foreign currency fluctuation risk for its External Commercial Borrowings (ECB).

(vi) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk. The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are held at quarterly interval. Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and guard-rails approved by the Board. The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a month or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the RMC and the Board of Directors in its next meeting for its perusal/ approval/ ratification.

Qualitative disclosures

The Reserve Bank of India has prescribed monitoring of sufficiency of NBFC's liquid assets pursuant to RBI/2019-20/88 DOR.NBFC (PD) CC. No.102/03.10.001/2019-20 dated 04 November 2019. The Liquidity Coverage Ratio (LCR) is aimed at measuring and promoting short-term resilience of NBFCs to potential liquidity disruptions by ensuring maintenance of sufficient high quality liquid assets (HQLAs) to survive an acute stress scenario lasting for 30 days.

Liquidity of the Company is managed by the Asset Liability Management Committee (ALCO) under the supervision of Borrowings committee. The ratio comprises of high quality liquid assets (HQLAs) as numerator and net cash outflows in 30 days as denominator. Cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities by 1.15 times and cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by 0.75 times.

The weighted cash outflows are primarily driven by secured and unsecured from loans from banks, financial institutions, non-convertible debentures and securitization/direct assignment transactions. Borrowings contributed 52.20% and 43.07% of the total weighted cash outflows as at 31 March 2022 and 31 March 2021 respectively. The weighted cash inflows are primarily driven by unsecured micro loans and secured loans to MSME and individuals.

The Company has implemented the LCR framework and has consistently maintained LCR well above the regulatory threshold. The average LCR for the quarter ended 31 March 2022 was 451.69% which is above the regulatory requirement of 50.00%.

Fair value hierarchy

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 113 are described below.

Note 58. Covid-19 Pandemic

The outbreak of the COVID-19 pandemic had led to a nation wide lockdown in April - June 2020. This was followed by localised lockdowns in areas with a significant number of COVID-19 cases. Following the easing of lockdown measures, there was an improvement in economic activity in the second half of fiscal 2021. Since then India experienced two waves of the COVID-19 pandemic following the discovery of mutant coronavirus variants, leading to the reimposition of regional lockdowns which were subsequently lifted.

The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The disruptions following the outbreak, impacted loan originations, and the efficiency in collection efforts resulting in increase in customer defaults and consequent increase in provisions and write off there against.

India is emerging from the COVID-19 pandemic. The extent to which any new wave of COVID-19 will impact the Company's results will depend on ongoing as well as future developments, including, among other things, any new information concerning the severity of the COVID-19 pandemic, and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Samasta Micro Finance Limited

Opinion

We have audited the accompanying standalone financial results of Samasta Micro Finance Limited ("the Company"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial results:

- i. is presented in accordance with the requirements of Regulation 52 of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of net profit and other comprehensive income and other financial information of the Company for the year ended 31 March 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements in India under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Board of Director's Responsibilities for the Financial Results

These Standalone financial results have been prepared on the basis of the standalone annual financial statements of the Company. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Financial Results include the results for the half year ended 31st March 2021 being the balancing figure between the audited figures in respect of the full financial year and the published audited year to date figures up to the half year of the current financial year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Samasta Micro Finance Limited

Report on the Audit of the financial statements

Opinion

We have audited the financial statements of Samasta Micro Finance Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, profit, other total comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

Key Audit Matter	Principal Audit Procedures
Expected Credit Loss: Due to a pandemic arising out of the COVID 19 (Second Wave) and due to its impact on the operations of the borrowers, Company has evaluated the impact that may be caused on the ability of the borrower to repay the loan advanced. Pursuant to this, its effect in determination of Expected Credit Loss (ECL) is evaluated. Under Ind AS 109 – Financial Instrument, the Company has to assess whether credit risk has increased significantly since initial recognition and on the basis of forward-looking economic information, without undue cost or effort. Towards this, the Company needs to judge on the basis of forward-looking information and past due status. Therefore, the assessment of increase in credit risk and recognition of ECL for the same is significant to our audit.	Our audit procedures include among other examinations, review of Management estimation of significant increase in credit risk that arise pursuant to COVID-19 (Second Wave), its impact on the inflow of the borrower and determination of ECL provision, thereon. The Company made an assessment on the categories of loans given and its geographical locations and determined that increase in the Probability of Default (PD) is required. In the judgement of the Management, considering the collections done under this extraordinary situations, the PD in some of stages has been enhanced. Accordingly, we found that the assessment process was done and adequate provision for loss is made in the financial statements.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management and Discussion Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure - B to the Independent Auditor's Report – 31 March 2021
(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Samasta Micro Finance Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Note 1. Corporate Information:

Samasta Microfinance Limited has its registered office at Bangalore, India and was Incorporated under the Provisions of Companies Act, 1956. The company has obtained certificate of registration from RBI dated 05-09-2013. The Company is categorised as systematically important non banking Finance (non - deposit accepting or holding) Company-Micro Finance Institution (NBFC MFI) under the provisions of RBI Act 1934. The Company is engaged in providing micro finance services to women who are enrolled as members and organized as Joint Liability Group ('JLG'), Small business loans and loans against property. The Company is a subsidiary of India Infoline Finance Limited.

Note 2. Significant Accounting Policies And Key Accounting Estimates And Judgements

a) Basis of Preparation of financial statements:

The financial statements, together with the comparative period date as at and for the year ended March 31, 2020, comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], as amended, and other relevant provisions of the Act.

The Company has followed statutory requirements, circulars and guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC), time to time.

b) Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities (including derivative instruments) are measured at fair value as stated in notes;
- 2) defined benefit plans – plan assets measured at fair value.

c) Use of estimates and Critical Estimates and judgements

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates are:

- i) Determining inputs into the ECL measurement model - (Refer Note g)
- ii) Estimation of defined benefit obligation - (Refer Note r (II))

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

The areas involving critical judgements are:

- i) Classification of financial assets : Assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payment of principal and interest (SPPI) on the principal amount outstanding.
- ii) Derecognition of financial assets and securitization.
- iii) Categorisation of loan portfolios

d) Business Combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

e) Non Financial Assets:

Measurement

i) Property, Plant and Equipment

PPE (Property Plant and Equipment) is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy, less GST to the extent credit of tax is availed. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

ii) Intangible Asset

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets with finite useful life are carried at cost less accumulated amortization and accumulated impairment loss, if any.

iii) Investment Property

Investment Property are measured on initial recognition at cost. Transaction costs are included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. Directly attributable expenditure includes, for example, professional fees for legal services, property transfer taxes and other transaction costs. Following initial recognition, after initial recognition, an entity shall measure all of its investment properties in accordance with Ind AS 40's requirements for cost model.

Depreciation/ Amortisation

Depreciation on each item of PPE and Investment Property is provided using the Straight-Line Method based on the useful lives of the assets as estimated by the management and is charged to the Statement of Profit and Loss. The estimate of the useful life of the assets has been assessed based on the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. Freehold land is not depreciated.

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life and is recognized in the Statement of Profit and Loss.

Individual assets costing up to Rs.5,000 has been depreciated in full in the year of purchase.

No depreciation is charged from the month in which assets are sold. Depreciation/ Amortisation on PPE, Investment Property and Intangible Assets added or disposed off during the year is calculated on pro-rata basis with reference to the date of addition or deletion.

Estimated useful life of the assets is as under:

Class of assets	Useful life in years
Buildings *	20
Furniture and fixtures *	5
Office equipment *	5
Electrical Equipment *	5
Vehicles *	5
Computers *	3
Software *	3

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

* For these class of assets, based on internal assessment and independent technical evaluation carried out by external valuers the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Derecognition

The carrying amount of an item of PPE, Investment Property and Intangible Asset is derecognized (eliminated from the balance sheet) on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

f) Impairment of Non Financial Assets

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired. Assets that are subject to depreciation and amortization are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expenses.

Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

g) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

i) Financial Assets

Business Model Assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

Initial recognition and measurement:

The company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the company classifies a financial asset in accordance with the below criteria:

- i. The company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)

SAMASTA MICROFINANCE LIMITED
Notes forming part of Financial Statements for the year ended March 31, 2021

i. Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans, investments and other financial assets of the company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

ii. Financial assets measured at FVTOCI

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the above category, income by way of interest and dividend, provision for impairment are recognized in profit or loss and changes in fair value (other than on account of above income or expense) are recognized in other comprehensive income and accumulated in other equity.

On disposal of debt instruments at FVOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to Statement of Profit and Loss.

iii. Financial assets measured at FVTPL

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the company excluding investments in subsidiaries and associate. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is derecognized (i.e. removed from the company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The company neither transfers nor retains, substantially all risk and rewards of ownership, and does not retain control over the financial asset.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

In cases where company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

On Derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company recognizes loss allowance for Expected Credit Loss “ECL” on the following financials instruments that are not measured at FVTPL :

- i) Loans
- ii) Trade Receivables

Loans

The Company measures loss allowances at an amount equal to lifetime ECL, except for financial instruments whose credit risk has not increased significantly since initial recognition, for which a 12-month ECL is computed.

Life-time ECL is based on the result from all possible default events over the expected life of the financial instrument.

12-month ECL is based on the result from default events on a financial instrument that are possible within the 12 months after the reporting date.

The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The company categorises loan assets into stages based on the Days Past Due status:

Stage	Past Due	ECL	Regulatory Standards
Stage 1	30 days past due	12 Month ECL	Equivalent to standard assets as per RBI
Stage 2	31-90 Days Past Due	Life time ECL	
Stage 3	More than 90 Days Past Due	Life time ECL	Equivalent to NPA assets as per RBI

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows :

Financial assets that are not credit-impaired at the reporting date: As the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive);

Financial assets that are credit-impaired at the reporting date: As the difference between the gross carrying amount and the present value of estimated future cash flows.

Trade Receivables

For trade receivables, the Company applies the simplified approach which requires life-time ECL to be recognised from initial recognition of the receivables.

Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position for financial assets measured at amortised cost as a deduction from the gross carrying amount of the assets.

Write off

Loans are written off when there is no reasonable expectation of recovering in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Financial assets that are written off could still be subject to recovery activities in order to comply with the Company's procedures for recovery of amounts due.

ii) Financial Liabilities

Initial recognition and measurement:

The company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. Having regards to the terms and structure of issuance, Financial Liabilities are categorized as follows (i) recognized at amortised costs (ii) recognized at fair value through profit and loss (FVTPL) (iii) where there is an embedded derivative as part of the financial liability, such embedded derivative is separated and recorded at fair value and the remaining component is categorized as on amortised costs.

Subsequent measurement:

(i) All financial liabilities of the company categorized as at amortized cost are subsequently measured using the effective interest method.

(ii) All financial liabilities of the company categorized at fair value are subsequently measured at fair value through profit and loss statement.

(iii) For derivatives embedded in the liability, the embedded derivative is subsequently measured at fair value through profit and loss and the liability is subsequently measured at amortised cost using the effective interest method.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Derecognition: A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

h) Derivative Financial Instruments

Derivatives Financial Contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

i) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

j) Fair Value

The company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

k) Functional Currency

i) Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). i.e. in Indian rupees (INR) and all values are rounded off to nearest Rupees except where otherwise indicated.

ii) Transactions and balances

a. Foreign currency transactions are translated into functional currency using exchange rates at the date of transaction.

b. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

l) Securitization transaction

In accordance with Ind AS 109, in case of securitisation where the risks and rewards are not transferred completely, the assets are not derecognised and the liability to Special Purpose Vehicle (“SPV”) is shown under borrowings. The gain arising on securitisation is amortised over the life of the securities issued by SPV. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Securitisation Transactions.

m) Assignment transaction

In accordance with Ind AS 109, in case of assignment with complete transfer of risks and rewards without any retention of residual interest, gain arising on the assignment is recorded upfront in the Statement of Profit and Loss and the loan is derecognised from the Statement of Assets and Liabilities immediately on sale of the loan. However, in cases where the risks and rewards are not transferred completely, then the gain arising on the assignment is amortised over the remaining life of the loan. Loss, if any, is recognised upfront in the Statement of Profit and Loss for all types of Assignment Transactions.

n) Revenue Recognition

i) Income from financing activity:

Interest income is recognized using the Effective Interest Rate (EIR) method for all financial assets measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to its gross carrying amount. The calculation of the effective interest rate includes transaction costs and transaction income that are directly attributable to the acquisition of a financial asset.

For financial assets that are not Purchases Originally Credit Impaired “POCI” but have subsequently become credit-impaired (or ‘stage-3’), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e. net of the expected credit loss provision).

ii) Other revenue from operation:

Fee and commission income that are not integral part of the effective interest rate on the financial asset are recognized as the performance obligation is performed. There is no significant financing component in the consideration.

iii) Other Income:

Dividend income is recognized when the right to receive income is established.

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization / collection.

o) Taxes on Income

The income tax expense or credit for the period is the tax payable on the current period’s taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

SAMASTA MICROFINANCE LIMITED
Notes forming part of Financial Statements for the year ended March 31, 2021

Deferred income tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the company.

p) Provisions and Contingencies

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

q) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

r) Employee Benefits

I. Defined contribution plans:

Defined contribution plans are post-employment benefit plans (such as Provident Fund) under which the company pays fixed contributions into benefit schemes and will have no legal or constructive obligation to pay further contributions. The company's contributions to defined contribution plans are recognised in the Statement of Profit and Loss in the financial year to which they relate.

II. Defined benefit plans:

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The present value of the obligations under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits. In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method and is recognized in a similar manner as in the case of defined benefit plans. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

s) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the company . The CODM is responsible for allocating resources and assessing performance of the operating segments of the company . Revenue, expenses, assets and liabilities which relate to the company as a whole and are not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'. The Company operates in a single business segment i.e. lending to members, having similar risk and returns for the purpose of IND AS 108 on 'Operating Segments'. The Company operates in a single geographical segment i.e. domestic.

t) Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

Delta Effect of -1% Change in Rate of Employee Turnover	19,46,541	7,99,960

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Gratuity is payable as per company's scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Note 40. Financial Risk Management

a) Credit Risk

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored.

Trade Receivables and Other financial assets

Credit risk with respect to trade receivables and other financial assets are extremely low. Trade receivables are primarily from other services provided, historically company has not suffered any defaults. Based on the credit assessment the historical trend of low default is expected to continue. No provision for expected credit loss has been Trade Receivables and Other financial assets.

Loans

The following table sets out information about credit quality of loan assets measured at amortised cost based on Number of Days past due information. The amount represents gross carrying amount.

Particulars	Year Ended March 31,2021	Year Ended March 31,2020
Gross Carrying value of loan Assets		
Stage-1 (Less than 30 Days)*	38,85,05,96,071	22,93,13,82,448
Stage-2 (30-90 Days)	1,56,93,54,027	23,15,59,667
Stage-3 (More than 90 Days)	74,78,19,368	34,31,20,550

* Includes Nil (P.Y. ₹ 50,00,00,000/-) of Inter Corporate Deposit given to Holding Company

Credit Quality

Financial services business has a comprehensive framework for monitoring credit quality of its retail and other loans based on days past due monitoring. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

Inputs considered in the ECL model

In assessing the impairment of loans assets under Expected Credit Loss (ECL) Model, the loan assets have been segmented into three stages.

The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages relate to the recognition of expected credit losses and the calculation and presentation of interest revenue.

The company categorises loan assets into stages based on the Days Past Due status:

- i) Stage 1: 30 Days Past Due
- ii) 31-90 Days Past Due
- iii) More than 90 Days Past Due

Exposure at default (EAD) is the maximum exposure as on the date of provision which includes both principal outstanding and interest. Interest is the total of interest outstanding and interest accrued but not due.

Loss given default (LGD) estimates the normalized loss which company incurs post customer default. It is computed through recovery observed in delinquent accounts over a period of time. It is always expressed as % of outstanding amount and not in count. LGD is common for all three stages and is based on loss in past portfolio.

Effective Interest rate (EIR) is the rate that discounts estimated future cash flows through the expected life of financial instrument.

Estimation Technique

Probability of default (PD) is the likelihood that customer will default on loan in time horizon. It is computed on count basis. The reason is customer defaulting on loan is captured by its count and there is no relationship with his outstanding dues. Calculated PD is on Stage 1 and Stage 2 on portfolio basis and for Stage 3 PD is 100%.

SAMASTA MICROFINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2021

Assessment of significant increase in credit risk

When determining whether the risk of default has increased significantly since initial recognition, the financial services business considers both quantitative and qualitative information and analysis based on the business historical experience, including forward-looking information. The financial services business considers reasonable and supportable information that is relevant and available without undue cost and effort.

The financial services business uses the number of days past due to classify a financial instrument in low credit risk category and to determine significant increase in credit risk in retail. As a backstop, the financial services business considers that a significant increase in credit risk occurs no later than when an asset is more than 30 days past due.

Impairment loss

The expected credit loss allowance provision is determined as follows:

Note 40. Financial Risk Management

c) Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	31-Mar-21	31-Mar-20
Variable rate borrowings	14,35,88,06,598	9,15,92,99,938
Fixed Rate of Borrowings	20,12,63,93,350	10,43,26,26,227
Total	34,48,51,99,948	19,59,19,26,165

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	31-Mar-21			31-Mar-20		
	Weighted Average Interest Rate	Balance	% of total loans	Weighted Average Interest Rate	Balance	% of total loans
Bank Loans	9.09%	14,35,88,06,598	41.64%	10.56%	9,15,92,99,938	46.75%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-21	31-Mar-20	31-Mar-21	31-Mar-20
Interest rates – increase by 30 basis points	(3,49,33,224)	(2,10,11,057)	Nil	Nil
Interest rates – decrease by 30 basis points	3,49,33,224	2,10,11,057	Nil	Nil

* Holding all other variables constant

d) Price Risk Exposure

The Company's exposure to assets having price risk is as under

Particulars	Equity Shares (Other than Subsidiary)	Mutual Funds
Market Value as on 31.03.2021	5,00,000	-
Market Value as on 31.03.2020	5,00,000	-

To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity index had increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Particulars	Impact on profit after tax		Impact on other components of equity	
	31-Mar-21	31-Mar-20	31-Mar-21	31-Mar-20
Increase by 5%	20,274	19,116	Nil	Nil
Decrease by 5%	(20,274)	(19,116)	Nil	Nil

(i) Fair value hierarchy

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 113 are described below.

Note 49. Going Concern

Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government. Due to second wave of COVID-19, regional lockdowns continue to be implemented in areas where significant number of COVID-19 cases exists. The impact of second wave of COVID-19 may impact the collections from borrowers.

The Company has been effectively able to communicate with their borrowers and using of digital technology has been successful in making collections. The Company has used the principles of prudence in applying judgments, estimates and assumptions to assess and provide for the impact of the pandemic on the Financial Statements. However, due to the uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The Company has considered such uncertainties while determining the Expected Credit Loss provision. The Company will continue to closely monitor any changes to the estimates based on future economic conditions.

The Company has considered the possible effects of second wave of COVID-19 on the carrying amounts of Tangible Assets, Investments, Loans and Other Advances, Other Assets and Liabilities. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial results, has used external and internal sources of information/indicators to estimate the future performance of the Company. Based on current estimates the Company expects the carrying amount of these assets to be recovered. Further, the impact assessment does not indicate any adverse impact on the ability of the company to continue as a going concern, as on the date of the balance sheet. The impact of the second wave of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these results.
